GOVERNMENT OF MADRAS
Education and Public Health Department.
Memorandum No.27236 B1/47-17, Edn., dated 15th June 1948.

2

SUBJECT:- GRANTS - Buildings - Educational Institutions under local bodies and private managements - 1948-49.

C1

53544

During the last seven years, grants for the construction of buildings for educational institutions under local bodies and private managements were so much restricted that most of the institutions had to get on with the existing accommodation without putting up the additional buildings required and several schemes for the construction of new buildings and extensive alterations and improvements to existing buildings had to be deferred. It is therefore proposed to make, as a special case, in the current year grants not exceeding Rs.10 lakhs for the construction of buildings for educational institutions under local bodies and private managements as shown below:-

	Total allotment. Rs.
Elementary Schools	6 lakhs
Secondary Schools	2.5 lakhs
Colleges	*1.5 lakhs
Total	10 lakhs

* Out of this Rs.75,000 is proposed to be paid to the Veerasaiva College, Bellary.

The schools under local bodies and private managements will be treated alike in the matter of aid for construction of buildings and no distinction will be made between secondary schools opened by local bodies before 1930 and after. The distinction now made between local bodies and private managements in regard to building grants to colleges will however remain as the idea of Government is not to encourage the opening of colleges by local bodies.

Elementary Schools	- One half of the cost not exceedin Rs.4,000 for Lower Elementary School and Rs.7,000 for Higher Elementary School.
Secondary Schools	- One half of the cost not exceedin Rs.35,000.
Colleges	- One half of the cost not exceeding Rs.50,000 for second grade colleges and Rs.75,000 for first grade colleges.

It is proposed to utilise the allotment for secondary schools and colleges for payment of grants for the construction of buildings for secondary schools for boys and Arts Colleges for boys which were hitherto subject to the restrictions imposed in G.O.No.1915, Edn., dated 9--12--1941. The grants will be distributed on a districtwar basis - the districts which have not hitherto been in receipt of building grants will be given preference to districts for which building grants have been given in the past. The Director of Public Instruction is requested to submit proposals immediately for sanctioning building grants in the current year. In selecting the schemes to be aid, only those which are urgent and for which plans and estimates have already been prepared and approved departmentally should be selected as the local bodies and private managements concerne should start the works as soon as the grants are sanctioned s claim a portion of the grant in the current year. The propo for utilisation of the grants may be submitted separately fo Elementary schools, Secondary Schools and colleges. The lis of schemes relating to secondary schools and colleges may be divided into two parts - one relating to new building schemes and the other to extensions and improvements and the schemes may be arranged in the order of urgency. The total estimated cost - the maximum grant admissible according to the limits specified above and the amount of grant likely to be claimed in the current year may be shown against each scheme. The information in regard to the probable amount of grant required in the current year is required as it is proposed to move a supplementary demand for the purpose. Schemes which have already been started after the plans and estimates have been approved departmentally pending the question of inclusion of the scheme in the approved list and the sanctioning of a grant therefor may also be included in the list and the fact may be mentioned in the remarks column. The schemes which have been already recommended by the Director of Public Instruction for inclusion in the quarterly approved list but not approved so far may also be considered. The existing procedure for the disbursement of grant will be followed for these schemes also.

M.V.Subramanian,
Secretary to Government.

To
The Director of Public Instruction.

N.A.

*** Provision has been made in the current years' Budget Estimate for payment of grant in respect of the schemes, Nos1, 2, 5, 7, 8, 9, 10, 13, 15, 16, 18, 21 and 23 and it is expected that these schemes will be completed during the current year and the grant claimed. In respect of certain schemes which have been completed, execution of mortgage deed etc. is pending and if the mortgage is executed, payment will have to be made by making provision in the next year's Budget Estimate.

It may also be mentioned in this connection that though the schemes are completed, considerable time is generally taken before the title of the managements to the property is certified by the Government Solicitor. It is not therefore possible to say definitely, even in cases where the works are completed, whether the grants will actually be drawn before the end of the current financial year.

Government of Madras.
Education and Public Health Department.
Memorandum No.54681 B1/48-1 Education dated 28th July 1948.

***

Sub: Grants-Buildings-Educational Institutions under local bodies and private managements-1949-50.

***

p.p. 1-2. ante

The attention of the Director of Public Instruction is invited to Memorandum No.27236 B1/47-17 Education dated 15th June 1948 in which proposals have been called for sanctioning grants to the extent of xx. Rupees ten lakhs in the current year towards the cost of construction of buildings for educational institutions under local bodies and private managements which were hitherto subject to certain restrictions. It is considered that an equal amount should be provided for in the Budget Estimate for 1949-50 for such schemes and that in respect of schemes which were not subject to those restrictions, proposals for provision of funds should be sent to Government for consideration as Part II schemes as hithertofore.

2. The Director of Public Instruction is therefore requested to submit necessary proposals in this regard for consideration as a Part II scheme for the year 1949-50. The schemes for which grants are to be made, should be selected with reference to the principles laid down in memorandum No.27236 B1/47-17 Education dated 15th June 1948 and proposals for elementary schools, Secondary Schools and colleges should be submitted separately.

p.p. 1-2. ante.

3. The Director is also requested to expedite his reply to the Memorandum cited above.

M.V. Subramanian,
Secretary to Government.

P.T.O.

p.48.cf.

Item No. 6 from the later list (No.2) viz. Hindu religious Higher Elementary School, Wallajabad has however been included in the list now submitted as it is reported that the building could be completed by the end of the current year itself and grant claimed.

p.50 cf.

Local Board Schools: Particulars regarding new schemes likely to be completed before the end of the year are also furnished. The number of schools and the cost are given against the names of the respective Districts.

Yours faithfully,

K Subramaniar

Sir,

Sub:- Elementary Education - building scheme for 1948-49 - provision of Rs.6 lakhs.

Ref:- Government Memo. No.27236-B-1/47-17-Edn., dated 15-6-1948 and p.p.1-2 ante
Government Memo. No.54681-B-1/48-1-Edn., dated 28=7-48. p.13. ante

Also this office letter R.c.No.1692-B-1/48, dated 13-8-1948. copy at p.44 infra

----

I have called for applications from the Local Bodies for building schemes for the year 1948-49. 41 applications have been received so far (25 from the Municipal Councils and 16 from Distri Boards).

p.p.34-40 infra.

2. A list of schemes which are likely to be completed before 31-3-1949 and the grant received before the end of the official year is submitted herewith.

3. Schemes which are too big and cases where the Local Bodi have asked either for full grant or grant and loan have been exclude The grant for the list of schemes will be nearly 3½ lakhs of rupe This is exclusive of Rs.29,450 for six schemes already submitted with this office reference cited above. p.50 cf.

4. On account of the high cost of building materials and the

the high cost of labour charges, the limit of Rs.4000/- and Rs.7000/- towards Government grant for the Lower Elementary and Higher Elementary schools could not be maintained as required in p.p.1-2 cf. Government Memo No.27236-B-1-47-17-Edn., dated 15-6-1948.

More-over, in certain municipal areas and rural schools, there is need for greater accommodation consistent with the number of sections and strength and hence the Local Bodies have provided for larger accommodation with reference to local needs.

5. The plans and estimates will be referred to the Inspecting Officers for remarks and the opinion of the Joint Consulting Architect will be obtained in respect of plans and estimates received, in each case.

6. I, therefore, recommend the schemes for consideration of Government for the year 1948-49 and request the issue of immediate orders according approval for taking further action expdditiously on the matter.

Yours faithfully,

for Director of Public Instruction, Madras.

Sir,

Sub: Elementary Schools - Buildings grant for '48-'49.

Ref: Your telephone message dated 14-9-48 (post copy). p.30(a) ante.

@S@

I submit herewith a copy of this office letter Rc.No. 1692-B1/48 dated 13-8-48 with the enclosures as called for therein. p.44. infra.

