The Rajah's College,

To
The ~~Durbar~~, Director of Public Instruction,

(Through the proper channel)

Sir,

I beg to place the following facts before you for your kind consideration:-

p.3 infra

p.16 In my petition dated 17-4-'48 to the Pudukkottai Durbar (copy of which is herewith enclosed), I requested for being continued in service for an year more, in view of the special circumstances about me, as pointed out in that petition. I beg to point out also that in Pudukkottai service, officers have been, in some cases, granted five or six years' extensions even recently, and further that in big colleges like St. Joseph's College, Trichinopoly, Professors and Lecturers are found to be working at even a much later ~~xxx~~ age.

p.5 infra

p.18 With reference to P.F. No.219, dated 24-4-'48 (copy of which also is enclosed) from the Durbar in reply to my petition, asking me to clarify my request about my pension, I beg to submit that I am now in the grade of College Professor, ₨.200--10--400 and am drawing a salary of ₨.210. But, because I have put in only a service of 13 years in Pudukkottai State, I shall ordinarily be eligible for only a small pension. But I may submit also that before joining Pudukkottai State Service, I served for eleven years as Chief Lecturer in History and Economics in Findlay College, Mannargudi, Tanjore District. So, in view of the special circumstances about me mentioned in my petition, I request that my case may be treated as a special case, and that some more years, if possible seven years, may be added to the thirteen years of my service, for purposes of pension, so that it may be twenty years on the whole; and if it is calculated on the basis of my present salary, I may be enabled to get, instead of the ~~x~~ usual amount of ₨.105, (viz., half the salary), a pension of ₨.70 per mensem at least (which is one-third of my present salary) which, I submit, is the lowest minimum pension for any one with my salary in these days for bare sustenance. p.3 infra

In view of the extra-ordinary circumstances connected with the recent merger of the State and the possibilities of this College being considered as a separate unit for some time and because of the special circumstances submitted by me, I request that my petition may be considered favourably.

Pudukkottai,
Date 5-6-1948

I beg to remain,
Yours obediently,
T.I. Ommen.

To
The Durbar, Pudukkottai,
Through the Principal, H.H. The Rajah's College.

Dear Sir,

I beg to submit the following facts for your kind consideration:-

1. I have been in service in the College under the Pudukkottai Durbar since 1935, first for eleven years as Lecturer on the Grade of Rs.100--5--10--Rs.200, and during the last ~~xx~~ two years as Professor in History and Economics on Rs.200--10--Rs.400; and I am now drawing a salary of Rs.210.

2. During these eleven years, I have been in entire charge of the teaching of two full-time optional subjects, viz., Indian History and Modern History; and during the last two years I have been in charge of the department of History and Economics in the B.A., and the Intermediate classes.

3. During some years of ~~service~~ my service, I have been in addition to my usual work, doing duty as Special Lecturere in Malayalam in Intermediate without any remuneration, to three sets of students viz., in 1938-39, 1940-42 and from 1945-46. Besides these, during the last seven years, I have been Editor of the College magazine without any remuneration, and doing work as honorary Lecturer in charge of the College Library. In addition to these, I beg to point out also that, during the years of the last war, I have tried to do my best for the war bureau of the State in various capacities.

4. The results of the University Examinations in my subjects during all these years, have been far above the average, and in two years, that is in 1940 and 1942, (and also in 1947) they have been 100 percent in one history; and I have had long experience as Assistant and as Chief Examiner in University Examinations.

5. I may be permitted to point out also that I am healthy and strong enough for work, though I am 58 years and a few months old now; and that Professors and Lecturers in other colleges under the Madras University like the St. Josheph's College, Trichinopoly, doing similar work are allowed to ~~xxxxx~~ continue in service after a much later age, and further that quite recently the problem of extending their services up to 60 years has been the subject of consideration by the Madras University Senate.

6. In view of all these circumstances, I beg to request that the question of my continuation in service may be sympathetically considered by the Durbar; and further that, if there is any obstacle in the way, at least the question of the amount of pension may be considered, as a special case, because of the special circumstances involved.

I beg to remain,
Dear Sir,
Yours obedient servant,

In my letter quoted ~~x~~above, I requested Government to issue formal orders appointing the present Director of Public Instruction, Pudukottai as a Special Officer for Education, Pudukkottai in the Madras Educational Service. I had also observed in that connection that the Special Officer will have more or less the status of a District Educational Officer and will be subject to the control of the Divisional Inspector~~x~~ of Schools. Since then I have received a number of references from the Special Officer for Education, Pudukkottai requesting my orders or approval on such routine questions as his monthly ~~dx~~ diary, tour programme and T.A. bills, grant of leave to Physical Training Instructors or Secondary Grade Teachers and the appointment of a substitute in their place, etc. This has resulted in a lot of congestion of work in my office. I therefore request that Government may be pleased to pass early orders vesting the Special Officer for Education, Pudukottai will all the powers of the Lt.Edl.Officer for purposes of Departmental and other rules and regulations of this Province. Unless they are inconsistent with the instructions already issued in the Government Memo. quoted above, the Department and other rules and regulations of this Province may be made to take effect from the 1st July 1948.

