(a) No.

(b) Orders have been issued that 10 percent of the seats in the Arts colleges should be reserved for Harijans. This reservation also will apply to subject groups provided the candidates satisfy the minimum educational attainments required.

We have said that the same order should apply to aided colleges also. I would like to know whether it is advisory or compulsory and in those colleges also

It is submitted, w.r.t. K on p 2-3 above, that the D.P.I. was requested to arrange with the managements of aided colleges to get only 10% of the seats in their colleges reserved for Harijans. The intention is that the reservation should apply to particular groups also even in these aided colleges.

The above instruction is only advisory & not Compulsory, but the Govt. have power to refuse grants to institutions which do not follow the above instruction, under Para 42 of the grant-in-aid Code, which says that "as a condition precedent for the continuance of the grant or any portion thereof, Govt. reserve to themselves the right to prescribe any particular line of action to be taken by the management in regard to any matter affecting the college". Therefore, though the above instruction is not technically Compulsory, the managements of aided colleges are obliged to carry it out, for fear of refusal of grants by Govt. as a result of non-compliance with their instructions. The file may be circulated to H.H.(Edn.)
