Now that the regional language has become the first language, the suggestion to obviate the difference in the amount of remuneration paid to the examiners in English and the languages of the Presidency. may be favourably considered. The existing rates of remuneration for valuing the scripts in the languages of the presidency were approved by Government and these have to be increased to be on a par with that relating to English. The matter will be considered by the Board of Secondary Education at its next meeting and comprehensive proposals will be submitted to Government separately.

Memo.No.36736/4-G.3/47 dated 31st Oct.47.

The general question of raising the rates of remuneration for valuing answer papers was considered and dropped, as the Government may not agree to sanction the additional expenditure of Rs.46,000/- involved by the proposal. Government were, however, addressed in the letter R.O.C.No.672/B/46 dated 9th October 1947 of the Commissioner for Government Examinations, Madras, to revise the rates of remuneration prescribed for setting certain question papers including the two hour paper on the languages of the presidency.

2. It is likely that these rates of remuneration for valuing answer papers will have to be examined afresh when the scheme of reorganization of Secondary Education is brought into force.

Resolution No.17:-

That equal remuneration be paid to Assistant Examiners in all languages (English, Tamil, Telugu, Etc) in the S.S.L.C. Examination.

Remarks of the D.P.I.

Resolution 17:-

The assistant examiners in English get a remuneration of about Rs.200/- whereas the assistant examiners in the language of the presidency get a remuneration of only Rs.150/- The rate of remuneration for valuing a paper in English is 10 annas whereas it is 4 annas for the 2 one hour papers and 8 annas each for the 2 hours paper in the languages of the Presidency. The assistant examiners have barely less than a month's time to value the answer papers and submit the mark lists to the Chief Examiners. Besides valuing the answer papers of the S.S.L.C. Public Examination, the School assistants or Pandits who are appointed as assistant examiners have also to attend at the same time to their class work and annual examination work. Even to ~~examine~~ earn a remuneration of Rs.150/- a language assistant examiner has to value 600 scripts if he gets either of one hour paper and 300 scripts if he gets the 2 hour papers. Alloting more than this number of scripts with a view to helping the Pandits to earn more remuneration will not be in the interest of efficient valuation and would also delay the submission of mark books to the Chief Examiners. It may be added that for some years prior to 1946, the remuneration to language assistant examiners was only about Rs.125/- but it was increased to Rs.150/- from the examination of 1946, as the disparity between the remuneration of English assistant examiners and that of assistant examiners in Tamil, Telugu, etc. was great.

Edn. and P.H. Dept.(G3).

The resolution regarding the rate of remuneration to assistant examiners in English and other languages, i.e. Tamil Telugu, etc., is reasonable and the D.P.I. may be asked to report why equal remuneration to all Assistant Examiners should not be fixed.

The Board of Secondary Education has made the following
recommendations:--

(1) that the non-official members of the question paper

day of the meeting or Rs. 30/- if the meeting is for more than
a day,

(2) that the fee for setting question papers in the ^{first nine} ~~20~~ -

(3) that the remuneration for the Chief Supdt., Asst. Supdt.
skilled Asst. Supdt., clerk and peon appointed for the conduct
of the Public Exam., may be increased as shown at 'Y' on page
2 c.f.

The C.G.E. considers that the above recommendations are
reasonable and modest and ~~he~~ strongly recommends that Govt. may
approve the same. He also recommends that the proposals may
be given effect to from the exam. of 1948.

2. The proposals are estimated to cost ^{about} Rs. 16,500/- p.a. but
the C.G.E. reports that even after meeting this addl. expendi-
ture there will be a fair surplus in the fee income for the
S.S.L.C. Public Exam. Finance have observed, in another --

under consideration. It seems therefore that the proposals in this case may well wait for some time. The C.G.E.'s recommendation also does not indicate how the proposals are really necessary and urgent. In the circumstances, it is for orders whether the C.G.E. may be informed that his proposals should be deferred for the present. Finance may see before circulation.

If any revision is considered necessary in respect of the remuneration of the S.S.D.C. Public Examiners, the following may be considered: (1) The remuneration paid to clerks may be raised from Rs 4 to Rs 1 1/2 per day. The additional cost in this proposal is estimated at Rs 1000 p.a. (2) The remuneration paid to persons may be raised from Rs 0.8 to Rs 1.2 per day. The additional cost is estimated at Rs 2250 p.a. The total additional cost in this proposal is Rs 3250 p.a. There is a surplus left over out of the fee income for the S.S.D.C. public examinations to meet an extra expenditure of Rs 16,500 recommended by him. The other proposals may be deferred for the present.

Please see the notes from p.1. above. The proposals are stated in items (1-3) on p.1. above. The extra cost on account of the proposals is estimated at Rs 16,500 p.a. recurring. The Comr. of Govt. Examinations has stated that even after meeting this additional expenditure, there

Surplus left over out of fee income by way of for the S.S.D. Examinations. He has proposed that the revised rates may be given effect to from the examination of 1948. E.P.H. support the proposals. The fact there will be a surplus of receipts over expenditure even after meeting the revised rates of remuneration cannot by itself constitute a justification for revising the rates. Besides it is not clear how the proposals are really necessary and urgent. As there seems to be no urgent necessity for these proposals, Finance may advise that they may be brought forward as a Part II Scheme for 1949-50, as such proposals are ordinarily brought forward as a Part II Scheme.

If E.P.H. wish to press their proposals, they may be requested to place the matter before the Standing Finance Committee and the Cabinet in accordance with the instructions in para 1 (ii) of Fin. No. 65500/227/46.

DS. E.P.H. (93) Please see the Finance note from page 2 ante. They suggest that since there seems to be no urgent necessity for the proposals in this case, the proposals may be brought forward as a Part II Scheme for 1949-50. It is for consideration whether their suggestion may be accepted. The case may be circulated to H.M. (Edn) for orders. If the proposal is to be sanctioned during the current year itself, it will have to be treated as a 'New Service' scheme and placed before the Standing Finance Committee and the Cabinet for approval. May go forward as a Part II Scheme for 1949-50. The D.P. may be informed accordingly. We may give him the decision in the examination of 1948 as proposed by D.P. 2 8.1.48.

Public Prosecutors and it is but necessary that this also may be increased to a reasonable extent. The proposal may be put up as a new service procedure. After all there is no loss to Govt. by this increase. The Govt. still remain to gain.

The fact that P. P. has been ^{ISA} 5.2.48
paid more can't support this case, since there is no comparison. The facts receipts are more than expenditure
it is not a valid ground to accept this.
May be considered as part 2 for 49-50.

I see from the letter of the D.P.I.

that in view of the re-organisation of secondary education, the proposals for remuneration for paper setters as well as examiners may have to be revised. In those circumstances, it may not be necessary for us to make a revision now and a further revision in the next year also. The proposals at present may be dropped and the D.P.I. may be asked to suggest revised scales of remuneration in view of the re-organisation later on.
