Sir,

Sub: ELEMENTARY EDUCATION - Compulsory education - Introduc-
tion in Ayakkarambalam and Vedaraniyam - Tiruturaipundi
Taluk - amendment - requested -
Ref: G.O.No.1497, Edn.Ms., dated 31.7.46.

The District Board at its special meeting held on 25.6.46 approved the 31 centres suggested by the District Educational Officer for the introduction of compulsory education during 1946-47 and submitted the proposals to Government who thereupon sanctioned the proposals of the District Board and published the necessary notification (G.O.No.1497, Edn.Ms., dated 31.7.46) in the Fort Saint George Gazette dated 6.8.46. Two of these centres were described as Vedaraniyam Panchayat area and Ayakkarambalam revenue village.

The Deputy Inspector of Schools, Tiruturaipundi range pointed out that by the above notification compulsion was to be introduced in the entire panchayat area of Vedaraniyam and Ayakkarambalam revenue village including all the four sethies of this village though the educational authorities had suggested the introduction of compulsion to Vedaraniyam town and Ayakkarambalam III Sethi only.

From the previous and subsequent correspondence between the Education Department and the District Board, it was seen that the Education Department had suggested only Vedaraniyam town and Ayakkarambalam III sethi and that the description of these two centres as Vedaraniyam Panchayat area and Ayakkarambalam revenue village should be got modified as otherwise the number of pupils to be brought under instruction for the whole district would considerably exceed the number permissible every year under the scheme of compulsory elementary education introduced by Government besides rendering compulsion extremely unwieldy and difficult in these two areas.

The matter was therefore placed before the board which in its resolution No.118 dated 15.3.47 sanctioned the substitution of Vedaraniyam town and Ayakkarambalam Revenue village. A copy of the resolution is enclosed together with a copy of endorsement RC.No.743/46 dated 11.1.47 of the District Educational Officer, Tanjore, forwarding the report of the Deputy Inspector of Schools, Tiruturaipundi.

I therefore request that Government may be pleased to approve of the resolution of the District Board and modify their original notification so far as these two centres are concerned.

Copy of communication RC.No.85. GL/46 dated 18.12.46 from the Deputy Inspector of Schools, Tiruturaipundi

Ref: Your RC.No.743/46 dated 27.11.46 on reference RC.No.24874/45 dated 31.10.46 of the President, Dt.Bd.Tanjore regarding insistence on the introduction of compulsion in Ayakkarambalam sours and Vedaraniyam Panchayat Board area -

While submitting particulars in reply to the orders of the District Educational Officer in regard to the introduction of compulsion during the year 1946 with reference to the allotted number for Tanjore District viz., 9800 and with reference to the supply of midday meals limiting the number to 3200 it was not possible to agree to the resolution of the District Board suggesting compulsion for the whole of Vedaraniyam Panchayat Board area and Ayakkarambalam 4 sours. With a view to keeping to the maximum figures above stipulated, it was recommended that compulsion may be restricted to Ayakkarambalam III sours where there is a Board Higher Elementary School and to Vedaraniyam town area where there are one Board Higher Elementary Boys and Board Girls and one aided elementary school.

2. The first, second and fourth sours of Ayakkarambalam have no Board Schools nor the aided schools in the locality would be able to cater to the educational needs of all children if compulsion is introduced. Vedaraniyam Panchayat Board is 14 square miles in area. These two areas by themselves would take away at least 1/5 of the total allotted for the District under compulsory education and at least one half of the total number under midday meals. Hence the introduction of compulsion in the areas newly suggested by the District Board contrary to its original letter RC.No.24874.B8.45 dated 14.10.46 is not feasible.

3. If however provision is available both under the number of children to be brought under compulsion and the number of pupils to be provided with midday meals, detailed figures for the two areas now suggested by the President, District Board will be called for and submitted as early as possible.

RC.No.743/46 dated 11.1.47.

Forwarded to the President District Board, Tanjore with reference to his RC.No.24874/45.B8 dated 31.10.46.

2. In the circumstances reported by the Deputy Inspector of Schools, Tiruturaipundi, the introduction of the scheme of compulsion will have to be restricted to Vedaraniyam town and Ayakkarambalam III sours alone. The particulars already furnished were meant only for these two specified areas though they were not specifically stated as such. Hence necessary corrections will have to be issued regarding the names of centres.

118. To sanction the substitution of Vedaraniyam Town and Ayakkarambalam III Sours for Vedaraniyam Panchayat area and Ayakkarambalam revenue village, Tiruturaipundi Taluk in the list of places to which compulsory education has been extended during 1946-47.

NOTE: Government have, in their notification in the Fort Saint George Gazette, stated that for Vedaraniyam the area of compulsion must be the Panchayat area and for Ayakkarambalam, the revenue village. The District Educational Officer, Tanjore states that the Vedaraniyam Panchayat Board is 14 square miles in area and Ayakkarambalam Revenue village comprises in fact four separate sours and that the proposal of the Education Department was only to include Vedaraniyam Town and Ayakkarambalam III Sours and therefore requests that steps might be taken for getting the notification of Government amended suitably.

Resolution: Sanctioned.

ENDORSEMENT R.O.C. No. 952 B.1/47 dated the 25th August 1947.

SUB:- Elementary Education = Compulsory = District
Board, Tanjore = Introduction in Vedaraniyam
and Ayyakarambalam III Sethi:

Government Endorsement No. 29027 B.2.1 dated
21st April 1947.

RESUBMITTED.

The Inspecting Officers at the first instance have suggested to the District Board, Tanjore, the introduction of compulsory elementary education to Vedaraniyam Town and Ayyakarambalam III Sethi only. The Special Officer, District Board, Tanjore, has also concurred with this statement. But while submitting the statement of particulars, the District Educational Officer, Tanjore, has simply stated under the names of centres as Vedaraniyam and Ayyakarambalam and described them as being a Panchayat area and a revenue village respectively. A list of the centres alone was furnished in the resolution of the District Board agreeing to the introduction of compulsion and the area to be confined in respect of each of the centres in regard to the enforcement of compulsion was not stated. The District Board and the District Educational Officer having originally consulted with each other in the matter of selection of centres and in view of paragraph 3 of the Special Officer's letter RC. No. B.8. 24874/DB/45 dated 11th April 1947, it is necessary to make the modification proposed in the resolution of the District Board annexed to the letter of the Special Officer, District Board referred to above. The following modification to G.O. No. 1497, Education, MS., dated the 31st July 1946 is therefore proposed for the acceptance of Government.

In the Notification I in Appendix to G.O.No.MS. 1497, Education, dated 31st July 1946, among the names of centres in the schedule,

FOR "Vedaraniyam ... Panchayat area"

READ: "Vedaraniyam Town"; and

FOR: "Ayyakarambalam ... Revenue Village"

READ: "Ayyakarambalam III Sethi".
