[Despatch Abstract.]

Basic Education-Employment of Basic Trained Teachers under District Boards and Municipalities-Maintenance of separate seniority lists-Ordered.

From

The Director of Public Instruction,

To

The Secretary to the Government of Madras,
Education and Public Health Department,
Fort St. George, Madras.

R.C.No.623-M/48 dated 27th November 1948.

SIR,

Basic Education--Employment of Basic Trained teachers under District Boards and Municipalities--Maintenance of separate seniority lists--proposals--Submitting the.

(M) I have the honour to state that as per the instructions issued in G.O.No.838-Education dated 10.5.40 local bodies have to maintain one seniority list in respect of men and women teachers employed in elementary schools under their control. Now the policy of Government is to convert all elementary schools into basic schools. Basic Schools are to be staffed by Basic Trained teachers. It has been brought to my notice that some local bodies find it difficult to appoint Basic Trained teachers in basic schools under their control overlooking the claims of the probationers and the approved probationers in the waiting list. But once a Basic school is started the additional staff required can be provided only by appointing Basic Trained teachers and not any teacher on the list. Therefore it appears that for some time to come it is necessary to have two separate seniority lists, one for teachers employed in ordinary elementary schools and another for those qualified for employment in basic schools. Unless this is done it may not be possible to have all the basic schools staffed by basic trained teachers as and when they become available. Hence I request that instructions may be issued to all local bodies and municipalities to maintain two separate lists, one for ordinary elementary schools and the other for basic schools. This practice may be in vogue for a period of five years.

Yours faithfully,

S. S. Paulamalai

Sir,

Sub: BASIC EDUCATION - Maintenance of separate seniority list of teachers trained in Basic Education - Clarification.

P3 (Q)

In G.O.No. Ms 3318 Education, dated 28-12-1948, it has been ordered that special officers of District Boards and Commissioners of Municipalities should maintain two seniority lists for a period of five years in the first instance - one of teachers who have undergone ordinary training for appointment in ordinary elementary schools and another of teachers trained in Basic Education for appointment in Basic Schools.

2. A question has now been raised by the President, District Board, North Arcot, whether the teachers who under-went retraining should also be included in the seniority list of regular Basic trained teachers. I consider that the names of these teachers who underwent training in Basic Education should also be included in the list of Basic Trained Teachers in as much as these retrained teachers are also eligible for appointment in Basic schools just like those who underwent training in Basic Training Schools for a period of two years.

3. I request that Government may kindly issue necessary instructions to the local bodies to consider teachers retrained in Basic Education as Basic Trained teachers for the purposes of the above Government Order.

Yours faithfully,

R.V. Rudhappan
