No. Tdr. 49-50, dated 2nd December 1948.

Sir,
Sub: Government Press, Madras - supply of stores etc. -
Invitation of tenders 1949-50 suspension - orders
requested.

I have to invite a reference to G.O.No.Ms. 51 Edn., dated 8th January 1948 in which my proposal for dispensing with the usual procedure of getting supplies of store articles on annual tender system with the execution of agreements during 1948-49 was approved. The rates of various articles are still fluctuating and the situation has not yet improved. Most of the articles, which are of recurring nature for the working of the Press are not easily procurable in the market to effect purchases immediately.

2. Under the above circumstances, I request that orders may please be issued to continue the purchase of articles at the existing market rates as and when required and for suspending the usual procedure of getting supplies on tender system for the ensuing official year 1949-50. In accordance with the present practice, notices inviting tenders will, however, be issued to the

available

available concerns in respect of purchase of large items of store articles once in three months during 1949-50 also, and the successful tenderer will be asked to furnish the security deposit for the faithful performance of the supply of articles accepted.