LOCAL BOARD SCHOOLS: The names of Schools are specified in all cases and in the case of the District Board, Mangalore, the names of schools for which septic tank latrines have been proposed, are furnished below:

p. [illegible] & 50 infra

1. Panambur. 2. Kasargod. 3. Hosdrug.
4. Udma. 5. Puthur. 6. Palimar.
7. Padubidri 8. Bethlangadu 9. Bailur.

p.27 cf.

ELEMENTARY SCHOOLS (AIDED): The names of schools referred to in the list submitted with my letter C.2620-B2/48 dated 1-9-48 are furnished in the enclosure to my letter Rc. No.1692-B1/48 dated 13-8-48 (list I). pp.25-26 ante. p.46 infra

2. I have explained in this office letter Rc.No.1692-B1/48 dated 17-9-48 the reasons for not limiting the grants to the amounts specified in Government Memo. No. 27236-B1/47-17 Edn., dated 15-6-48 to the Lower Elementary Schools and Higher Elementary Schools. Again, in regard to ~~aida~~ aided elementary schools, the schemes have been approved and included in the approved list with a promise of grant from time to time and it is not possible to continue the grants to the limits now specified. paras 4. at pp.32-3 ante. p.1. ante.

3. The amounts specified against items 17, 21, 24 and 26 mentioned in the list submitted with this office letter Rc.No. 2620-B2/48 dated 1-9-48 represent the amount proposed as grants for the schools during 1948-49. p.27 cf. pp. 25-26 ante.

Yours faithfully,

for Director of Public Instruction.

Aided Elementary Schools - Building schemes.

p.p. 5-11. ante.

A list of all building schemes pending with the Director was submitted to Government. This list includes schemes for which provision has been made in the current year's budget Estimate. As Government now desire that such schemes for which provision has been made in the current year's B.E. may be omitted and have called for ~~such~~ schemes for which payment can be made from the special allotment of Rs. 6 lakhs, the following list is submitted herewith. From the list originally submitted, schemes for which plans and estimates are awaited and schemes which have not been included in the approved list, have not been included in the present list, as these works cannot be expected to be taken up and completed in this financial year. Even in the case of schemes which have been submitted to Government (vide list No.2), it cannot be definitely said that grant in respect of these will be drawn during the current year itself as it may take time for the managements to satisfy the Government solicitor in regard to the title and execute the mortgage.

E.D.C. No.B.1.2591 of 1948, Dated 21-10-48 Through the Mayor of Madras.

Enclosures: No.

Sir,

ASST. SECRETARY TO GOVERNMENT
25 OCT 1948
EDUCATION AND PUBLIC HEALTH DEPT.

Subject.— GRANT - ELEMENTARY SCHOOLS - CORPORATION OF MADRAS-BUILDING SCHEMES FOR 1948-49 - SPECIAL GRANT - REQUESTED,

In his letter C.No.1692-B1/48 dated 12-8-1948, the Director of Public Instruction, Madras, informed this office that a sum of Rs.6 lakhs had been provided to make special grants for the construction of Elementary School Buildings and that such of the building schemes as could be completed before the end of the year and for which the grant/claimed could be before the end of the financial year, might be forwarded to him with the required plans and estimates for consideration and submission to Government. In my letter E.D.C.No.B.1.2370/48 dated 30-8-1948, an application in the prescribed form was sent to the Director of Public Instruction for a half grant of Rs.1,05,050/- for the following works:

		Rs.	
1.	Construction of a school building in the acquired site R.S.No.1049 to 1053 of G.T. ...	57,500	
2.	Construction of a school building in R.S. No.1334 of Triplicane in Mirsahibpet ...	57,000	
✓3.	Construction of an additional building with six class rooms for Corporation Girls' school, Madavaram High Road ...	20,500	10250
✓4.	Construction of an additional building with six class rooms for Corporation Muslim Girls' School, Saidapet. ...	26,000	13000
✓5.	Construction of additional class rooms for Corporation Boys' School, Ellispuram. ...	11,800	5900
✓6.	Construction of additional class rooms of a first floor to Corporation Boys' School, Sanjeeviroyan Koil Street, Korukupet. ...	11,400	5700
✓7.	Construction of two additional class rooms on the first floor of Corporation Boys' School, Madavaram High Road. ...	17,600	8800

p.t.o.

53

- 2 -

		Rs.
	B.F.	2,01,800
✓ 8. Construction of a school buildings in Puliyur.	...	10000. 8,300 (Estimate is since revised from Rs.8,300 to Rs.10,000/-)
Total	...	2,10,100

The Deputy Director of Public Instruction (Elementary Education) has informed that the application for grant for school buildings was submitted to the Government for consideration in connection with the 1949-50 budget as it was felt that schemes involving such a large sum of Rs.2,10,000/- would not be completed before the end of the present financial year. He has also suggested that if it was felt that it would be possible to complete some of them, the Government might be addressed specifying the schemes that are urgent and are likely to be taken up for execution immediately. Though all the items of work specified above are urgent and may be taken up urgently, it may be difficult to assure the completion of items 1 and 2 before 31-3-49. But items 3 to 8 can be definitely completed before 31-3-49. Hence the immediate execution of items 3 to 8 is taken up in anticipation of favourable orders on the application for grant.

26650

In this connection I may add that the estimate for item 8 has since been revised to Rs.10,000/-.

I request that a sum of Rs.48,650 may kindly be sanctioned as grant in 48-49 itself for the execution of the above works by the Corporation.

p.p.44, 32-33 and 42. cf.

5.pc.

p.p.52-53 cf

The D.P.I. is informed that the Govt. have decided that the allotment of Rs.6 lakhs made during 1948-49 for building grants towards the construction of elementary school buildings should be distributed to districts on population basis. It has also been decided that the amount of grant payable in respect of a lower elementary School should be one half of the cost not exceeding Rs.4,000/- and that payable in respect of a higher elementary school should be one half of the cost not exceeding Rs.7,000/-. The Director's attention is invited in this connection to the statement in the Annexure. Figures in column (3) of the statement indicate the amounts of grants admissible to the districts on the basis of their population, while figures in column (6) of the statement show the amounts of grants admissible to the districts for the schemes recommended by the DPI having regard to the limits ~~prescribed~~ referred to above. It will be noticed ~~from the statement~~ that the grants admissible ~~in respect of~~ for certain districts are less than the amounts recommended by the D.P.I. Therefore certain schemes from the Director's lists will have to be deleted in order to confine the grants payable to the amounts specified in column (6) of the statement. The D.P.I. is requested to select schemes from the lists of schemes forwarded with his letters cited, and submit a revised list to Govt. Only schemes which ~~can~~ will be completed in the current year and grants claimed, should ~~only~~ be selected. ~~In selecting the schemes for the payment of grants the approved limits stated above should be strictly adhered to.~~

28

Sir,

Sub: Building grant - Construction of Ele. School - Building for girls - Anakapalli Municipality - Reconsideration - requested.

31662

Ref: R.O.C. No. 1692 B1/48 d/16-10-48 of the Director of Public Instruction, Madras.

----

p. 5. infra

I submit that the Director of Public Instruction, Madras, in his letter C. No. 1692-B1/48 d/12-8-48 (copy enclosed) called for applications for special grants for the construction of Ele. School building for 1948-49. I received this reference on 17-8-48 and placed the subject before the Council at its meeting held on 25-8-48 and the Council resolved in its C.R. No. 1135 to request the Government to sanction a grant of Rs. 18000/- for the construction of the Ele. School building for Girls on the site reserved in the Nidanam Doddi Town Planning Area of this Municipality.

2. I requested the Director of Public Instruction, Madras in this Office R.C. No. 6810/48 d/27-8-48 along with an application and Council's resolution for the required grant, in view of the urgency of the work and in view of the present financial position of the Council. I submit further, that there is no necessity for the acquisition of a site for the proposed construction of the School building as there is a site already at the disposal of the Council for the purpose which is lying vacant for the past several years having been reserved for the purpose; I herewith submit a copy of my letter and the application made to the Director of Public Instruction for favour of reference.

