R.O. No. 10/48-2 dated 7th July 1948.

Sir,

Sub: Madras Edl. Service - Lecturers in Economics -
Question of treating persons with M.A. or
Honours degrees in History-Main and Economics-
Subsidiary as eligible for promotion to
Economics Unit.

Ref: Paragraph 2(1) of Govt. Endt. No. 9691 A.4 dated
6th March 1948.

51829

In connection with the selection of candidates for appointment by transfer to the Economics Unit of the Madras Educational Service, the Public Service Commission was informed in my letter (R.O. No. 10/48 dated 16th April 1948) that all those Assistant Professors and Assistant Lecturers who took their B.A. (Honours) or M.A. degree with History (Main and Economics (Subsidiary) prior to 1930, were considered competent to be Lecturers in Economics. Accordingly, the Commission was furnished with the names of Assistant Professors and Assistant Lecturers who were eligible for promotion to the Economics Unit of the Madras Educational Service. But the Commission points out that according to the Special Rules, for recruitment to the posts of Lecturers, the M.A. or Honours degree prescribed should have been obtained in the subject in respect of which recruitment is made (i.e., Economics-Main in this case). However, the Commission appears to have no objection to Assistant Professors and Assistant Lecturers with Honours or M.A. degree in History (Main) and Economics (Subsidiary) being considered for recruitment to the Economics Unit provided the Special Rules for the Madras Educational Service are appropriately amended.

2. In this connection I invite the attention of Government to the Director's (Dr. S.R.U. Savor's) letter Cl. No. 33 C.1/47-2 dated 16th Sept. 1947 and to request that the Government may be pleased to amend the Special Rules for the Madras Educational Service so as to make Assistant Professors and Assistant Lecturers in service who have obtained their M.A. or Honours degree with History (Main and Economics (Subsidiary) prior to 1930, eligible for recruitment by transfer to the Economics Unit also, of the Madras Educational Service.

3. I may also add that at the instance of the Commission, orders of Government have been sought on an analogous case in the Madras Educational Subordinate Service - vide my letter R.O. No. 4514 C4/47 dated 28-1-48/7-2-1948.

Yours faithfully,

It is presumed that the "degrees of M.A. & Hon. in History (main) & Economics (sub.) awarded prior to 1930" refer only to the degrees of the University of Madras - and not to those of either of the other two Universities in the Province also. Please confirm.

But preference must be given to Economics main.

Tsq

28-11-48

If a provision on the lines of H.M.'s minutes is made, the purpose to achieve which the D.P.I. has put up the proposal to amend the rules will not be achieved. There are a few ^{senior} men yet in the dept. who obtained their M.A. (History--Main and Economics--Subsidiary) degree before 1930 ^{only from which year} when separate Hons. degree in Economics ^{came to be awarded} was instituted in the Madras Unty. and who are competent to teach Economics as well as History. It will not be just to debar them for promotion to Economics vacancies if they are not absorbed in the meantime in History posts. The D.P.I. has therefore proposed to treat

the degrees as equivalent to M.A. or Hons. in Economics obtained in or after 1930. If the latter degree is to be preferred, ^{degree in Economics (Sub). obtained before 1930,} most of the holders of the ~~former~~ will virtually be overlooked. This would create hardship. It is therefore ^{for orders whether the} ~~proposed~~ proposal of the Dir. ^{may} be approved.
