FROM

THE DIRECTOR OF PUBLIC INSTRUCTION,
MADRAS.

TO

THE SECRETARY TO GOVERNMENT,
EDUCATION & PUBLIC HEALTH DEPARTMENT,
FORT ST. GEORGE, M A D R A S.

SIR,

Sub: COLLEGE OF ENGINEERING, GUINDY - Facilities
for the intensive practical training of the
Final year B.E. students of the Annamalai University.
-L@f-

86111

The Registrar, Annamalai University, has approached the Principal, Engineering College, Guindy, to arrange for an intensive course of practical work for the final year B.E. students of the Annamalai University in the laboratories of the Guindy college during the Michaelmas or the Christmas holidays in the current academic year i.e. for about 15 Electrical Engineering Students in the Electrical and Hydraulic laboratories and for 14 Mechanical Engineering students in the Mechanical and Hydraulic Laboratories. It is reported that the laboratories of the Annamalai University are not yet properly equipped. The Principal, Engineering College, Guindy states that the proposed arrangements can be made during January 1949 without detriment to the work of the college as at that time the students of the college will go out on survey camp. The Annamalai University has agreed to pay a special fee of Rs. 60/- per student for the proposed intensive practical training in the College and also to send the necessary instructional staff along with the students from the University. In view of the dire necessity for intensive practical laboratory work for the final year Engineering students of the Annamalai University and as the arrangement will not be detrimental to the normal work of the Guindy College, I request that the Government may be pleased to approve the proposed arrangements. In accordance with G.O.No. 942 Education dated 7/7/1932 40% of the special fees collected from the Annamalai University for the purpose may be paid as honorarium to the staff of the college engaged in the additional work and the remaining 60% credited to the Government.

2. The date for the commencement of the practical work for the Annamalai University students will be fixed by the Principal in due course in consultation with the University authorities.

3. I request the favour of early orders.

Yours faithfully,

P. M. i

for Director of Public Instruction.

ANNAMALAI UNIVERSITY
ANNAMALAINAGAR

Dear Mr. Subrahmanyam,

Sub: Practical Training for the
Engineering students of the
Annamalai University.

In enclosing a post-copy of the telegram sent
to you today, I have to request the favour of very early
orders of Government granting permission for the Final Year
Engineering students of this University, (Electrical and
Mechanical branches) to take practical instruction at the
Guindy Engineering College laboratories from the 5th January,
1949. As we are closing for the Christmas vacation next week,
and the students have to be informed sufficiently early
before they disperse for the vacation, I shall feel very
grateful if orders are issued within two or three days' time.

Thanking you,

Yours sincerely,

S. G. Manavala Ramanujam

M. V. Subrahmanyam Esq., I.C.S.,
