Enclosures :

Rc No. 1347-SE-47 dated 21st December 1947.

Sir,

Sub: Stationery - Copying ink pencils - Supply to the
 Wireless Stations - Sanction requested.

Ref: G.O.No.MS.2082, Edn. dated 27-9-47.

I request the Government to authorize me to sanction the supply of copying ink pencils (hard) to the wireless stations, static and transportable, now working and to those that may be opened in future, at the rate of six pencils for each station annually.

2. In their order cited, the Government sanctioned the supply of six copying ink pencils annually to each of the wireless stations referred to in my letter Rc.No.488/SE/47, dated 2-8-47. After the receipt of the G.O. cited, eleven more new stations (static, transportable and urban) have been opened. Some more stations are likely to be opened in the near future. It is also likely that transportable stations at certain places may be closed if they for them

necessity

ceases. In order to avoid addressing the Government for sanction to supply copying ink pencils each time when a station is opened, I request the Government to authorize me as stated in paragraph 1 above.
