Sir,

Sub: Works-Expenditure on deepening well in the Muthupatnam Boys' Elementary school-sanction of Government.

The well in the Muthupatnam Boys' Elementary school became dry during this summer and it had to be deepened at an expenditure of Rs. 28/- from the municipal funds. The school site is not the property of the Council. It belongs to a private individual and has been taken on lease by the Council. The owner of the site would not agree to do the work. Hence it had to be done from municipal funds in the larger interest of the children studying in the school. I request the sanction of Government for the expenditure incurred.

2. The expenditure has been sanctioned by the Council in resolution No. 992 dated 31-8-48, a copy of which is submitted herewith.
