The grant of Rs. 20,190/- provided for in the current year's Budget Estimate for the above scheme has already been sanctioned for payment. The above scheme has been completed and necessary vouchers have also been received. The Government Solicitor has also declared the management's title to the property to be in order. Hence the management is eligible for the balance of grant of Rs.20,000/- the total cost of the scheme as originally approved being Rs.80,380/-. The anticipated amount of savings in the current year's allotment is only Rs.18,600/- in round figures.

2. I request that Government may be pleased to permit me to utilise the above savings of Rs.18,600/- for payment to the above scheme. I have made necessary provision for this scheme in the final Revised Estimate for 47-48 under the Budget Head "37 (g) Education - Direct grants to non-Government Secondary schools. A. General - A.3. Buildings - Voted".

3. The balance of grant of Rs.20,000/- in respect of this scheme was proposed for inclusion in the Budget Estimate of 48-49. If the savings of Rs.18,600/- is paid during the current year, only a grant of Rs.1,400/- has to be provided for in the Budget Estimate of 48-49 in respect of this scheme.

I request early orders so that the amount may be paid before the close of the Financial Year.