3. In this connection I submit that the Council sent also a deputation to wait on the Government & Hon'ble Minister for Education and Local Administration Department. The Hon'ble Minister for Education has also promised to consider sympathetically the request of the Council for this and several other grants to the extent that will be admissible. I enclose a copy of Memorandum presented to the Hon'ble Minister for Education.

4. Though the Municipal Council took all possible efforts for the early construction of the building, the Director of Public Instruction has issued orders to the effect that the effects ~~for~~ that full grant cannot be considered and directed therein, that the application may be renewed early in July 1949 for half grant for consideration under part II scheme for 1950-51. He has also returned the detailed estimates sent to him for approval without passing orders thereon.

5. I submit that as already represented in the original letter applying for the grant and also in the memorandum to the Hon'ble Minister, the construction of the School building is an urgent necessity about which the Council is very anxious. The Council is spending ~~even~~ over Rs. 80,000 every year towards the payment of Dearness Allowance to its employees without any Government Grant for the same and having regard to this fact and also considering its financial position it felt that it could approach the benign Government with a request for full grant but never anticipated that the entire scheme would be thrown overboard on the simple ground that it had applied for a full grant. While representing the facts to the Hon'ble Minister, the Chairman and Councillors who formed the deputation, it was also requested that

63 61

that having the position of the Council in view, the grant that is admissible or possible—2/3 or half as the ~~xxxxx~~ case may be, might kindly be sanctioned.

6. The plans and estimate for the building have already been prepared and approved by the Council. The estimates sent to the Director of Public Instruction, were returned without any orders. The work is essential for the reasons already stated. In these circumstances, I request Government to consider the request of the Council sympathetically and sanction whatever grant that is admissible for the work, to be given atleast in 1949-50 if not in the present year.

7. I request early orders.

G. Nagaratnam
2.11.48

COMMISSIONER.

@ 2/11/48.

Forwarded,

The Municipal Council took all the pains to have the plans and estimates prepared and to send it to Director of Public Instruction. I can say without any hesitation that the construction of the building is very essential and urgent as the girls are at present are put to great inconvenience in a ill-accommodated rented building without a garden or compound in lowlying locality. The Council's anxiety can be seen from the fact that this is one of the purposes for which I and certain Councillors were asked to ~~wait~~ on Honourable Minister to represent personally. We met the Hon'ble Minister at Madras and we were grateful for the sympathetic way in which he consented ② that a full grant would not be admissible for any such work but assured us that the question of giving any admissible grant will be considered. When the circumstances stand as such, I cannot understand why the Director of Public Instruction should have issued the orders under reference without forwarding the application to Government for sympathetic consideration. The way in which such orders damp the Council's enthusiasm and discourage its activities is ~~undesirable~~ indescribable. I was all the while expecting favourable orders from Government as the Hon'ble Minister in response to our request kindly agreed to come and lay the foundation stone also for the building after the grants are given by Government.

to consider our request. The Hon'ble minister told us

Having regard to the circumstances of the case I earnestly request the benign Government to consider the Council's application favourably and sanction whatever grant is admissible, so that, it may be able to commence and complete the work expeditiously without postponing it to another future date.

I request early orders.

Dadi Bhogalingam

[illegible] Municipality,

[illegible]

To
The Chairman,
[illegible]

No. C. [illegible] /48 [illegible] /27-9-48.

Sir,

Sub:- Elementary schools - [illegible] Municipal [illegible] Girls Ele. [illegible]
Anakapalli Municipality - Building Grant - 1948 - [illegible]
Sanction - Requested.

Ref:- Letter C.No.1692 - B1/48 D/12-8-48. of the Director of Public Instruction, Madras.

I submit that I received the above reference on 17-8-48 and I placed the subject before the council for its consideration. The council in its resolution No. 1135 [illegible] sanctioned rough estimated amount of Rs. [illegible] for the construction of an Ele. school building in the [illegible] required [illegible] no. 87 of [illegible] Boddi [illegible] to the [illegible] Girls Ele. School and also resolved therein to request the Government to sanction the grant of Rs. 18,000/- for the work in view [illegible] in view of the present financial position of the Council.

2) I submit that this school was opened [illegible] single teacher in 1936. It is now being maintained with extend V. [illegible] with [illegible] istress, Head Mistress being a Secondary grade trained. The strength of the school at present is about 200. It is located in a rented building on Rs. 50/- per month. The entire expenditure [illegible] School is being met from the Municipal funds. The Government have not been pleased to grant either teaching Grant or [illegible] subsidy to this school [illegible].

3) I further submit, that the proposed building will be constructed on the reserved plot of [illegible] Town planning area. Therefore [illegible] acquisition of site also not necessary. The site is [illegible] for the proposed school building [illegible] serves the need for the children of 10th, 11th, 12th, 13th, and [illegible] wards of the Municipal town. It is the only sub-elementary school, for girls, the other school being a Higher Elementary School.

4) In this connection, I also submit that the Government in their memorandum No. 32351 -1-c.1.A. [illegible]/17-8-1948 instructed that it would be sufficient to have rough estimates for the works of the local bodies at the time of their application to Government for grants. However, in view of urgency and necessity I got the plans and estimates prepared and they are being sent for [illegible] technical sanction, as the work has to be taken up during the current year and completed before the end of the year 1948-49.

5) I, therefore, request full grant of Rs. 18, [illegible]/- for the proposed construction of the school building may be recommended to Government and arranged to be disbursed as early as possible in the year 1948 - 49. I herein enclosed an application for Grant and also C.R.No. 1135 [illegible] of the Council for kind consideration.

Respected Sir,

2. CONSTRUCTION OF BUILDING FOR GIRLS' SCHOOL:

This School was opened with a single teacher in 1926. The same school is being run with (V) Standards with five teachers. The strength of the school at present is about 200. It is located in a rented building at a monthly rent of Rs. 50/- per month. The entire expenditure on this school is being met from the Municipal Funds. The Government never paid either teaching grant or any grant to the school so far. There is a reserved plot No. 87 in Nidanamdoddi Town Planning Area. This site is adjoining the Kaspa Street and is suitable also for children of 10,11,12,13 and 14th wards of the town. The school is situated in a locality where there are several girls as well as boys requiring education. The Council has therefore approached the Government for building grant for 1948-49 on the reference received from the Director of Public Instruction. It is requested that the grant may be sanctioned even now in order to take up the work immediately in 1948-49. The site is already in the possession of the Council. Detailed plans and estimates are ready and will be sent shortly to the competent authority for sanction after approval by the Council.

85776

SIR,

GRANTS AND SUBSIDIES--Buildings--Elementary Schools under private managements--and Local Bodies--Payment during 1948-49.

p.p. 54-55 ante

Reference:-Government Education and Public Health Department Memorandum No.53544-C1/48-6 dated 8th November, 1948.

With reference to the Government Memorandum cited above, I have the honour to submit herewith a revised statement containing particulars in respect of building schemes to be approved for payment out of the special provision of 6 lakhs and to offer the following remarks.

In the case of the following Districts the amount allotted by Government for each district is the same as recommended by me to Government:

1. Vizagapatam	..	Rs. 6,500/- ✓
2. East Godavari	..	6,950/- ✓
3. West Bellary	..	6,172/- ✓
4. Chittoor.	..	720/- ✓
5. South Arcot.	..	1,050/- ✓
6. Tinnevelly	..	10,450/- ✓

The building schemes already submitted to Government for the above districts may therefore stand.

In the case of the following districts some schemes will have to be deleted so as to confine the grants to the allotment mentioned in column (6) of the statement in the annexure to the Memorandum referred to above.

