R.No.18584-2L-48 dated 26th September, 1948.

Sir,

Sub : Supply of calendars and diaries--Regional Malarialogists,
Regional Nutrition Health Officers etc.,

72529

The Regional Malarialogist, Bellary applied to this Office for supply of calendar and diary for his use. The Superintendent Government Press when addressed requests the sanction of Government and states that a calendar and diary supplied to this Office may be sent to the Officer. As a limited number of calendars and diaries is supplied to this Office for distribution to the Officers in Headquarters and the various sections in this Office, it is not possible to spare a calendar and diary for the Officer. Besides there are other similiar class of officers appointed recently who are not in receipt of calendars and diaries, these may also be supplied with calendars and diaries to enable them to carry out their duties according to schedule as many of them are in the interior without contact with other offices. It is therefore requested that Government may be pleased to accord sanction to supply calendars and diaries to the Officers mentioned below:

In this dept's telephonic message by post dated 4.10.48 the D.P.H. was requested to state the number of copies of Calendars and diaries required for distribution amongst officers mentioned in his letter on pp 1-2 of and also the number of copies which are supplied to the P.H. Deptt at present. The D.P.H. has stated at page 7 of that 31 calendars and 31 diaries are required for distribution to the subordinate officers of this deptt. This indent of the D.P.H. is exclusive of the supply already made to his office every year. The D.P.H. may therefore be supplied 31 tablet diaries and 31 card calendars instead of 20 tablet diaries and 16 card calendars as recommended by the S.G.P.
