Letter: R.C.No.2548-B.1/48.

Madras, Dated 14th December 1948.

From

The Director of Public Instruction,
Madras.

To

The Secretary to Government,
Education and Public Health Department.

94729

Sir,

Subject: Schools - Secondary - Introduction of
bifurcated courses - Engineering Course -
Equipment - Anvil - Purchase of

--- vide item (15)
under Blacksmith Unit. (F)/30

As per the syllabus for the Engineering Course under
the bifurcated courses of studies each school which has intro-
duced this course has to provide two anvils (1½ cwt.) for the
teaching in the Blacksmith Section and the cost of the two
anvils is noted as Rs.280-0-0. The cost of each anvil comes
to Rs.140-0-0.

With reference to the quotations furnished by the
Mysore Iron and Steel Works, Bhadravathi, the cost of anvil
is considerably cheap. A copy of the quotation is enclosed.
As per this quotation the cost of anvil of 1½ Cwt. is at the
following rates.

1 to 2	...	Rs. 89 0 0
3 to 9	...	Rs. 79 15 0
10 and above		Rs. 74 12 0

Though 1½ Cwt. anvil is prescribed in the syllabus yet
1½ c.w.t. anvil also is quite suitable.

From the quotations of the firm it may be observed
that if 10 and more of the anvils are purchased at a time the
cost of each anvil is only Rs.74-12-0 which is about half the
cost as per the rate in the syllabus.

If consolidated order for the supply of anvils are
placed with the above firm some savings may also be effected
from the amount of Government grant payable to the non-Government
schools.

I therefore request that Government may be pleased to
permit the Technical Education Officer to place consolidated
order with the above firm for the supply of anvils for all
the high schools which have introduced Engineering course during
the current year.

Yours faithfully,

for Director of Public Instruction.

C.No.94729-B1/48.

SCHOOLS - Secondary - Introduction of bifurcated courses - Purchase of 'Anvils' for schools which have introduced the Engineering Course - Sanctioned.

From the Director of Public Instruction, R.O.No.2548-B1/48 dated the 14th December 1948.

ORDER MS.NO 3311 EDUCATION, dated 28-12-1948.

In the circumstances stated, the Government permit the Technical Education Officer to place a consolidated order with the Mysore Iron and Steel Works, Bhadravathi, for the supply of anvils required for the high schools which have introduced the Engineering Course in the current school year under the scheme of diversified courses.

2. The expenditure should be met from the provision made in the current year's budget, for the purchase of equipment required for the introduction of the bifurcated courses during that year. The cost of the anvils to be supplied to the schools under the managements of local bodies and private agencies should be adjusted towards the amount of equipment grant payable to them according to G.O.No.1395 Education, dated the 29th May 1948.

To The D.P.I.
The AG through Finance.

NOTE:- Please see the letter from the D.P.I. on pages 1-2 e.f. The total number of schools which have introduced the Engineering course during the current school year is 11 (one school under Government management, two under local bodies and eight under private agencies) and the total number of anvils required for all of them is 22. The cost according P.H.O.

-2-
Bor

to the lowest quotation of the Mysore Iron and Steel Works, Bhadravathi, works out to Rs.1645/-. In the circumstances stated by the Director in the c.f., his proposal to permit the Tech. Edn. Officer to place a consolidated order for the supply of the anvil for all the high schools which have introduced the course with the firm may be ^{approved.} permitted. Necessary provision for the purchase of equipment required for the bifurcated courses has been made in the current year's budget. The expenditure in respect of all schools except the school under Government management may be adjusted towards the amount of equipment grant payable to them under G.O.No 1395 Edn. dated 29-5-48. The cost in respect of the ^{one} Govt. School will have to be met by Government.

2. The draft order on page 1 ante is for approval. The file may be sent to Finance U.O. for acceptance of the order.