WEST GODAVARI DISTRICT:- To meet the expenditure within the sanctioned allotment of Rs. 17,000/- only 3 schemes, out of the schemes recommended by me, may be approved. The grants payavle in respect of these three schemes would be as follows:-

Nature of the Scheme.		Estimated cost.	Grant admissible.
1. Elementary School, Palacole Municipality.		Rs. 9,800/-	Rs. 4,900/- ✓
2. Do.	Do.	Rs. 9,800/-	Rs. 4,900/- ✓
3. Do.	Do.	Rs. 9,800/-	Rs. 4,900/- ✓
	Total grant admissible ..		Rs. 14,700/- ✓

KISTNA DISTRICT:- Only one scheme of the Bezwada Municipal Council - i.e. construction of building for the Muhammadan Boys' School, Arundalpet at a cost of Rs. 36,000/- may be approved so that the grant may not exceed the allotment for the district. The grant payable in respect of this scheme is therefore Rs. 18,000/-. The other schemes may be deleted.

7000

7.000

29000.

GUNTUR DISTRICT:- To meet the expenditure within the sanctioned allotment only 4 schemes noted below may be approved:

The total amount of grant payable in respect of this district would therefore be as follows:--

Nature of the scheme,	Cost of the scheme, Rs.	Grant admissible. Rs.
GUNTUR MUNICIPAL COUNCIL:-		
1. Construction of Old Guntur School Building. ..	7,650/-	3,825/- ✓
2. Agraharam School Building ..	7,650/-	3,825/- ✓
DISTRICT BOARD, GUNTUR:		
1. Construction of an Elementary School building, Kavur. ..	19,000/-	7000 9,500/- ✓
2. Construction of a compound wall Board Mixed School at Moparru..	9,000/-	4,500/- ✓
TOTAL AMOUNT OF GRANT ADMISSIBLE		Rs. 21,650/- 19150 ✓

MADRAS:- The sanctioned allotment is Rs. 10,000/-.

The Corporation of Madras submitted proposals for the construction of 8 Elementary school buildings at a cost of Rs. 2,10,100/-. As it was thought that the Corporation might not be able to complete the construction and claim the grant before 31.3.1949, all these schemes were not recommended to Government for payment in the current year. They have been recommended under "Part II for 1949-50".

It is submitted, in this connection, that item No. 5 viz. construction of additional building with 6 class rooms for the Corporation Girls' School, Madhavaram High Road - costing Rs. 20,500/- may be approved.

The grant payable in respect of this scheme would be Rs. 10,250/- which is a little above the sanctioned allotment of Rs. 10,000/-.

CHINGLEPUT DISTRICT:- Scheme No. (2) viz. Construction of building for the P.A.M. School and Orphanage, Pallavaram at an estimated cost of Rs. 9,350/- may be deleted. The other scheme - for the construction of building for the Hindu Religious School, Walajahbad may be approved. The grant payable in respect of this scheme would be

Rs. 12,500/- though the amount payable for this scheme is slightly in excess of the allotment sanctioned, the scheme may be approved.

NORTH ARCOT DISTRICT:- OUT OF the schemes recommended by me the scheme relating to the construction of St.Joseph's Higher Elementary School, Arni may be deleted. It is submitted in this connection that, this is one of the schemes which is completed and is ready for payment. On the presumption that the grant for this scheme will be paid in this year, no provision has been made in the Budget Estimate for 1949-50. In the event of this scheme being deleted from this list, necessary provision will have to be made in the next years Budget Estimate. Hence only the scheme relating to the construction of building for a Local Body school - viz. Pentland Town Higher Elementary School, Vaniyambadi Municipality may stand. The grant payable for the scheme ~~should~~ would be Rs. 6,300/-.

TANJORE DISTRICT:- In this district, the scheme relating to the construction of a building for the Edward Higher Elementary School, Mudikondan has been included by Government in this list. This scheme, as reported already, could not definitely be expected to be completed before the end of the current year and grant claimed before 31.3.1949 and hence this scheme may be deleted. In respect of Local Body schools only the following schemes may be approved:-

Nature of the Scheme.	Cost of the scheme. Rs.	Grant admissible. Rs.
DISTRICT BOARD, TANJORE:-		
1. Elementary School, Mariamman Koil ..	6,700	3,350 ✓
2. Elementary School, Panayakottai.	6,050	3,025 ✓
3. Elementary School, Nambivayil	3,300	1,650 ✓
4. Elementary School, Sembanarkoil	8,000	4,000 ✓
5. Elementary School, Serangulam.	4,400	2,200 ✓
6. Elementary School, Keeramangalam.	5,900	2,950 ✓
7. Additional accommodation-Elementary school, Sathanur.	975	488 ✓
MUNICIPAL COUNCIL, TANJORE:-		
1. Construction of building for the Elementary School.	26,000	~~13,100~~ 7000 ✓
		Rs. ~~30,763/-~~. 21,763

ANT ADMISSIBLE

TIRUCHIRAPALLI DISTRICT:- Since the allotment is only Rs. 7,000/- for the district - the scheme for the construction of a Board Elementary School at Sunlaiyur at a cost of Rs. 41,250/- which was recommended by me - may be deleted from the list.

SALEM DISTRICT:- For this district also since the allotment is only Rs. 7,000/- the scheme for the construction of a III Ward Boys' School Building at a cost of Rs. 17,000/- submitted to Government may be deleted.

COIMBATORE DISTRICT:- In the schemes with regard to aided schools it is submitted that Government have included the scheme for the construction of building for the National Elementary School, Coimbatore. This scheme may be deleted as it could not definitely be expected to be completed and grant claimed before 31.3.1949. The other scheme viz. construction of temporary shed for the National Elementary School, Coimbatore, which is a small scheme for which the grant payable is only Rs. 863/- may be approved. With regard to Local Body Schools, the following schemes are recommended:-

	Estimated cost.	Grant admissible.
MUNICIPAL COUNCIL, POLLACHI:-		
1. Extension of Boys' School, Balagopalapuram. ..	Rs. 2,265/-	Rs. 1,133/- ✓
2. Extension of Girls' School, Balagopalapuram. ..	3,830/-	1,915/- ✓
MUNICIPAL COUNCIL, TIRUPPUR:-		
3. Construction of 2 school buildings - Town Boys' School, Muthugoundamputhur.	4,900/-	2,450/- ✓
4. Extension to 3 schools	52,000/-	~~26,000/-~~ 21000. ✓
DISTRICT BOARD, COIMBATORE:		
Extension of Board Elementary School, Manupatti. ..	4,670/-	2,335/- ✓
5. Aided school building		863
		Rs. ~~33,833/-~~ 29696 ✓

Hence the total amount of grant payable for his district would be Rs. 33,833/- for Local Body Elementary schools and Rs. 863/- for aided Elementary School - i.e. Rs. 34,696/-. These schemes, though the grant payable in respect of which is in excess of the allotment by Rs.696/- may be approved.

34696.
5000
29696

THE NILGIRIS DISTRICT:- To meet the expenditure within the allotment sanctioned it is recommended that the scheme relating to the construction of a Higher Elementary school building - Ootacamund Municipal Council - at a cost of Rs. 7,700/- may be approved. The grant payable in respect of this district would be Rs. 3,850/-. This amount, which is in excess by Rs. 850/- may be approved.

MALABAR DISTRICT:- Out of the 2 schemes recommended, No. 1 viz. Construction of building for the L.F. Girls' School, Cheruvanur at a cost of Rs. 4972/- may be deleted and No. 2 - construction of building for the Rajah's Higher Elementary School, Kollengode at a cost of Rs. 19,500/- may be retained, in the list. The grant payable in respect of this scheme is Rs. 9,750/-. In respect of scheme No. 1 no provision has been made in the Budget Estimate for 1949-50 on the presumption that it would be paid in this year. In the event of the deletion of this scheme, the necessary provision may be made in the Budget Estimate for 1949-50. It may, also be mentioned, that this scheme has already been completed and payment of grant is pending execution of Mortgage deed.

