We have been sanctioning a great deal of these equipment grants. I would like to know the total approved for equipment grants till now. There is no use of approving the grant and making the people expect to get these grants, for our approval really means that, and then disappointing them later on. The present total as well as the total of the approved list may be put up and we must consider what we should do before we approve these grants.

It may be possible in view of our financial difficulties that we may not give these equipment grants to those institutions to which we are giving building grants. But that may be considered after receiving the lists.

Please see the minute of H.M. (Edn) on p.3 ante.

Applications for ~~XXXXXXXXXX~~ ^{grants} equipment/~~XXXXXXXXXXXX~~ are forwarded by the D.P.I. to Govt., for inclusion in the approved list, when the ~~expenditure~~ ^{grant} on each scheme is Rs. 2500/- and above. The Govt. approve ^{the Director} these schemes recommended by the D.P.I. and put them in the approved list ^{maintained by him} for the ensuing year. Similarly, in respect of schemes the ~~expenditure~~ ^{grant for} on which to Govt. does not exceed Rs. 2500/-, the D.P.I. sanctions the inclusion of the scheme in the approved list.

He sends a consolidated list of such schemes - put in the approved list both by him and the Govt. - and ^{suggests} ~~request~~ provision for those schemes in connection with the Part II Estimates of the ensuing year. It ~~XXXXXX~~ ^{may} be stated ~~XXXXXXXXXXXXXXXXXXXXXXXXXXXX~~ that the inclusion of a particular scheme in the approved list does not convey any guarantee of grant, but will only render the institution eligible for a grant of one-half of the actual cost not exceeding Rs. 10,000/-, if and when funds become available, provided all the conditions prescribed in the Grant-in-Aid Code are duly complied with. It cannot be stated that all schemes recommended by the D.P.I. are provided for in the Budget Estimate ~~XXXXXXXXXX~~ of the ensuing year. Provision in the Budget is made by the Govt. with reference to the financial position of Govt. ^{and} taking into account the average of the past three years.

Besides, it cannot ^{also} be stated that ~~any~~ ^{even after} provision is included in the Budget estimate, the grant for a particular scheme ^{will be} ~~is~~ automatically disbursed. Grant is disbursed with reference to the actual ~~xxx~~ expenditure incurred by the management on the scheme. Hence some managements may not be able to draw any grant ^{at all} during the year in which provision is made owing to their

inability to defray their portion of the expenditure or the non-availability of the articles etc. ~~not being available~~. In some cases, they may be able to draw only a part of the grant, with reference to their portion of the expenditure on

the scheme. A statement showing the schemes included in the approved list and recommended by the D.P.I. for inclusion in the approved list for 1949-50 is attached. The present total of the schemes so far approved is Rs. 1,23,035/- and the grand total of the schemes

recommended for approval by the D.P.I. is Rs. 1,63,877/- Rs. 20,842/- ~~and making a grand total of Rs. 1,63,877/-~~
