(i) The grants should be spent on equipment, especially on books and book cases such as almirahs, but not on buildings.

(ii) The management should provide the buildings, furniture and staff required for the library.

(iii) The library should be open to the public and should be located in a place accessible to all communities and should not be removed to any place inaccessible to any community without the previous sanction of the Director of Public Instruction.

(iv) The indents for books to be purchased should receive the prior approval of the District Educational Officer. The books to be purchased should conform to the rules mentioned below:—

(*a*) They should be of a high cultural value like those of Sri Ramakrishna, Swami Vivekananda, Mahatma Gandhi, Pandit Jawaharlal and others.

(*c*) Books abusing other communities or religions should not be purchased.

(v) A register of books should be maintained in each library. It should be available for inspection during inspecting officers' visits to the library which they may do at any time.

(vi) The library should be subject to annual inspection by the inspecting officers.

(vii) Necessary vouchers for the expenditure should be produced while claiming the grant. The grant payable should be restricted to the actual expenditure up to the maximum of the sanctioned grants.

(viii) If any of the above conditions is not observed, the grant may be refused at the time when a claim is preferred therefor; and, if the grant has already been disbursed, the grant or such portion thereof, as the Director in his discretion thinks fit, may be recovered by him at any time within five years from the date on which the grant was disbursed, from the management of the library or from the persons responsible for such non-observance.

(ix) The presidents of the panchayats and the heads of the gramasangams concerned should claim the grants sufficiently early at the district treasuries presenting bills (prepared in the prescribed form) with the necessary sub-vouchers, so as to admit the claims being scrutinized and paid before the end of the current year.

Some gramasangams have applied for grant for libraries yet to be opened by them. I do not know whether it is the intention of the Govt. to sanction grants to these sangams which only contemplate opening a library at present. I have not admitted these sangam's libraries to aid but a separate list (list IV) of such gramasangams is submitted for the Consideration of Govt. whether any grant may be sanctioned to them

Sub:- Libraries - Public - Grant for 1948-49 - Distribution - Sanctioning of.

Extract at p.107

Ref:- From the D.P.I., R.C.No.1439-J/47 dated 3-11-48.

---

The D.P.I. in his letter read above has submitted proposals to Govt. for the distribution of grants to public libraries for the year 1948-49. As stated by the D.P.I., this is the first year when grants are distributed to libraries maintained by Gramasangams.

2. A provision of Rs. 2 lakhs (Rs.84,000/- for libraries under district boards, municipal councils and private associations, and Rs.1,16,000/- for libraries under panchayats and gramasangams) has been made in the Budget Estimate for 1948-49 for grants to public ~~libr~~ libraries maintained by district boards, municipal councils, private associations, panchayats and gramasangams. But the D.P.I., has submitted proposals for the distribution of grants amounting to Rs. 1,24,480/- (Rs.70,665/- for libraries under Panchayats and Gramasangams and Rs. 53,815/- for libraries under local bodies and private associations) only. He has stated that grants to libraries have been recommended having regard to their usefulness, the recommendation of the inspecting officers and the amount spent by them last year,etc. The recommendation of the D.P.I. may be accepted.

(Sd.) M.V.S. 17/11/48

3. The D.P.I. has submitted a list of 39 gramasangams which have applied for grant for libraries yet to be opened by them.(vide pp.5-7 c.f.) The D.P.I. has not included for grants these Sangam libraries which are not existent. He requests the orders of Govt. whether any grant should be sanctioned for them. Certain conditions have been laid down which have to be observed before sanctioning a grant to a library. One of the conditions of the grant is that before a library applies for aid it should have worked at least for a year and should have been inspected and satisfactorily reported upon at least once by the inspecting officers of the Educational Deptt. But it is stated in the G.O. that

an exception to this condition will be made in the case of libraries maintained by panchayats and gramasangams, in the prohibition districts. Thirty-nine gramasangams have applied for grants to libraries proposed to be opened by them. The question for consideration is whether they are entitled for the grant in view of the fact that an exception has been made to them in respect of the condition stated above, even in spite of the fact that they have not opened libraries at all at the time of applying for grants. For orders. Drafts I and II in respect of other proposals are submitted.

4 The file may be sent to Finance for remarks before circulation.

may support the proposal to sanction library grants to them during 1948-9 even though they had not opened libraries at the time of applying for grants. The file may be passed on to Finance.

Many of the ex-addicts will, I fear, be found to be illiterate, and they have little use for the facilities provided by libraries. As a counter attraction to drink, libraries cannot be of much use for some time to come. This department need not therefore press for any relaxation of the rules governing the sanction of grant to village libraries.