LEGAL DEPARTMENT

The Proposal of the Education and Public Health Departments at A on page 1 ante may be accepted in this department except as regards one particular. It is proposed that the Special Officer should continue to exercise the powers he was exercising before the merger subject to the general supervision of the Divisional Inspector of Schools, Madura. Such powers may be statutory as well as non-statutory. In respect of non-statutory powers, the direction that the exercise of the powers should be subject to the general supervision of the Divisional Inspector of Schools, Madura, will be proper. But in respect of statutory powers, the supervision will rest in such authority as is specified in the statute and it will not be legal to transfer the supervision to the Divisional Inspector without suitably modifying the statute concerned under section 4 (2) of the Extra-Provincial Jurisdiction Act, 1947.

2. I may point out that the State merged with the Indian Union with effect from 3rd March 1948 and it is not known whether the Durbar's Proceedings R.C.A.1/3587/1948 dated 20th April 1948 (specially after my visit to the State) is valid. If the Government consider that the above Proceedings of the previous Government is valid, it may be honoured.

I request the favour of your kindly issuing early orders permitting me to take leave for 6 months from the date on which I shall be relieved. On 20th April 1948, when the first order was passed, the Durbar decided that I was entitled to privilege leave for 3 months, and if the further period of my service as Director of Public Instruction until 16th July 1948 and Special Officer thereafter is taken into account, I may perhaps be granted privilege leave for 3 months and 15 days and furlough for 2 months and 15 days. This is a matter for your kind discretion.

Venkatarama Ayyar - Sri K.R. - Special Officer for Education - Leave preparatory to retirement--Grant:

@@@

Please see the D.O. letter dated 30th September 1948 which the Special Officer for Education, Pudukottai Territory, has sent to you praying for the grant of 6 months' leave preparatory to retirement. He is under extension of service till 18th April 1949. In April 1948, during the period of late Diwan, Mr.C.Karunakara Menon, he was granted combined leave for six months preparatory to retirement i.e. privilege leave for 3 months from the date on which he takes the leave and furlough ~~for~~ without medical certificate in continuation for 3 months. But he did not then take the leave sanctioned to him. Instead, he sought for the revision of the order so as to enable him to take the leave from the date on which he might be relieved under the orders of the Director of Public Instruction, Madras. He was told in May 1948 that he might get the order sanctioning the leave renewed in time.

3. I therefore recommend that he may be granted privilege leave for 3 months 17 days from 1st January 1949 to which he is eligible and retired at the end of the leave period i.e. from 18th April 1949.

Extract from the Memorandum on the Personal Privileges of the Rulers of the States that have either merged in provinces or have combined to form union of states.

28. Previous commitments of the Rulers should be honoured. While as a general principle there would be no objection to recognition of the previous commitments of the Rulers, it has come to the notice of the Govt. of India that the Rulers have entered into many transactions which cannot stand scrutiny, especially after the 15th December 1947. The Government of India are therefore of the opinion that the Provincial Governments which are taking over the administration of the States and assuming their liabilities should not be saddled with all these commitments. The Provincial Governments will therefore make enquiries and confirm such of them as are reasonable and bonafide.

Legal Department.

All that has happened, in regard to the relationship of of the Pudukkottai State with this Province, is that the Central Government has delegated to this Government its powers under section 4 of the Extra Provincial Jurisdiction Act, 1947 to make orders for or in relation to the governance of that State. But such delegation will not by itself be sufficient to make the Pudukkottai State part of this Province. And if the Pudukkottai State cannot be regarded as part of this Province it is difficult to see how persons serving in the Pudukkottai State can be regarded as persons serving in connection with the affairs of this Province within the meaning of Regulation 20(1) or 22 of the M.P.S.C. Regulations.

At the same time, it may be pointed out that, unless such a course will be inconsistent with the Service Rules of the State, if any, which must by virtue of the notification at 'Y' necessarily govern cases of this nature until they are superseded, there will be no legal objection to treat

Resolution.

The members of the Ramachandrapuram Teachers' Unit are unanimously of opinion that after the assumption of office as the Director of Publicx Instruction, Pudukkottai State, Sri. K.R.Venkatrama Iyer Avl, B.A.,L.T.(M.R.A.S.) has done much to the advancement of the education(both elementary and-Secondary) in this state. We are strongly of opinion ix xmxx that his continuance in the office is sure to give a continued impetus to the spread of education especially, at this stage of rapid Educational reconstruction in this presidency under the inspiring guidance of a popular Educational Minister.

(B)/1

It is observed from the history of service of Sri K.R. Venkatarama Ayyar that his services were extended for a second time by a year from 18-4-1948 and that the period of extension expires on 18-4-1949. The special Deputy Collector, Pudukkottai has intimated this office that the office was eligible for a total period of privelege leave for 3 months and 25 days from 1-1-1949 and that a period of leave for 3 months and 17 days only was recommended by him to Government, as the officer would be retiring from 18-4-1949. It is however observed that the orders passed by Government in the G.O. cited above have the effect of continuing his service beyond 18-4-1949. It is presumed that Government have duly taken into account the fact that according to the orders issued by the State Darbar he was to retire from 18-4-1949 or the date of termination of the period of extension of service. The presumption may please be confirmed.
