This unit has finished the selection of cadets and their medical examination, and is in a position to start training any time.

But, the clothing intended for this unit has not arrived so far, and till the receipt of this important item, the commencement of the training has to be delayed.

I am to add that the long interval between the establishment of this unit and the starting of the training has already had its adverse effect on the cadets, in lowering their morale. The enthusiasm that is instilled into the cadets cannot be kept up indefinitely if we do not start training early.

I would like to suggest, that an immediate letter may please be despatched to the ordnance authorities concerned to expedite the despatch of the clothing under reference.

Yours faithfully,

I am also directed to request you to instruct the ordnance authorities to send all future consignments to the officer Commanding the 1st Madras Bn NCC instead of to the Commissioner of Police, Madras.

2. It is not clear whether 15 % of surplus stock of clothing should be supplied to the Officers Commanding the units to replace fair wear & tear or for issue on payment if found necessary even at the outset and whether the stocks of clothing to be supplied by Ordnance has been calculated on this basis. I am to request that necessary instructions may be issued for the guidance of this Govt on this point.

Subject:- Clothing and equipment N.C.C. Units.

Sir,

I am directed to refer to your letter No.81633-BI/48-2 Edn dated 22nd Nov 48. Ordnance authorities have been asked to expedite the despatch of all stores required for your Province.

2. As you are probably aware different items of these stores are to be despatched by different Ordnance Depots and orders to this effect have already been sent by Ordnance authorities. It will further delay the despatching of stores if at this stage we were to approach the Ordnance authorities to change the despatching Depots or change the consignee.

3. Brand new stock is being provided to units and NO replacements will be required in the early stage, therefore no holdings of surplus stocks are being authorised for units. This question will be taken up at a later stage.

4. Units can start training in mufti and training need not be delayed for want of uniforms. In any case, certain clothing of old UOTC units is available for use.

Yours faithfully,

Colonel,
Director, National Cadet corps.
