The Principal, Presidency College, Madras, requested the Director in Febry.1948 for supply of ~~supply~~ printed labels, both solution and solid, required for the use of the Chemistry laboratory etc. The matter was referred to the Superintendent, Government Press, Madras, in my letter Rc.39 H/48 dated 19-2-48 for favour of compliance. The Superintendent, in his letter, Job dated 7-4-48, expressed his inability to take up the printing of the above work for about three months due to heavy pressure of other urgent work. He was again reminded on 10-8-48 but expressed the same inability. He added that in view of the urgency he has no objection to entrust the above work to a private press but that the sanction of Government is necessary to meet the cost of printing from his office allotment. As the labels are urgently required for the laboratories, I request that Government will be pleased to permit the Principal to get the labels printed at a local press and to meet the cost out of the allotment of the Government Press.

Yours faithfully,
