To
The Hon'ble The Minister For Education,
Government of Madras.

Sir,
Parents Association - Ellore.
Memorandum regarding S.S.L.C. Examination.

While thankful for the October Chance given to the S.S.L.C. Candidates, we wish humbly to bring to Your gracious notice the hardship involved in the recent announcement in the Ft. St. George Gazette dated 14--9--1948 disabling the October candidates from sitting for the ensuing March Examination, as the last date of submitting the applications of private candidates was fixed as 31--10--1948.

When they applied for the October Examination, they were never given to understand that they should forego the next March chance.

A
It is now our prayer that the failed October candidates for this year also may be allowed to sit for the March 1949 Examination but with the same text books and portions as before as otherwise the interval for studying new text books and portions will be too short. This would only require duplicate question papers in regional language ~~Language~~, English ~~Language~~ and extra alternative questions on the Nondetailed texts and on the out lines of Modern History.

Such candidates may kindly be permitted to submit their applications as a special case for this year early in January 1949 (as in the case of school going candidates) by which time the October results will be announced.

Another humble suggestion is that the candidates failing

12/

in one or more subjects may be allowed to appear only those subjects at subsequent examinations and may be considered qualified S.S.L.Cs., for service and eligibility. This principle will fill the minds of the backward candidates with the hope that they can pass some day or other; and thus there will be lesser scope for desperate mal-practices and such.

A third suggestion is that failure in any two of the non-language subjects ~~which~~ ~~xxxx~~ ~~the~~ may be condoned.

It is earnestly hoped that these humble suggestions for improving the lot of the S.S.L.Cs. will meet with favourable consideration.

Thanking you,

Yours,

11th Nov. 1948.

We beg to remain,

Sir,

Yours faithfully,

Please refer to your letter No RC-427-B-4A dated the 26th Oct. 1948 regarding the admission of October-failed candidates for the S.L.C. examination in March 1949 and state whether the March examination for these candidates are not to be on the same text books. It is presumed that if this is the case it will be necessary to have two sets of question papers, one set for the failed candidates & another for the fresh candidates, and that suitable arrangement

may I refer to
letter No. R.C. 427-B/48 dated
26th October 1948, in which
the Commission for Government
Examinations, Madras, has
stated that the candidates who
fail in the examination in
October 1948 will have to
study the new texts, as they
were already given two chances
to appear with one and the
same texts. Notifications to
this effect have also been
published. No arrangements
have therefore been made to
set separate question papers
for the October failed candidates
on the text books for 1948
even though they appear in
1949. ~~and those based on the

To have two sets of question

examination will create great
confusion in the arrangement
of the examination, valuation
of answer papers, issue of
instructions for marking the
answer papers, etc. I may
further state that every
where including the University
candidates are not

I am afraid the point has not been properly understood. The request is not only that the failed October candidates be allowed to sit for the examination in March 49 but also that the same text books and portions that were done in the October examination should be prescribed to them for March 49 also. This will involve 2 sets of papers, one for these people ~~and~~ on the ~~old~~ old text books and the other for the fresh entrants and this requires the consideration

of the D.P.I. The Director may be asked to consider the matter and report.

Please see the minutes of

H.M. (Edn) on p 1-2 above and the letter from the C. of E. on p 7-8 of. He has stated that the October failed Candidates will have to study the new texts and so no arrangements have therefore been made to set separate question papers for them for March 1949. He has also stated that he is not in favour of the same text books being repeated for more than two examinations.

It is for orders whether Govt. may agree with the views of the C. of E. as expressed at 'x' copy of on pages 7 & 8 of.
