3. I invite the attention of Government to G.O.No.1798 Edn., dated 17-9-1946 and to the copy of letter No.183/46-47 dated 8-9-1947 from the Headmaster, St. Joseph's College High School, Trichinopoly herewith enclosed. The English medium section consists of 43 pupils. Of the 43 pupils, the mothertongue of 24 of them is Tamil and that of the remaining 19 non-tamil. In my Proceedings Re.No.626 E/47 dated 27-10-1947, I instructed the District Educational Officer to inform the Headmaster of the school that no new English medium section should be opened without the prior approval of the Director, and that no pupil who had Tamil medium in Forms I to III should be admitted into the English medium section. In view of the fact that all the 43 pupils had English medium in Form IV from the beginning of the school year, I recommend that as a special case, the school may be permitted to English medium continue in one section of Form IV during 1947-48.

I
Copy of the Correspondent's letter dated 26th September 1947 of Shri A.G. Jain High School, Sowcarpet, Madras.

Adverting to your Proceedings R.O.C.No.626/E/47 dated 17-7-47, I have to state that it has not been possible to introduce Hindi as the medium of instruction for non-language subjects in one of the sections of IV Form which consists of North Indian pupils, for the reason that in spite of our best efforts, we have not been able to secure the services of a teacher qualified to teach Mathematics and Science through the medium of Hindi. One of the members of the staff is qualified to handle History and Geography through the medium of Hindi. But as we have not been able to secure a qualified teacher for teaching Science and Mathematics through the medium of Hindi, we are obliged to revert to the English medium which contingency was already anticipated by me and represented to you in my letter Ref: No.801 dated 5-9-47. I, therefore, request that you will be pleased to accord permission for teaching non-language subjects in one section of IV Form consisting of North Indian pupils through the medium of English.

II
Copy of letter No.183/46-47 dated 8-9-1947 of the Headmaster, St. Joseph's College High School, Trichinopoly.

I have the honour to submit herewith the statement of particulars called for in your proceedings cited above for favour of your information.

In this connection I beg to add that a good number of boys, whose mother-tongue is Tamil, are receiving instruction in English medium merely to satisfy, to a great extent, the importunities of parents who insist on having their children educated through the English medium.

The rest of the boys are attending the English section for the following two main reasons i.e.,

- (1) For the sake of children of Govt. officials who are shifted from one language area to the other.
- (2) For the sake of boys whose mother-tongue is not Tamil.

Copy of Roc.No.183/46-47 dated 20th November 1947 of the Headmaster, St. Joseph's High School, Trichinopoly.
