Government approved the proposal of the Surgeon-General that
the Barnard Institute of Radiology be treated as a separate
unit of indent and supply in respect of forms and stationery,
but the above orders ceased to be in force consequent on the
abolition of the post of "Director, Barnard Institute of
Radiology" in G.O. No. Ms.4047 P.H.(confidential) dated 2.9.47
and the requirements of forms and stationery for the Insti-
tute were hitherto being included in the respective indents
of the Superintendent, Government General Hospital, Madras.

Radiology Madras" has since been restored in G.O. No.Ms.
2453 P.H. dated 14-7-47 in connexion with the re-organiza-
tion of the Institute, it is requested that the Government
will be pleased to sanction the recognition of the Institute