SOUTH KANARA DISTRICT:- As regards aided schools both schemes viz. 1. St.Paul's Girls' School, ~~Tkx~~ Trikarpur - grant Rs. 1680/- and 2. St.Ann's school, Pallikara - grant Rs. 5,620/- -- submitted by me may stand.

As regards Local Body Schools, it is submitted that out of the schemes recommended only the following schemes may be approved:

	Cost.	Grant.
DISTRICT BOARD, MANGALORE:		
1. Construction of a septic tank and Latrine for elementary schools ..	Rs. 13,500/-	Rs. 6,750/-
2. Additional block for the Board Girls' School, Padubidri. ..	10,000/-	5,000/-

6700

1680
5620.
6750
5000
19050

The total amount of grant payable for this district would therefore be Rs. 7,300/- plus Rs. 11,750/- = Rs. 19,050/- which is in excess by Rs. 50/- which is negligible.

A statement containing consolidated particulars as stated in para one is enclosed.

YOURS FAITHFULLY,

Through the Headmaster B.H. School Amalapuram.

Sir,

The Fort St. George Gazette of 23rd September announces certain draft rules relating to the appointment of Head-Masters and Head-mistresses of High Schools under local bodies and Municipalities.

As the Government gave notice that any objection or suggestion received with respect thereto before the expiry of six weeks from the date of application would be considered by it, the following objections and suggestions are submitted for your kind consideration.

According to the G.O. wide powers are given to the Divisional Inspector of Schools in the selection of candidates for the panel. It may sometimes do more harm than good to the senior assistants. Even a temporary B.Ed. Assistant can hope for a place in the panel as preferment may sometimes go by letter more than by merit. Hence it is submitted that it may not be disirable that wide powers should be vested in one man.

According to the G.O. even an outsider can be selected as "Head-Master" in the name of efficiency and merit if the ~~ot~~ authorities so choose. This is another gross injustice to the L.T. or B.Ed. Assistants who have put in a long period of unblemished and efficient service with the pious hope of sometime becoming a Head-master. The provision for bringing in out-siders on the plea of merit would therefore result in the frustration of all legitimate hopes and in heart-burning. The draft rules nip in the bud all such hopes and legitimate aspirations of senior assistants by giving too wide a choice to the authorities in the selection of candidates for the panel.

If the panel system cannot be overthrown for any reason, the following suggestions are submitted for your sympathetic and favourable consideration:--

The of Public Instruction,
Madras.

The Secretary to Government,
Education & Public Health Department,
Madras.

P.T.

REF: Government Memorandum No.1670 C1/49-1 Education dated 1-2-1949.

With reference to the above Government Memorandum I e to state that the Commissioner, Municipal Council, Cuddalore submitted plans and estimates for Rs.4,996/-for the construc- of buildings for the boys schools. He has reported that as work is urgent he has called for urgent tenders and that he s requested the lowest tenderer to start the work. He has reques- ed Government to sanction half grant for the above based on the revised estimate. A copy of the Commissioner's letter is also enclosed for your information. In the circumstances I request to be informed if I may accord my approval for the same.

Yours faithfully,

5.2.49

for Director of Public Instruction.

am.5/2.

Copy of Roc.No.C.2.13461/48 dated 25-1-1949 from the Commissioner, Municipal Council, Cuddalore to the Director of Public Instruction, Madras.

In G.O.No.MS.3156 Education dated 10-12-1948 the Government were pleased to sanction a half grant of Rs.1050Rs-based on the estimate prepared in 1945 for Rs.2400/- and sanctioned in Municipal Council's Resolution No.299 dated 11-9-1945 for the construction of -- Pallikuppam Boys' School. Since the work has to be taken up urgently as per the orders of the Government, the estimate was revised as per the orders of the Government, the estimate was revised as per the - current schedule of rates which amounts to Rs.4996/-and it was sanctioned in Municipal Councils resolution No.27 dated 17-1-49. The work was let on contract to one Sri Sundaramurthi whose tender is the lowest on 17-1-49. As the work has to be completed before March 1949 as indicated in the Government order, the contractor has been directed to pus through the work vigorously in anticipation of your approval. With reference to G.O.No.2626 Education dated 20-12-1948, I submit herewith a copy of the revised estimate for Rs.4996/-together with plans and data sheet for favour of your approval. I also request that you will be good enough to move the Government to sanction the half grant based on the revised estimate of Rs.4996/-. The existing thatched shed is in a dilapitated condition. The new work has to be urgently taken up and completed for locating the class rooms.

In G.O. No. 3156 Edn., dated 10-12-48, a subsidy not exceeding Rs.1050 was sanctioned to the Municipal Council Cuddalore, towards the construction of a shed for the Municipal Boys' school at Pallikuppam ~~ax~~ in 1948-49. It has since been reported that as per the revised estimates the cost of construction of a building for the school referred to above comes to Rs.4996. The Govt. therefore sanction the payment of a subsidy not exceeding one-half of the actual cost of construction of the school building subject to a maximum of Rs.2498 to the Municipal Council, Cuddalore, instead of the subsidy sanctioned to the Council in the G.O. referred to above. The work should be completed and subsidy ~~calimed~~ claimed before 1-3-49.

2. The expenditure will be debited to the head '37.Edn.2.Primary - grants to local bodies for primary Education - A.Local bodies - 1. Ordinary areas - (i) Excluding post-war Reconstruction - Buildings and Equipment - Voted".

Roc.No.1692 B1/48 dated 7-2-1949.

Sir,

Elementary Education - Buildings - Municipal Council, Tiruppur - Construction of Elementary School buildings in 1948-49.

Vide portion 'N' at p.3. of © in top file

10020

In their order No.Ms.3156 Edn., dated 10-12-1948 Government have sanctioned a sum of Rs.21,000/- as building grant for the extension of three elementary schools in the Tiruppur Municipality. It is reported by the Municipal Council that the building grant applied for is in respect of 4 Elementary Schools (3 extension to the existing buildings and the other a new one proposed for opening a school in Muthugoundanputhur) and that all these schools are Lower Elementary Schools. The Municipal Commissioner reports that in view of the prohibitive cost amounting to Rs.52,000/- for the construction of the buildings the original sanction accorded in the G.O.mentioned above may stand.

Not put up

In their Memo No.82835 C1/48-2 Edn., dated 11-12-1948 Government have fixed the limits at Rs.4,000/- for Lower Elementary Schools and Rs.7000/- for Higher Elementary Schools. The request of the Municipal Commissioner, Tiruppur is not permissible as per the above Government Memo.I therefore recommend that a sum of Rs.16,000/- at the rate of Rs.4000/- for each Lower Elementary School may be sanctioned instead of Rs.21,000/-.

A copy of the Municipal Commissioner's letter No.B2-382/1949 (below) dated 4-2-1949 is enclosed.

Yours faithfully,

H.M. Education.

To
B2 in continuation of Memo
No.27236 B1/47-17 Edn.
dated 15-6-48.

/True extract/

E & P.H (c1) Dept
~~B2 Section~~.

Please see the minute of H.M.(Edn) above. Out of the provision of Rs.10 lakhs made for grants towards the construction of buildings for educational institutions during 1948-49, an allotment of Rs.6 lakhs is for elementary schools. In Memo No.27236-B1/47-17 Edn. dated 15-6-48 the D.P.I. was asked to submit proposals for sanctioning building grants in the current year for the entire amount. The Director's reply has not been received yet. p.p.1-2 c.f

p.3 c.f The list on pages 5-9 c.f. furnished by the Director with his D.O. d. 7-7-48 relates to schemes for buildings for elementary schools under private managements included by the Director in the approved list maintained by him. It is stated that provision has already been made in the current year's budget for payment of grants in respect of schemes Nos. 1, 2, 5, 7, 8, 9, 10, 13, 15, 16, 18, 21 and 23. p9 c.f The payment of grants in respect of these items need not be made out of the provision of Rs 6 lakhs referred to above. Of the other schemes in the list, only items Nos. 3, ~~8~~(a), 14, 17, 27, 28 and 37 are likely to mature in the course of the year. The total grant payable will be Rs. 91,680.* On pages 10-11 c.f. the Director has given a list of ele. school buildings for local bodies. It will be seen from the list that only items Nos. 1,2, 3, 4, 9, 11, 12 and 13 are likely to mature for payment of grant during the current

*Rs. 24,250
1,680
12,199
6,500

year. The total grant payable towards these schemes will be only Rs. 31,898/-.

