RC No. 1366/SE/48

Dated 4 October 1948.

Stationery - wall calendars - Supply to the Police Department - Requirements - Increase - Sanction - Requested.

Ref:- (i) G.O. Ms. No. 2382, Education, dated 5-11-1947 and
(ii) Memorandum No. 2693-F-1-48-2 Education, dated 5-2-1948.

The Superintendent, Government Press, Madras, supplied for the year 1948, 86 wall calendars (including the 12 referred to in the Government memorandum cited) and asked me to revise according to present condition my requirements of these in order to make correct supply from 1949 onwards. I considered that all Gazetted officers and their offices should each be supplied with a wall calendar and I therefore increased my demand to 250 and requested the Superintendent, Government Press, Madras, to supply that number for distribution as follows:-

28 District Superintendents of Police at 6 each	168*
4 Deputy Inspectors-General of Police of Ranges at 2 each.	8
Deputy Inspector-General of Police, Railways and C.I.D., Madras.	10
5 Principals of Schools at 2 each	10
7 Commandants of the Malabar Special Police, and Special Armed Police Units at 5 each.	35
The Special Officer for Special Armed Police Units.	2
Office of the Inspector-General of Police, Madras	17
Total	250 calendars

2. The Superintendent, Government Press now states that this increased demand of 250 wall calendars for supply to the Police Department from 1949 onwards is very abnormal and that it requires the sanction of the Government in the Education and Public Health Department.

3. In the circumstances I request the Government to sanction the supply of 250 wall calendars to the Police Department and to authorise the Superintendent, Government Press to supply me every year that number from 1949 on-wards.

Endt. No. 1D/48 dated 6th November 1948.

Retransmitted.

As per distribution list maintained in this office, the original supply to the Inspector General of Police, Madras for distribution to his subordinate officers was 44 Wall calendars. Again, the Government in their Memorandum No. 2693-F-1/48-2 Edn., dated 5-2-1948 have sanctioned 12 additional copies.

The 250 copies, against 56 copies now claimed is very abnormal. He may therefore be informed to reduce his indent to the absolute minimum.
