The Manager, Sri Saraswathi High School, Konapet,
The Special Officer for Education, Pudukkottai and
The Director of Public Instruction, Madras.

Honoured Sir,

The humble appeal petition of G.S. Narayanaswami Naidu, Assistant, Sri Saraswathi High School, Konapet respectfully sheweth :-

(1) That he underwent collegiate training in the Teachers' College, Saidapet as a non-stipendiary student,

(2) That immediately after training, he tried for appointment as a teacher but the Kalyanasundaram High School, Tanjore wherefrom he was sent up for training with a definite guarantee of permanent appointment pleaded 'no vacancy',

(3) That he tried his best to get a job as a teacher in any of the institutions of his native district of Tanjore but could not succeed in getting a decent job,

(4) That therefore he was necessitated to take up subsequently a teacher's post in the Sri Saraswathi High School, Konapet ^{adjacent} ~~adjacent~~ to his native district of Tanjore on 3rd November 1944,

(5) That since the date of entertainment he has been ~~and is~~ serving as a teacher uninterruptedly in the same institution,

(6) That he was directed by the Principal of the Teachers' College, Saidapet in his Memo R.C.N. 160 H.R/44 dated 22-4-48 to pay a sum of Rs 160/- being the tuition fee to be recovered from him for the period of training on the ground that the petitioner

did not serve as a teacher within the jurisdiction of the Madras Educational Department as per terms of the agreement executed by him while under training,

(7) that a petition dated 5-5-48 enumerating the grounds for kindly waiving the claim for Rs 160/- and submitted to the Principal, Teachers' College, Saidapet through the Director of Public Instruction, Pudukkottai has been of no avail and that the Principal of the Teachers' College, Saidapet in his letters dated 7-6-48 and 19-7-48 to the Director of Public Instruction, Pudukkottai has again directed the petitioner to remit the amount,

(8) that without violating the terms of the agreement, he has already served for over three years training up pupils for the Madras S.S.L.C. in an educational institution recognised by the Director of Public Instruction, Madras and authorised to send up pupils for the S.S.L.C. Public Examination held by the Madras Government,

(9) that though Konafet was till recently in the jurisdiction of Pudukkottai, the institution has been running as per rules prescribed by the Madras Government and has been recognised as a full-blown secondary school by the Director of Public Instruction, Madras on the recommendation of the Director of Public Instruction, Pudukkottai.

(10) that the state of Pudukkottai was under the control of the Government of Madras until it became merged in the Indian Union on the 3rd March 1948 and that therefore Pudukkottai could not be considered as having been out of the jurisdiction of the Government of Madras even at that time,

(11) that even if his service in the institution situated in the then Pudukkottai state be not considered as service in any of the institutions under the Madras Government on technical grounds, the fact of his continuing to serve in the institution even after the merger be kindly taken into consideration and the exemption from payment of tuition fees to students undergoing training in the Teachers' College, Saidapet from the limits of Pudukkottai consequent on its merger in the Indian Union be also granted to him.

In fairness, the petitioner humbly prays that the grounds cited above be kindly taken into consideration and the claim made by the Principal of the Teachers' College, Saidapet for a refund of Rs 160/- towards the tuition fee leviable from him for the period of his training be kindly waived.

The petitioner also begs to assure the Government that he has decided to take to the teaching profession as his career in life and in case his service in the Sri Saraswathi High School, Konafet from 3-11-1944 could not be reckoned as service within the jurisdiction of the Madras Educational Department, he will continue to serve as a teacher in the institution at Konafet (Pudukkottai) merged in the Indian Union as long as it may be considered necessary towards the fulfilment of the contract executed by him while under training.

In conclusion, the poor teacher serving without Dearness Allowance in an institution under private management humbly craves you, Sir to very kindly permit his humble prayer benefitting him as a subject of the Independent India of the Gandhian Era for which act of beneficence, he and his poor family are in duty bound to be ever grateful to you.

In humility and servitude,

Your Honour's faithful petitioner,

G. S. Narayanaswami.

Rec. 2622 E3/48 dated 18.11.1948.

88145 resubmitted.

2. The reasons given in the petition for exemption are not
governed by any of the provisions in the Madras Educational Rules.
However, as the teacher has stated in his petition that he has
decided to take to the teaching profession as his career and as
he is still serving in the above school the Government may, by a
relaxation of rule 125 of the M.E.R., as a very special case, sanction
the postponement of the fulfilment of the conditions of the agreement
by a period equal to three years from the date of the merger of the
Pudukottah state when the state schools come under the jurisdiction
of the Madras Educational Department and thus enable the petitioner
to fulfil the terms of the bond executed by him.
