SUB:- Extension of Study leave from 17.11.47 to
5.12.47 - Sri. S. Srinivasan.

REF:- Your Telephone Message dated 16.4.48.

I recommend the sanction of extension of study leave
on the following grounds:-

The extension of leave was recommended in the Director's
letter Re. No.5241-C.1/46 dated 19.9.47 two months before the
expiry of the study leave originally sanctioned. The Government
of Madras in their letter No.2300 Education dated 30.10.47 to
the Indian Embassy, Washington, directed that Sri. S. Srinivasan
need not return through the United Kingdom. This letter reached
Washington only after the student left that country for Great
Britain viz., 7.11.47. Moreover, the extension of study leave
is only for 19 days. If, however, it is ordered that the
incumbent should be granted only leave that he is eligible for,
the eligibility certificate will be obtained and submitted.

Sri S. Srinivasan - Extension of study leave.

Pages 1-4 N.F. of "M" may be perused.

W.r.t. the orders on p.4 there, the authorities at Washington were informed that Messrs. A. Srinivasan and S. Srinivasan, officers of the Engg. College, who were sent by this Govt. to U.S.A. for advanced studies and were granted study leave for two years ending 17-11-47, need not visit ^{electrical} works, etc. in England on their way back to India via. U.K., and that they shd. be asked to return to India on completion of their studies in the States.

Sri S. Srinivasan left New York on via: U.K. 29-9-47 and reached Bombay on 5-12-47. How he spent the period intervening these two ^{dates} days, has been indicated in his letter copy at p.3 C.F. He stayed in England from 8-10-47 to 7-11-47, ^{He visited some electrical works, there.} Evidently the orders at "M"/21-2 and 25 (letter d/- 30-10-47 and cable dated 13-11-47) had not reached the authorities in England in time. The period from 17-11-47 to 5-12-47 (18 days) ^{as proposed as recommended by the D.P.I.} has now to be treated as an extension of study leave, ^{the} ~~period from 5-12-47 to~~ This dept. may recommend that relaxing rule 2 of the rules in the Annexure to F.R.84, ^{the extn. of the leave} that may be done. ^{granted.}

(Action about Sri A. Srinivasan will be taken separately when Dir. moves in his case).

Fin. may see for remarks before circling.

Instead of relaxing the provisions of rule 2 of the Study Leave rules in favour of the officer, this dept. may suggest the grant

grant of regular leave for the period from 17-11-47 to 5-12-47. This would be the appropriate course to adopt having regard to the fact that the Govt.'s prior permission for the extension of study leave was not obtained by the officer before he visited the electrical factories & institutions in the United Kingdom. Please see also in this connection H.M. (Fin.)'s minute on p. 4 n.f. of letter^{No.} 2300 E.P.H. & 30-10-47.
