Sir,
Sub:- War - Educational concessions to the children and dependants of Defence Services Personnel - Expenditure on ~~Sharing~~ of.

I am directed to invite attention to the last sentence of paragraph 5 of the letter, No.F.32-16/41-E, dated 4-10-1941, of the Govt. of India, Department of Education, in which all Provincial Govts. were required to meet from their own revenues the entire expenditure on the educational concessions granted to the children and dependants of the Defence Services Personnel. This Govt. have accordingly been meeting the entire expenditure on these concessions from their funds, ever since they were sanctioned. From the various proceedings of this Govt. communicated to them from time to time, the Govt. of India should by now be well aware of the various kinds of educational concessions granted by this Govt. to the children and dependants of the Defence Services personnel, and of the various types of personnel who have been made eligible for these concessions. Recently, at the instance of the Govt. of India, this Govt. have entered into reciprocal arrangements with all other Provincial Governments and Local Administrations except Bombay and almost all Indian States. A proposal is also under the active consideration of this Govt. for extending the concessions to the children and dependants of the ~~next~~ I.N.A. personnel. These factors will add further to the already heavy expenditure that has been and is being incurred by this Govt. on the grant of the ~~above~~ concessions. This increasing liability, which

Sir,

I am directed to refer to your letter No.

pages 17-18 ante 59781/47-5-C-1-Edn., dated the 29th May, 1948 on the

subject mentioned above and to say that the Government of India have given careful consideration to your request but regret that they are unable to accede to it. I am to add that the question of continuance of these concessions is at present under the active consideration of the Government ^{of India} and as soon as a decision is reached, the Government of India's suggestions in this regard will be communicated to all the Provincial Governments.

Educational Concessions - Grant of to the children and dependants of Military personnel.

Extracts from the Minutes of H.M. (Education) in the file regarding the grant of Educational concessions to I.N.A. personnel.

"The I.N.A. may be allowed the educational concessions allowed to the ex-servicemen. As the money involved is also negligible, it may be done. But the matter of claiming a half of the expenses from the Central Government may, I think, be taken up again separately. The cost involved may be put up, and I think we should make fresh attempts to claim it. H.M. Finance may see!"

The D.P.I. has forwarded a report regarding the expenditure incurred from Provincial funds in clearing the loss of revenue on account of the exemption for the payment of tuition and Specie fees granted to the children and dependants of Soldiers for the years 1942-43 to 1946-47. P.T.O.

From the D.P.I., No. 2213-WA/47, dated 27.4.1948.

The D.P.I. has now furnished full figures of the expenditure incurred by the Govt. on the educational concessions granted to the children and dependants of the Defence Services personnel from the year 1942-43 to 1946-47. These particulars were called for from the D.P.I. in view of the minute of H.M. (Edu.) extracted above. But it is not clear whether it was H.M.'s intention that a share of the claim should be made with the Govt. of India for a share of the cost of the concessions for the Defence Services personnel or whether he desired that the claim should be confined to the extension of the concessions to the I.N.A. personnel dealt with in the top file. H.M.'s clarification may be sought for on this point.

2. It may, however, be pointed out that the question of extending the concessions to the I.N.A. personnel has not yet been finally decided. It is, therefore, subd. for consideration whether the Govt. of India may better be addressed, after a decision is arrived at in the top file.

3. Finance may see in the meantime for remarks, if any.

The views of Secy, E & P.H. in the margin above may be concurred in, and the case returned to that Dept.
