No. Pdl. 44/47 dated 9-1-48.

Sir,

STATEMENT showing the receipts and disbursements of the High Commissioner for India in London on account of the Government of Madras, from 1-4-47 to 14-8-47 under "56 Stationery and Printing."

REF: Government Education & Public Health endorsement No. 95467 G1/47-1 P.H., dated 11-12-47.

A sum of £.165 was provided in the Budget for 1947-48 under 56 Stationery and Printing, i. charges in England - A. Leave salaries and deputation pay - Stationery charged to meet the leave salary and overseas pay of Mr. S. Duncan, Assistant Superintendent of Stamps and Stationery for a period of 2 months and 17 days in 1947-48 as the leave granted to him for 6 months and 17 days from 1-11-46 expired on 17-5-47. His last pay certificate was sent to the Colonial Treasury at Kenya. It is seen from the statement sent with the Government memo that the leave salary of Mr. S. Duncan has not been paid up to 14-8-47. I therefore request that Government may address the High Commissioner for India in London to take action for the disbursal of the amount before the close of the official year, if it has not been done so far, so that the grant may not lapse.
