E&E

(R) Government in their order No.Ms.1375 Education dated 28/5/1948 sanctioned the inclusion in the list of approved work of the scheme for the construction of a Dormitory, Dining Hall and Kitchen block for Sri Ramakrishna Mission Vidyalaya High School, Coimbatore at an estimated approximate cost of Rs. 51242/- rendering the institution eligible for a grant upto one half of the cost of the scheme not exceeding Rs. 30,000/-. The Joint Consulting Architect, who scrutinised the plans and estimates recommended the approval of the estimate for Rs. 51250/-. In the expectation that the management will execute the scheme after accepting the tenders, the maximum admissible grant of Rs. 25,625/- was proposed in the Budget Estimate for 1949-50 (Part II.)

2 In the meantime the management submitted revised plans and estimate in conformity with the suggestions made by the Joint Consulting Architect at the time of his visit to the Vidyalaya recently. The revised estimate is for Rs. 73,600/- as against the original approved estimate of Rs. 51250/-. As this estimate is more than the approximate cost approved in the G.O. read above and as it is more than the estimate approved by the Joint Consulting Architect the revised plans and estimates were sent to the Joint Consulting Architect for scrutiny and remarks. The Joint Consulting Architect recommends that the estimate may be approved for Rs. 73,600/-. Half grant works out to Rs. 36,800

(Y) 3. Government in their order Ms. No. 2590 Education dated 16/10/1948 ordered that the maximum grant admissible for the scheme is Rs. 25625/- taking the estimated cost at Rs. 51250/- and sanctioned an advance grant of Rs. 10,000/- to be paid in 1948-49. In the circumstances mentioned in para 2 above, I request that Government may be pleased to allow the maximum admissible grant for the scheme to Rs. 30,000/- as laid down in G.O.No. Ms. No. 1375 Education dated 28/5/1948 and make necessary alterations in the Budget Annexure of 49-50 Part I and Part II.

4. As Government have sanctioned a grant of Rs. 10,000/- to be paid during 1948-49 itself, the correspondent of the school is being requested to

proceed.....

proceed with the scheme expeditiously after accepting tenders as required in Rule 53(ii) of the Grant-in-Aid Code and spend not less than 20,000/- in the current year. He is also informed that Government is being addressed for enhanced grant.

Yours faithfully,

M. V. Subramanian
for Director of Public Instruction.

It is submitted that the maximum limit of ^{fixed} grant ~~sanctioned~~ for this High School in p.o. no. 1375 Edu. D. 28.5.48 was Rs 30,000/- only. If this limit is raised to Rs 35,000/- in this case, it may be necessary to increase the maximum in other similar cases also - cf. for instance the Madras Christian College High School. As this involves a departure from the limit already fixed and additional commitment

The increase of the limit from Rs 30,000 to Rs 35,000 came into force in June last - file of 4/11/48 (F)
Please see the Finance Dept's note on pp 4-5 ante. The maximum limit for grant is raised from Rs 30,000 to Rs 35,000 it will be necessary to allow the concession in other similar cases. There are 13 schemes costing over Rs 60,000 in which the raising of the limit already forced from Rs 30,000 to Rs 35,000 will be of advantage to the management. The extra cost by way of additional grant will come to Rs 61,500. This for consideration whether the maximum limit may be raised in all those cases. ^{but} they might be not be at a disadvantage as compared with managements which receive grants according to the revised limit.

The file may be circulated to HM (Gen) & HM (Fin)
