From A. Lepper Esq., Superintendent, Government Press, Madras. To The Secretary to Government, Education and Public Health Department, Fort St. George, Madras.

Sir, Sub: Pudukottah State Press - Taking over by the Madras Government.

With reference to G.O.No.Ms. 2736 Bin., dated 3rd November I have to state that I am taking over the administration of Pudukottah State Press under my direct supervision from 1-12-1948. In this connection, I will be deputing my Personal Assistant Sri G. Muthaiya Pillai and the Chief Computer for about 7 days from 29-11-1948 to give instructions regarding Office procedure account etc., to bring the working of the Press on similar lines with the Government Press, Madras and request sanction may please be accorded for same.

2. The date on which the taking over of the District Gazette and other forms from this office will be decided only when the Pudukottah Branch Press is actually taken over by me.

3. The Foreman sanctioned in the above G.O. on Rs 125-175 will function at Pudukottah from 1-12-1948 and the Computer on Rs 45-85 will, however have to work in this office only for valuing the work connected with the Pudukottah Branch Press as none of the Computers here on Rs 45-85 are willing to go over to Pudukottah on a scale which is not attractive to them unless some special pay is sanctioned by Government.

From A. Lepper Esq., Superintendent, Government Press, Madras. To The Secretary to Government, Education and Public Health Department, Fort St. George, Madras. No. 81-Mis., dated 17th November 1948.

Sir, Sub: Pudukottah State Press - Taking over by the Madras Government.

With reference to Government Memorandum No. 79963-F1/48 Edn., dated 9th November 1948 I have to state that the printing machines, types and quantity of paper available in the Pudukottah State Press is enclosed.

The value of machines, types etc., is estimated at Rs 1,03,314/- as reported by the Collector of Tiruchirapalli excluding the cost of paper. This amount and the articles are to be verified with reference to stock register maintained in the Pudukottah Press. Apart from these articles, there are Office furniture and also furniture in Printing, Binding and other sections. After actual verification of these Plant, Furniture, Paper etc., the values of same should be assessed and brought into new account to be opened on 1st December 1948 in relation to actuals, any excess or deficiencies as the case may be will be reported to Government for orders.

For this work, I intend deputing a Gazetted Officer with one subordinate only to complete the stock-taking for a period not exceeding 14 days. As the foreman appointed in G.O.No.2736 E dated 3-11-1948 will be there from 25-11-1948, he will also assist in the stock-taking job. Hence as already stated in my letter No. 81/Mis., dated 26th October 1948 one subordinate Officer to assist the Gazetted Officer is now considered sufficient.

No. 81/Mis., dated 18th November 1948.

Sir,
Sub: Pudukottah State Press - Taking over by the Madras Government.

With reference to G.O.No.Ms. 2736 Edn., dated 3rd November 1948, I have to state that I am posting one of the Senior Foreman in the scale of Rs 90-150 as Officer in Charge of Pudukottah Branch Press to report himself for duty to the Special Deputy Collector on the 25th November 1948, as I now consider he should be there sufficiently in advance for getting himself acquainted for a few days before taking charge on 1-12-1948. I request Government to modify the above sanction as two posts one designated as Officer in Charge of Pudukottah Branch Press on the scale of Rs 125-5-170 and another Computer on Rs 45-85 as having been created with effect from the date of relief.