× 11,600
10,850
520
1500
3260
2652
981
1135
31,898

It may be noted in this connection that grants are not disbursed in the same year in which the works are completed in all cases in respect of aided elementary school buildings, as much time is taken even after the completion of works for the formalities such as execution of mortgage deed, etc., to be completed. In the case of local bodies there is no execution of mortgage deeds; the grants can be given after the completion certificate is received from the local body concerned. Further, the managements have to find half the cost of buildings and the majority of the managements may not have sufficient funds for the purpose.

The Director has not drawn up a list as required by H.M. in his minute on page 1 ante. Perhaps the file may be sent u.o. to the D.P.I. for drawing up a list as required by H.M.(Edn) and to suggest ways to utilize the provision of Rs 6 lakhs fully before the end of the year.

Sub- Grants- Building Grants for Edl. schools during 48-49.

Extract from the minutes of the Honourable Minister for Education, in the file relating to the selection of building schemes for secondary school for boys for inclusion in the approved list

To enable me to make the selections, a few more particulars are necessary. We have agreed that the distribution of these funds must be spread equally throughout the province, district-war and on the basis of population though a little preference may be shown to backward tracts. A list may be prepared allotting funds according population basis so that I may choose those schools having that as my guidance.

2. Secondly, these ten lakhs are only for the type of schools for which grants were banned in the last few years. For such schools as girls schools, training schools etc. where the ban does not apply, a separate file may be opened and the schemes to be submitted for approval under that category may be submitted separately.

3. x x x

4. The information asked for above and the further list of schools asking for grant may be put up for a second selection later on.

T.S.A.
[illegible]

E. & P. H. (Cl)

Please see the minutes of H.M.(Edn.) above. From para 2 of the minutes it will be seen that the present provision of Rs.10 lakhs made for grants towards the construction of buildings for educational institutions during 48-49 is meant only for the type of ~~schemes~~ institutions for which grants were banned in the last few years. In the main file regarding building grants H.M. minuted that "for other institutions for which there is no ban, the present position of providing in the Part II schemes may apply". It may be mentioned here that there has been no ban ~~as far as~~ in respect of buildings for elementary schools ~~are concerned~~. (Vide G.O.No.1915, Edn., dated 9-12-~~48~~ 41). Therefore, it appears that the present Rs.10 lakhs scheme does not apply to elementary school buildings and that proposals for building grants to these schools will have to be treated as Part II schemes as before.

(file sent for issue)

But as per orders in circulation an allotment of Rs.6 lakhs out of the total provision of Rs.10 lakhs has been made for building grants towards elementary schools. It is therefore for orders whether proposals for building grants for elementary schools should be treated as Part II schemes as and when need as usual, in which case the present Rs.10 lakhs scheme does not apply to these schools, or whether the allotment of Rs.6 lakhs made for ele. schools under the present scheme may be utilised towards grant of building grants.

It [illegible] be taken [illegible] The [illegible] 6 lakhs [illegible] distributed [illegible] [illegible] [illegible] balance [illegible] disposed of [illegible] [illegible] above.

If it is decided to apply the present scheme for ele. schools also, the allotment of Rs.6 lakhs should be distributed as laid down in para 1 of H.M.'s minutes above. The particulars required as at 'X' at p.3. ante are not available in office. The list furnished by the D.P.I. at pp.5-11 c.f. was also not drawn up as required by the H.M. The Director was therefore asked in this department u.o. note, dated 4-8-48 to draw up a separate list as required by the H.M. ~~He may be reminded~~ on 20-8-48.

P.3. ante

(D.P.I.'s answer Report does not contain these particulars)

~~For orders~~.

H.M. (Edn) wanted a statement with the districts arranged according to population showing the following particulars:-

(1) No. of elementary schools under local bodies

(2) No. of elementary under aided management - ~~to~~

(3) No. of schools for which grants are to be given

(4) The amount of grant proposed - total for each dt.

} Boys' schools & Girls' schools separately

AL
10.8.48

The particulars above are not available in the sectn. For orders whether the Director may be asked to ~~[illegible]~~ ~~prepare~~ have such a statement prepared. If so, copy of the notes from pages 3-4 also may be sent to him i.e. in continuation of the u.o. note No. 53544C1-1 dated 4.8.48. The Director may be asked to treat the matter as specially urgent.

Please see the u.o. notes at pp.1-4 ante and the replies from the D.P.I. at pp.25-50 c.f. He has furnished revised proposals in regard to payment of building grants during 1948-49, out of the special allotment of Rs.6 lakhs towards the construction of elementary school buildings by local bodies and private managements. The lists at pp.34-40 and p.50 c.f. relate to schemes for buildings for elementary schools under local bodies which are likely to be completed during the current year and grants claimed. The list at p.46 c.f. relates to schemes for buildings for elementary schools under private managements which are likely to be completed during the current year and grants drawn. The list at p.48 c.f. ~~is about~~ relates to building schemes for elementary schools under private managements which are not likely to be completed during the current year, but for which a portion of the grant will be claimed in the current year. The Director has also furnished a district-war statement containing particulars ~~of~~ regarding population, the total number of schools, and the grants proposed (Vide statement at p.27 c.f.) The statement has been brought upto-~~day~~ date with reference to the revised lists at pp.34-40 and 46-50 received subsequently from the Director.

'E' — vide pp.34-40 and 50 cf.

The total grant payable in the current year in respect of ~~dxhxm~~ schemes under local bodies which are likely to mature in the current year amounts to Rs.3,82,868.

'F' — p.46 cf.

The total grant payable in respect of schemes under private managements which are likely to ~~kxxxx~~ be completed in the current year comes to Rs.89,316.

'D' — p.48 cf.

The total grant payable in respect of schemes under private managements which are not likely to be completed during the current year but for which portions of grants will be drawn during the current year comes to Rs.42,070.

P.T.O.

6

- 2 -

As the schemes referred to at 'D' above have already been included in the approved list by the D.P.I. and as portions of grant will be claimed in the current year itself, the schemes may be included with the schemes referred to at 'E' and 'F' above for payment of grant from the special allotment of Rs.6 lakhs ~~xxxxxxx~~ reserved for the purpose. The total grant payable in respect of all the schemes referred to above comes to Rs.5,14,254/-. (Rs.5.15 lakhs roundly).

The proposals submitted by the D.P.I. involving the payment of a total grant of Rs.5,14,2540- may be approved. ~~[illegible]~~

The file may be circulated to H.M.(Edn.) for orders.

AS
4.10.48.

4.X.48

It may be noted here that in regard to subsidies for buildings for elementary schools under local bodies the procedure is for the Govt. first to promise the payment of subsidies and after the work is completed and a completion certificate is submitted by the local body concerned to sanction actual disbursement of subsidies. As regards elementary schools under aided managements the practice is for the D.P.I. to approve the plans and estimates and include the schemes in the list of approved works maintained by him. The Director then sends to Govt. the list of schemes approved for provision of funds in the Budget estimate. After provision is made the Director is informed of it. And then he sends proposals to Govt. for actual disbursement of grants after the work is completed and the buildings are mortgaged to Govt., in cases where the grant exceeds Rs.500 and in cases where the grant is less than Rs.500 the Director himself may sanction the disbursement of grants. The Director has requested that

he may be empowered to exempt ~~the~~ managements from the execution of mortgage deeds as this generally takes a long time and consequently it may not be possible to disburse grants before the close of the budget year. Under the rules the Director may exempt the managements from the execution of the mortgage deeds in cases where the grant does not exceed Rs.10,000. The Director has also requested that he may be generally empowered to sanction grants beyond the limit already fixed in the rules as and when the schemes are completed. This point has been ~~considered~~ noted on separately and the file sent to Finance for remarks.

