Sir,

Sub: Sanction of Equipment Grant - P.S.G.College,
Peelamedu, Coimbatore.

42372

I have the honour to state that this Second Grade College was opened in Coimbatore in August 1947 after obtaining the permission of the Hon'ble Minister for Education and the Director of Public Instruction. This College is affiliated to the University of Madras. This College has been admitted to the Grant-in-aid.

The primary object of opening the College is to enable quite a large number of students, belonging to the backward communities who are stranded without admission in the local Government College, Coimbatore, to have the benefits of Collegiate Education. The Coimbatore area is an educationally backward area. So far as the Collegiate education is concerned, there is only one College viz., Government Arts College for both the Coimbatore and Nilgiris districts.

Necessary arrangements are being made to open Science courses (Physics and Chemistry) in the Intermediate classes from this academic year. The University of Madras has granted the affiliation in Science subjects.

In the above circumstances, this College deserves every financial encouragement from the Government. I, therefore, request you to sanction Equipment Grant to this College from this year and permit us to apply for the same.

Sir,

The Correspondent, P.S.G. Arts College, Peelamedu has submitted an equipment grant application for the purchase of books, science articles and furniture at an estimated cost of Rs. 32,640-11-0. The Correspondent has also submitted a copy of the letter received by him from the Hon'ble Minister for Education informing him that no permission from the Government is necessary to apply for grant and that he may send in the application to me direct. In this connection I invite the attention of Government to my Endt. RC.No. 355-F/48 dated 7-7-48 in reply to Government Endt. No. 42378-G.3/48-1 Edn dated 9-6-48 wherein I have stated that the ban imposed in G.O.No. 2227 Edn dated 21-11-1946 on payment of equipment grants to newly started private colleges still continues and as such the request of the Correspondent cannot be entertained. I therefore request you to kindly let me know at an early date whether the equipment grant application of the college may be submitted to you with my remarks or the application returned to the Correspondent.

2. In this connection, I may also state that the equipment grant application of Vivekananda College, Madras was

ORDER/MS.NO. 3185 EDN. DATED 13-12-48

Under the orders embodied in the Press

Communique No.16 dated 13-7-45, no building or equipment grant can be given to new aided arts colleges except to those intended for women, backward communities and

backward areas. This has worked as a great hardship on Arts Colleges newly started by private agencies - The Govt. have reviewed

the question and have decided that in order to encourage private effort in higher education, newly opened Arts

Colleges may be admitted to aid from Provincial funds towards purchase of equipment and construction of

buildings, subject to the usual conditions in the Grant-in-Aid Code. The D.P.I. will, as usual, submit proposals

with reference to the urgency of the needs of the institutions; and the Govt.'s decision on each individual case will

depend upon the availability of funds. The grants payable in each case will be limited to half the cost

subject to a maximum grant of Rs.75,000, in the case of buildings for I Grade colleges and Rs.50,000 for II grade

colleges, and half the cost subject to a maximum grant of Rs.10,000, in the case of equipment for these colleges -

2. The Govt. sanction the inclusion in the approved list maintained in pursuance of G.O. No.388

Law(Edn.) dated 14-3-1924 of the application from the Correspondent, Dr. Alagappa Chettiar College, Karaikudi,

for a grant-in-aid towards the purchase of library books at an estimated cost of Rs.28,000/- (Rupees twenty-eight thousand only).

3. While this approval does not convey any guarantee of grant, it will render the institution

eligible for a grant of one half of the actual cost.

not exceeding Rs.10,000/- (Rupees ten thousand only) if and when funds become available, provided that all the conditions prescribed in the Grant-in-Aid Code are duly complied with.

4. The Director is requested to forward to Government application for equipment grant received from the P.S.G. Arts College, Peelamedu, Coimbatore, for inclusion in the list of approved schemes.

Grant - Equipment - Dr.Alagappa Chettiar College,
Karaikudi - Application for inclusion in the approved
list for 1949-50.

C.No.35088/48.

From the D.P.I. No.163-F/48 dated 9-5-1948.

