RC. No. 7644-K2/46.

Office of the Director of
Public Instruction, M a d r a s.
Dated 7th December 1948.

From

The Director of Public Instruction,
Madras.

To

The Secretary to Government,
Education & Public Health Department,
Fort St. George, M a d r a s.

Sir,

Sub: COLLEGES - Arthur Hope College of Technology,
Coimbatore - Employment of an additional
Laboratory Assistant for Electrical Engineering
Department.

@@

The Principal, Arthur Hope College of Technology, Coimbatore, requests sanction for the employment of a Junior Instructor in Electrical Engineering in the College during the current year. There are at present one Professor, One Instructor and two Laboratory Assistants for the Electrical Engineering Department of the College. It is reported that unlike in the Engineering College, Guindy, where the electrical equipment and the wiring of installation in the laboratory are permanently fixed and where the maintenance of the electrical installation in the whole college is in charge of a separate department, in the Arthur Hope College of Technology, which is located in temporary premises, the equipment and wiring are all temporarily installed and are, therefore, liable to accidents. The Principal states that the students cannot be entrusted with the working of the costly machinery without constant attendance of Instructors and Laboratory Assistants and that the existing staff is not adequate for the department. In the Engineering College, Guindy, there is a staff of 1 Professor, 1 Instructor, 1 Junior Instructor and 3 Laboratory Assistants for the Electrical Engineering Department. In view of the inadequacy of staff for the electrical engineering department in the Arthur Hope College of Technology, Coimbatore pointed out by the Principal, I recommend the employment of an additional laboratory Assistant for the Department during the current year. I do not consider that there is a need for a Junior Instructor in Electrical Engineering in the college at present.

Yours faithfully,

A. M. S.

for Director of Public Instruction.