The Govt. may now promise the payment of subsidies and grants as the case may be in respect of schemes submitted by the Director and he may be asked to see that they are completed before the 31st March 1949 and ~~the~~ subsidies and grants claimed in time.

Finance(Exp-A)

The file relates to the proposals submitted by the D.P.I. in regard to the payment of building grants during 1948-9 towards the construction of elementary school buildings by local bodies and private managements.

p 1 CF

Out of the ~~provision~~ special allotment of Rs 10 lakhs ~~made~~ (approved by the Cabinet for grants towards construction of buildings for educational institutions in 1948-9, a sum of Rs.6 lakhs is for elementary ~~education~~ schools. The D.P.I. has submitted proposals for payment of grants in the current year to the managements of local body schools and private schools from this allotment, against which a supplementary grant has to be obtained from the legislature [illegible]. The note of E & P.H. on pp.5-7 above may be perused. The total amount payable in the current year in respect of all these schemes in question is estimated at about Rs 5.15 lakhs. E &P.H. propose to approve the D.P.I's proposal and suggest that the Govt. may promise payment of subsidies and grants in respect of these schemes. Finance may agree to the proposal subject to specific orders of the Govt.* being taken to exceed the limits referred to at K on page 6 above.

H.M.(Edn.) gave this file to me for putting up a statement showing how the 6 lakhs grant can be distributed to each district in proportion to its population. A statement as required by the H.M. is put up at flag (V). The statement also shows the total amount of building grant now recommended by the D.P.I. As already stated, in certain cases the grant recommended exceeds the limits laid down in the memo at p,1 c.f. If the grants payable in ~~each~~ every case is restricted to the approved limits, the total subsidy or grant payable for each district is also shown in this statement. It will be seen from the statement that in the case of West Godavari, Krishna, Guntur, ,Tanjore, Coimbatore, the Nilgiris and South Kanara the total subsidy recommended exceeds that admissible to each district with reference to its population. If the grants are limited to that admissible according to the population in the current year the total subsidies that can be ~~disbursed~~ sanctioned now comes to Rs.2,~~1~~28,089.

On a further examination of the list it is found that the Director has included in his statement the items noted below:-

(P.T.O.

9

Extracts of (a) and (b) given to section for separate action
2/11/48

Grant to

(a) Savitri Vidyasala, Hindu Girls' Ele. School, Trichirapalli towards acquisition and improvement of playgrounds Rs.8,301

(b) Grant to Avvai Home and Orphanage, Adyar 35,000

(a) above:- There is separate provision of Rs. 1 lakh in the B.E. for the acquisition of playgrounds. This item may be met from the allotment.

(b) above:- Expenditure on this item may be met from the allotment for ~~on~~ Secondary schools. // These two items have not been taken into account in the statement at (V).

The file may be circulated to H.M.(Edn.) for orders.

SECRETARY, EDN. AND P.H. DEPT.
27 OCT 1948
GOVERNMENT OF MADRAS

Circulation to H.M. (Edn) is not likely necessary as the limits are not to be exceeded

(part II scheme list - connected file now in Fin)

From a further list submitted by the D.P.I. it was found that the figure Rs. 3950 stated as the estimated cost of the construction of the P.A.M. School and Orphanage, Pallavaram, is a mistake for Rs 9350. Therefore the grant admissible is Rs 4675 and not Rs 1975. Vide p. 48 c.f. The figures for Chingleput Dt. in the Statement at (V) have ~~to~~ been suitably altered. The total grants and subsidies that can be sanctioned during 1948-49 ~~comes to~~ amount to Rs 2,30,789.

Vide also Statement at p.3 of the draft below.

It will be seen from the statement at (V) that the grant admissible in respect of certain districts is less than the grant proposed by the D.P.I. The amount of grant payable should therefore be confined to the amount admissible. In this view

Vide column (6) of p.3 of the draft below.

(P.T.O.

As it will not be ~~a~~ diffficulty ~~to~~ the Municipal~~ity~~ council to bear an addl. cost of Rs.1500 ~~when~~ if it can bear an expre. of Rs.7000 from ~~his~~ its funds, this scheme may be included in the present list and a grant of Rs.7000 promised. ✓

The total grant admissible in the case of Coimbtore Dt. is 34000, whereas the total grant payable in respect of schemes recommended by the D.P.I. is Rs.34696. Another discrepancy is noted in respect of the scheme relating to extension of three ele. schools under the Tiruppur Ml. Cl. A half grant of Rs.26,000 has been ~~recd~~ recommended. The grant may be reduced to Rs.21,000 which is the admissible limit. The total grant ~~pxxmxxxxibx~~ payable for the Coimbatore Dt. will then be Rs.29,696.

p.56 cf.

Vide p.p.78-79 cf and p.85 cf.

p.78 cf.

Vide p.85 cf.

The grant admissible in respect of the Nilgiris Dt. is 3000 while the grant recommended for the Ml. ele.school bldg. Ootacamund, exceeds the amount of grant admissible by Rs.850. The grant may be cut down to Rs.3000.

P79 cf.

Rs.9750 proposed as an item of half grant for the construction of Rajah Higher Ele. school, Kollengode, (Malabar) may be reduced to Rs.7000. The bldg. scheme relating to the school at ~~Tixxxxxlxrxx~~ Cheruvannur, included by the D.P.I. in his first list, involving the payment of a grant of Rs.4972, be retained . The total grant payable for the Malabar Dt. will be Rs.11972.

p.85 cf.

p.46 cf.

Vide p56 cf.

The grant recommended for the S.Kanara Dt. is Rs.19,050 which exceeds the amount admissible by Rs.50. To bring down the figure to the admissible limit the grant propsoed in respect of item 1 at p.80 c.f. may be reduced by Rs.50/- that is i.e. Rs.6700 may be given instead of Rs.6750.

Vide p.85 cf.

The Anakapalle Ml. cl. has agreed to complete the ~~xxxxx~~ proposed construction of the ele. school building for girls in the current year if a subsidy of Rs.7000 is given. The total estimated cost of the work

Vide pp. 72-73 cf.

P.t.o.

---

is Rs.18,000/-. This item may also be included in the list of schemes for grants during 1948-49.

p.77 cf

The D.P.I. has recommended a grant of Rs.13,000/- towards the construction of Municipal elementary school building, Tanjore. This may be reduced to Rs.7,000.

Subject to the alterations suggested above the list of schemes submitted by the Director at pp.82-85 c.f.x may be approved. The Schemes have been consolidated in the Statement at (E) which will show in one view the cost of the Schemes, the grants proposed, and the district-wise distribution of grants. ~~The statement at flag (E) will show in one view the schemes for approval for the current year with all relevant details.~~ It will be seen from columns (5) and (6) of the statement that in proposing the payment of grant, the limits prescribed have been adhered to. The total grant payable in the current year comes to ~~Rs.2,14,098.~~ Rs 2,13,998.

x attached to the draft

A

Vide p.3 of statement at (E)

The amount of expenditure which the local bodies will have to bear from their general funds is the same as the amount of subsidy proposed for them except in the case of District Boards of Krishna, Guntur, South Kanara, Corporation of Madras and the Municipal Councils, Anakapalli, Vijayawada, Salem, Tiruppur, Ootacamund, and Tanjore. The expenditure which these local bodies will have to bear from their general funds is noted in the statement at (G).

The file may be sent to L.A. for remarks as to whether the local bodies will be able to meet their share of the expenditure from their General funds.

Please see H.Pr's minute on page 18 ante. Extract of the minute will be taken and a note will be subd. separately. The draft order may issue.

10/12/48 S

p.p. 86-87 cf.

