REV/SF-6.

Government of Madras.
PUBLIC WORKS DEPARTMENT.

Letter No. 3951 P/46-13

Fort St. George, Madras.
Dated 23rd June 1948.

From
T.A. Varghese, Esq., I.C.S.,
Secretary to Government.

To
The Secretary to the Government of India,
Ministry of Information and Broadcasting,
New Delhi.

Sir,
Sub: BROADCASTING OF HIGH PRIORITY.
Ref:-Mr. Hussain's letter No. 25 (3) 48-81 dated 10-2-48.

I am directed to invite attention to the letter read above and to state that this Government will be glad to render necessary assistance and co-operation, particularly with regard to acquisition of suitable sites and provision of power supply for the early implementation of the Government of India's Eight Year Plan for the development of broadcasting facilities in this Province. This Government have already placed the building at Vijayawada used as the residence of the Executive Engineer, Kistna Central Division P.W.D. at the disposal of the A.I.R. authorities for accommodating the proposed broadcasting station at Vijayawada temporarily for a period of two years from 1st June 1948, or till permanent arrangements are made for locating the station, whichever is earlier.

Regarding installation of a transmitter station at Vijayawada, I am to request that as suggested in para 5 of this Department letter No. 3951 P/46-9, dated 16-10-1947 instructions may be issued to include Telugu News bulletins in the Madras Medium Wave Service.

2. As regards the plans of this Government for extending receiving facilities in this Province, I am to state that there is a separate Provincial Broadcasting Department with one Radio Engineer, five Assistant Radio Engineers and 56 Radio Supervisors and the Department has installed and is maintaining over 100 community receivers. This is in accordance with the provision of the Provincial Council in the Government of Madras Act of 1947. In regard to the future policy, the aim of this Government is to increase community radio sets in bigger Panchayat Boards, in all big revenue Panchayat Boards for self-sufficiency schemes, and in all secondary schools, colleges and hospitals attached thereto. This Government have also under consideration a scheme of Audio Visual Education for Mass Uplift purposes.

3. In order to increase immediately the listening facilities this Government have sanctioned the purchase of 500 PHILIPS battery radio sets and are negotiating for a similar number of mains operated sets for installation in selected villages in this Province. Besides, it is also proposed to assemble 20 sets in the laboratories of the Radio Engineer as an experimental measure, and if this proves successful, the scheme for the large-scale assembling of sets is definitely will be carried through.

The Government Schools in this Province do not at present get much benefit out of the programme from the existing broadcasting station at Madras as they have to purchase costly sets to pick up the weak signals, which are not of high quality.

I think the draft answer suggested is wrong. This has passed the stage of consideration and we have evolved the scheme for Adult Education. The answer may be:
The Government have evolved a scheme for Adult Education which will consist of the following items:

(The six items in the Adult Education programme may be mentioned in the draft answer).

The draft answer on these lines may be put up.

The 500 phillips ^{radio} sets purchased in pursuance of the large scale installation of radio sets in the province have not arrived yet in the province. The Co has been asked to send the goods by sea. The scheme subd by the Provincial Broadcasting dept is still under consideration and orders have not been issued yet. This dept. have also addressed G. G. to take early steps to install the high power transmitters at Madras and Trichynopoly so that Vcdex in 11-20 (A) schools, especially elementary schools, which have now to purchase costly sets to pick up the weak wave lengths, may be in a position to receive the programme with normal radio sets.

Abstract
C.A.O.

Adult education through rural broadcasting.

* 202 Q.—BEGUM SULTAN MIR AMIRUDDIN: Will the Hon. the Minister for Education be pleased to state what steps the Government are taking to promote adult education through rural broadcasting?

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—
“The matter is under consideration.”

BEGUM SULTAN MIR AMIRUDDIN:—“Since this is an urgent matter, may I know if the Hon. Minister would inform the House as to the approximate date by which he would be able to supply the information?”

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—
“I do not think that this is a very urgent matter but still the matter is under consideration.”

BEGUM SULTAN MIR AMIRUDDIN:—“In view of the fact that we are going to have adult franchise soon, does not the Hon. Minister consider the question of adult education to be urgent?”

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—
“Adult education work is being done through radios and the question is how to improve them and that is engaging the attention of the Government.”

BEGUM SULTAN MIR AMIRUDDIN:—“May I know the number of radio sets that have been supplied to the villages?”

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—
“I suggest that a separate question might be put.”