Please see the letter from the D.P.I. on p.1
c.f. and the application of the Correspondent of the
Dr.Alagappa Chettiar College, Karaikudi, together with
its enclosures on p.p.3-342 c.f. x for an equipment
grant for the purchase of library books at an estimated
cost of Rs. 28,000/-. The D.P.I. states that the
college is a newly started college and that it is
located in a backward area. With reference to the
limits adopted by Govt. for sanctioning equipment
grants to colleges, the D.P.I. recommends that the
grant in this case may be restricted to the maximum
of Rs.10,000/-. According to the present policy of Govt.
with reference to the Press
Communications No. 16 dated 13-7-1945, newly
started colleges for men are not eligible for any
equipment or building grant unless they serve the
needs of special interests like backward communities
and backward areas. It has already been held that
Raman Ramnad District is the home of Chettiars and
Zamindars - vide the minutes of H.M.(Fin)
on p.6 n.f. of (T) and the note on p.4 c.f. of (R).
In the circumstances there is no case for treating
this college as coming under the exceptions mentioned
above. It is therefore
for orders whether the D.P.I. may be
informed that the College is not eligible for any
equipment or building grant. H.M.(Edn) for orders.

I don't want to put the case of this college as a backward area. People are coming forward with large donations to establish colleges. They are doing our work. We are not able to give them building grants to any extent. In the course of one year, we can give, according to the new scheme, only a grant of Rs. 1,50,000/- for all the colleges put together. Equipment grant, at least, we must give and there should not be restriction in the giving up of these equipment grants.

Even equipment grant we have put a limit of Rs. 10,000/-.

Any new college must be entitled at least to this paltry sum. And so, even if there are any ^{only} ^{it} rules against/in the past, in view of giving at least a little encouragement to new colleges, that rule may be scrapped and we may give

them equipment grant, not exceeding Rs. 10,000. I must explain here that the cost of equipment comes to about one lakh of rupees and more for colleges with science groups and Rs. 10,000/- will only be a mere gesture which we must show to them.

We all know how much money Dr. Alagappa Chettiar has put in for this institution. ~~It will be a very bad~~ It will be a very bad gesture on our part not to give at least this small sum of Rs. 10,000/- as grant for equipment for such institutions.

Here he presumably ~~refers~~ ^{wants} that not only equipment grants but building grants as well should be given to new colleges, at least in deserving cases.

3. The practice hitherto followed in respect of these grants is explained by the D.P.I.G. letters at pages 1, 9 and 11-12 ~~and~~ and in the previous papers referred to by him at pages 1, 9 and 11-12 ~~and~~ and in the notes at pages 1-2, 3-4 and 7 ante. 14. H.M. (Edn) has now minuted, with reference to the applications for equipment grant made by the two new colleges viz. Alagappa Chettiar College, Karaikudi, and P. S. S. Arts College, Coimbatore, that it is true that these bans are removed and that these newly started colleges also be ^{made} eligible to ^{for} equipment grants which are given to ^{the} colleges ^{covered by the exception} ~~as a general saving~~ ^{of} not exceeding Rs 10,00/- each. With reference to the former colleges, H.M. 3. It is submitted that the question of revision of the Govt's policy in regard to the grant of financial assistance to the starting of new colleges (Arts) for men, as set out in the Pro Communique of 1945, came up for consideration in 1946. The D.P. then ^{was} of the opinion that the Govt. should revise their policy and help all private agencies to open ~~new~~ colleges. But it was finally decided that ^{as} such a revision ^{would} cost the Govt. a good lot and as it was considered that the finances ^{of the Province} ~~at that time~~ ^{would} not permit it, the matter need not be proceeded with. It will be seen that since the ~~removal~~ ^{imposition} of the ban in 1945 twelve aided new colleges ^{have} been opened out of which eight are not eligible for equipment and building grants. ^(Two of the remaining four are colleges for women and the other two are in backward areas) The ban, if lifted, now, will not only mean ^{Commitment} that the Govt. ^{to payment of} will be committed to pay equipment and building grants in respect of all these 8 colleges, but ^{also} to all such colleges ^{which may be} to be opened hereafter. ^{When in 1946, it was considered, in 1946} that the finances ^{would} not permit the lifting of the ban. ^{The position has} ~~that~~ ^{is now} not improved in any way ^{since then.} ~~and the~~ ^{the} ~~would be applicable in a large measure~~ ^{the}

hand, the position will become worse in view of the present moment when the Govt. have to curtail their expenditure in view of the necessity to balance the budget against a large loss of revenue involved in the introduction of total prohibition from Oct/48. Finance may advise that the proposal need not be proceeded with at the present moment.

If it should be proceeded with and the ban lifted, the question, being one of policy, will have to be considered by the Cabinet. H.M.(Fin) may see at this stage.

