Under clause 2 (ii) of the Fundamental Rules 31 A as amended in the above G.O. a probationer in a subordinate service is entitled to draw the first increment after putting in the service necessary to earn the increment. In the case however of certain classes of officers in the M.E.S.S. it is obligatory on their part to pass certain tests before their probation could be completed or any increment sanctioned to them. Kind attention is invited to Rule 11 of the special Rules for the M.E.S.S. whereby a probationary Assistant Lecturer who has not been exempted from obtaining the L.T. Degree shall not be entitled to count the service rendered prior to the date of obtaining such a degree for purposes of increment and probationary School Assistants, Deputy Inspectors etc., who do not pass the Deputy Inspectors Test and the Accounts test within the prescribed period of probation shall not be entitled for any increments in the time scales of pay applicable to them. I therefore solicit the orders of Government whether there is any of these officers during the periods of their probation as the increments are now annual.

Please see the D.P.I.'s letter on page 1 above.

There was no intention in issuing G.O.514 Finance dated 9-7-47, to abrogate the condition in the several Service rules about passing of prescribed tests in order to enable the officers to draw increments. E.P.H. may be requested to inform the D.P.I. that increment of pay can be drawn in the cases referred to by him only if the conditions prescribed in the Service rules relating to qualifications prescribed, pass in certain tests etc. are fulfilled.
