The Secretary to Government,
Education and Public Health Department, Madras.
Through the Superintendent of Stationery, Madras.
Ref: No. 44251-A/48, dated November 1948.

Sir,

Sub:- Stationery - Phonetic pencils - supply to the
Stenographer to the Superintendent, Government
Hospital for Women and Children, Madras -
Enhanced scale - sanction - requested.

According to G.O. No. Ms. 504, Finance, dated
7-9-1932, each person holding a sanctioned post of short-
hand writer in Government Offices is entitled to an annual
supply of two phonetic pencils only. The Superintendent,
Government Hospital for Women and Children, Madras has brought
to notice that the amount of shorthand work turned out by
his Stenographer has since increased considerably and
that the supply of two phonetic pencils being made at present
to his Stenographer is found to be inadequate to meet the
increased work at present. He states that the quality of the
phonetic pencils supplied at present is also very poor and
that his Stenographer is actually spending his own money
for supplementing the existing supply. He therefore requests
for an enhanced scale of supply of phonetic pencils to his
Stenographer.