(Issued as G.O. No. 3156 Edn. dated 10-12-1948)

With reference to the Minute of H.Pr. at page 18 ante it is submitted that the schemes approved in G.O.No. 3156 Edn. dated 10-12-48 are those that are likely to be completed in the current year and grants claimed. Schemes which are not ~~completed~~ likely to be completed in the current year have not been included in the current years' list, as they ~~will~~ can be considered during 1949-50 for payment of grant out of the allotment of Rs. 6 lakhs proposed to be made in the next year's Budget. Further certain big schemes ~~proposed~~ had to be dropped as the Govt. were not prepared to pay half-grants in view of the new limits of grants ~~now~~ fixed, viz., half the cost of the scheme not exceeding Rs. 4,000/- for a lower ele.school~~s~~ and half the cost not exceeding Rs.7,000 for a higher ele.school. In the circumstances some districts are left without any allot~~men~~ment, and the grants sanctioned in all cases are not equal. Attention is also invited in this connection to the minute of H.M.(Education) (from the n.f. relating to building grants for 1949-50) extracted below.

p.p. 86-90 cf.

(separate file not linked)

" We are allotted ten lakhs of rupees for buildings ~~for buildings~~ for elementary schools, high schools and colleges. Of these, six lakhs are for elementary schools. Since the decision of giving grants for elementary schools was taken rather late and as many of the Municipalities and District Boards as well as aided agencies did not know about it and they ~~dd~~ did not have the time to prepare schemes and send them on, we have received applications for the grant only to the extent of nearly 2 lakhs and the rest of the amount, nearly four ~~and~~ lakhs may not be utilised this year. I had proposed that in the next year, a similar provision as this year, may be made but in view of the fact that this year's amount has not been utilised to a great degree and as we have nearly 10 or 15 thousand schools for which buildings have to be put up, I suggest that the amount that has not been utilised this year may also be provided in the part II scheme for utilisation next year."

As desired in circulation the balance of Rs.4 lakhs out of the current year's allotment ~~out~~ is proposed to be provided in the Budget Estimate for 1949-50 in addition to the amount of Rs. 6 lakhs already proposed. The proposal is a Part II Scheme for 1949-50 and has been accepted by Finance. Subject to circulation to H.M.(Fin.); the case is being circulated to H.M.(Fin.)

In the circumstances no further action is called for on this - This case may be circulated to H.Pr. thro' H.M.(Edn.)

6A

(main file in B1 section) Extract of H.Pr's minute from 'Building grant scheme' file C. No.91172-B1/48.

'P' " Have 8 lakhs for elementary schools in rural areas with a population not exceeding five thousands. Increase it from 10 to 12 lakhs."

O.P.R.,
16-12-48.

'A' at p. 20 ante:- H.Pr's orders referred to are extracted above. [An allotment of Rs. 6 lakhs was made in the current year for building grants to ele. schools. Out of this provision there is a balance of Rs. 4 lakhs left unutilized in the current year. It has been proposed to provide this amount in the next year's Budget Estimate for building grants for ele. schools. It has also been proposed to provide a further sum of Rs. 6 lakhs in the next year's Budget for the purpose. The total amount to be provided in the next year's Budget comes to Rs. 10 lakhs. This amount has been included in the Part II scheme for 1949-50.

Q

As per orders at 'P' above, the amount of Rs. 6 lakhs referred to at 'Q' above should be increased to Rs. 8 lakhs. The total provision to be made in the next year's Budget will then be Rs. 12 lakhs as against Rs. 10 lakhs formerly proposed. It is for orders whether Finance ~~may~~ should be asked to substitute the figure 'Rs.12 lakhs' in place of 'Rs.10 lakhs' in the Part II Scheme note for 1949-50.]

Z already sent to Finance

'B' and 'C' at p.20 ante:- It is submitted that the decision to make a special allotment of Rs. 6 lakhs in the current year for building grants to ele. schools was taken late, viz. June 1948, and proposals were called for from the D.P.I. for payment of grants. Before submitting consolidated proposals, the Director had to address all executive authorities of Ml. Cls. and Dt. Boards as to their willingness to construct buildings for elementary schools. It is only after

Vide p. 1 cf.

P.T.O

all their replies were received, he could submit consolidated proposals to Govt.

Another factor responsible for non-utilization of the full provision in the current year is that the Director was definitely asked to recommend only such of those schemes which could be completed in the current year and grants claimed before 31-3-1949; and consequently such of those schemes which were not likely to be completed in the current year were eliminated for the payment of grant from the current year's allotment. A.

It may be mentioned here that in the past the Govt. were giving half grants towards construction of school buildings irrespective of the total cost of the schemes, the other half being met by local bodies and private managements from their own funds. But the Government have now decided to distribute the special allotment of Rs. 6 lakhs district-war on population basis subject to the condition that the subsidy or grant payable for each school is half the cost not exceeding Rs. 4,000/- if it is a lower ele. school, and half the cost not exceeding Rs. 7,000/- if it is a Higher Ele. school. 'X' Some local bodies submitted building schemes costing some thousands of rupees in each case and requested Govt. to give half grants. All such schemes had to be dropped as the Govt. were not prepared to give grants exceeding Rs.4,000 and 7,000, and as the local bodies were not willing to incur large expenditure from their funds to earn a subsidy of Rs.4,000 or 7,000 as the case may be.

During the current year some local bodies did not come up with building scheme proposals even though they were informed by the D.P.I. of Govt's decision to give grants as at 'X' above, evidently due to the fact that their finances did not permit the incurring of their share of expenditure from their funds. Certain local bodies came up with too many schemes, and all of them could not be approved as the grants payable had to be fined to district-war limits based on population.

(P.T.O.

In the circumstances stated above the allotment of Rs. 6 lakhs made in the current year could not be fully utilized, and the balance left ~~of~~ is proposed to be provided in the next year's Budget.

It has not been the practice in the past to publish thei~~r~~ intention to give building grants for schools. In the present case, wide publicity was given by the Director as he had addressed all executive authorities of Municipal Councils and ~~Local Bodie~~ L.B. Boards in the matter.

'D' at p. 20 ante:- Submitted that this can be done. Necessary instructions will be issued to the D.P.I. in the matter.

The case may be circulated to H.M.(Edn.) and H.Pr. Orders are solicited at 'Z' on p 21 ante

(1) A on page 22. We should not insist on the buildings being completed before the end of the financial year. It is enough if the work is started in the financial year. We may issue a press note about these grants and this will save lot of time.

(2) What we allotted for building grants to Basic schools most of the money was spent on constructing buildings for basic training schools. This should not be allowed, at the most we may allow half for Basic training schools and half for basic schools. It was

Para (1) of H.Pr.'s minutes on p.23 ante:- Grants for the construction of buildings for schools are disbursed after the buildings are completed. It was for ~~of~~ this reason that it was ordered that the buildings should be completed before 31-3-1949 so that the grants might ~~may~~ be disbursed within the financial year. Unless the grants are disbursed within the financial year, the budget provision cannot be utilised and a good portion of it will ~~have to be~~ elapse~~d~~.

Vide para 1 of G.O. at p.86 cf

Para (2) of H.Pr.'s minutes on p.23 ante:- No provision has been made in the current year's budget for building grants for basic ele. schools. It is proposed that ~~to make~~ a provision of Rs.60 lakhs may be made in the next year's budget for this purpose.

I.P. — vide Part II Scheme F/pp61-3

A provision of Rs.10 lakhs was made in the current year's budget for the construction of Basic training schools. This provision was utilised already for Basic training schools and it has not been utilised for elementary schools. In the next year's budget it is proposed that a provision of Rs.35 ~~to provide 31~~ lakhs may be made for the same purpose. // The suggestion to issue Press Note is noted. As soon as the budget provision has been approved by Govt. necessary action will be taken in regard to this. // The file may be re-circulated to H.Pr. through H.M.(Edn.).