The file relates to the request of the managements of the Alagappa Chettiar College, Karaikudi, and the P.S.G. Arts College, Peelamedu, Coimbatore, for equipment grants for these Colleges. Under the orders embodied in the Press Communique No.16 dated 13th July, 1945, no building or equipment grant should be given new Arts Colleges except to those for Women, for backward communities and backward areas. In view of these orders, the two Arts Colleges in question, being newly opened Arts Colleges for Men, will not be eligible for building or equipment grants. The Colleges will, however, be eligible for teaching grants. H.M.(Edn) has minuted that the ban imposed by the orders of 1945 should be raised and these two colleges sanctioned Rs. 10,000/- each as equipment grant, as a gesture of the Government's appreciation of the private effort of the gentlemen concerned in having started the Colleges. As the intention of H.M.(Edn) is that the ban should be lifted both in respect of building and equipment grants, it is for consideration whether the policy laid down in the orders referred to above should be modified so that all colleges may be made eligible for all grants.

Finance have noted objecting to the lifting of the ban on the following grounds:--

- (i) There are now eight Arts Colleges subject to the ban; and if the ban is removed, the Govt. would stand committed to the payment of building and equipment grants not only to these eight colleges, but also to all such colleges which may hereafter be started.
- (ii) After the matter was last considered in 1946, the finances of the Province have become worse due to the large loss of revenue involved in the introduction of total prohibition.
- (iii) In connection with the measures to be taken to fight inflation, it has been suggested that all building schemes should be postponed; the present is not the time to make building grants available for construction of colleges.

The case may be circulated to H.M.(Edn), H.M(Fin) and

H.Pr. for orders.

Any building grant that we may give is subject to the one and a half lakhs that we have set apart for the building grant for all these colleges ^{in a province} put together and so, it does not mean that by lifting the ban, we are spending more money.

With regard to equipment grant, it is highly necessary that they must get the equipment also and we owe it to them to do so and so, the ban may be lifted.

~~The question of lifting the ban being one of policy, the subject will have to be placed before the Cabinet. A note for the Cabinet is submitted for approval. Finance and Chief Secretary may see for approval.~~

RS 12/10/48 In their note on p 12 ante Finance have noted that the question being one of policy will have to be considered by the Cabinet. The policy laid down in Press Communiqué No. 16 dated the 13th July 1945, which it is now proposed to modify was not decided upon at a meeting of the Advisers in 1945. This is for consideration whether a discussion of the subject, by

by the Cabinet is necessary, on this occasion, or whether orders may be issued on the basis of the minutes of the ^{Joint} (Edn) + (Fin) with whom the Pr has also concurred. Finance may see, before circulation, on this point.

The order in circulation on p 14 above and the notes following may be perused. In the circumstances stated by EXPH and in view of the unanimous decision of the H.M. (Finance, H.M. (Fin) & H.M. Finance need not insist on the proposal being placed before the Cabinet before issue of orders. However, the ban, if lifted, will mean that the Govt. will have to pay a large amount as equipment grant to new colleges which were hitherto denied the grant. As a recurring large expenditure is involved, the proposal will be in a 'New Service'. The proposal will have to be placed before the S.P.C. and the Cabinet as the recurring expenditure will in all likelihood exceed Rs. 5,000. EXPH may be requested to follow the above procedure of S.P.C. and the Cabinet should be advised in the form of a letter, that they may follow the procedure for extremely urgent cases. The Cabinet is a summary of the H.M. (Fin) & H.M. Finance.

(This Department note on p.13-14, minutes of H.M. (Edn), H.M. (Fin) and H.Pr. on p.14, the further notes of this Deptt. on p.p.14-15 and Finance Deptt. note on p.15 ante may be perused). That Deptt. agree with this Deptt.

that the proposal ^{though one of policy,} need not be placed before the Cabinet in view of the unanimous decision in circulation. But

they however point out that this ^{will be} is a "New Service" as it involves a large expenditure every year on payment of equipment grant ^{to new colleges,} and will have to be placed before the S.F.C. and the

Cabinet. They however state that if it is considered that reference to the S.F.C. and the Cabinet should be ~~waived~~ waived in view of the urgency of the case, the procedure prescribed for extremely urgent cases

may be followed, i.e. of circulating the case to H.M. (Edn),

H.M. (Fin) and H.Pr. for waiver of reference to the S.F.C.

and the Cabinet, issuing orders and circulating a summarising note to all other H.Ms, H.E. and the Chief Secretary, later.

In view of the urgency in this case, the case may be circulated to H.M. (Edn), H.M. (Fin) and H.Pr. for orders as to the waiver of reference to the S.F.C. and the Cabinet.

^{20/11/48} As an early decision is necessary in the cases dealt with in this file and which have to be dealt with as Part II Schemes for 1949-50, the matter may, it is submitted, be treated as very urgent and final orders issued, lifting the ban on grants to new colleges, without resort to the "New Service" procedure. The file may be circulated to H.M. (Edn), H.M. (Fin) and H.Pr. for
