Enclosures: No. Rop. 823K2/48 dated 10/12/48 194

Sir,

Sub:--Rajah's College--Pudukottah--Admission
 of a third batch of students in Physics and
 Chemistry for the Intermediate--Expenditure
 on apparatus and materials.

Ref:--Go.No.1605 Education dated 22-6-48.

In the above order, Government sanctioned an expenditure of Rs.6,100/- towards certain improvements and alterations to the physics and Chemistry laboratories, and also the employment of two Demonstrators for the period of one year. The necessity for the above expenditure was due to the admission of a third batch of students in physics and Chemistry for the Intermediate in the current year. In paragraph 7 of the letter of the Principal Rc.No.A.142 of 48 dated 10-5-48, a copy of which was submitted in my letter Rc.823K2/48 dated 4-6-48, he requested sanction for a non-recurring expenditure of Rs.2,600/- (Rs.1,600/- for Chemistry and Rs.1000/- for Physics) on the purchase of apparatus and materials for the two laboratories. He has since explained to me that it will not be possible to meet this expenditure from the normal provision made for the laboratories and that a sum of Rs.2,600/- will also be required in 49-50 when senior Intermediate class will have three batches.

2. In my letter Rop.No.4A1/48-49 dated 22/10/48 submitting the Revised Estimate for 1948-49 and Budget Estimate for 1949-50 provision has been made for the expenditure referred to in paragraph 1 above and I request that Government may kindly authorise the Principal to incur the expenditure.

Yours faithfully,

For Director of Public Instruction
