Madras Electric Supply Corporation Ltd. supplied some of
the staff with ~~Kl~~ki uniforms to the extent ~~fx~~ possible.
The remaining items that have to be supplied during the
current calendar year is furnished in the statement.

(3) To meet his immediate requirements, the Suptg.

In reply to the Government Memo No. 14655/48-3 dated 14-9-1948 I invite reference to my letter No. 12715 M/47-5 dated 17-7-1948 and have to state that according to the terms and conditions offered to and accepted by the Ex Madras Electric Supply Corporation personnel taken over by this department on the acquisition of the Madras Electric Supply undertaking, they are eligible for the supply of the uniforms on the scale recommended in my letter No. 12715 M/47-2 dated 31.5.1948 during the period of 1 year commencing from the date of taking over of the undertaking vide para 1 of G.O. No. 1895 PWD dated 18-6-1947. These terms have since been extended for 6 months from 29-8-1948. The supply of uniforms to the personnel taken over from the Madras Electric Supply Corporation is governed by the special terms and conditions of their provisional continuance and not by the standards applicable to the regular establishment in the other Operating systems of the Department.

(2) I may however state that it has been considered desirable to provide certain minimum staff of the operating systems with clothing and proposals have been called for from the Superintending Engineer's which are awaited. Government will be addressed in due course on receipt of these proposals.

(3) As the Madras Electricity Workers' Union have been agitating for the supply of the uniforms vide copy of their letter

dated 21-6-1948 enclosed, I request very early orders of Government sanctioning the supply of the uniforms under reference.

Re: Uniform supply to workers.

According to the agreement the Ex. M.E.S.C. workers should have been granted uniform long ago. The Chief Engineer has agreed to treat the workers as ex M.E.S. was treating. We have written several letters and our representatives met the Chief Engineer for Electricity also on this question. So far no step were taken and no reply received by us. We do not understand why the Government is delaying this simple thing.

If the Government keep silent on this question we will be forced to take any legitimate action to get this demand. We hope this will be settled as early as possible, amicably.

Thanking you.

Electricity - Madras System - Supply of uniforms to the personnel taken over from the M.E.S.C.

from the G.S.O.S., No. 12715 M/47-2 d 31-5-48.

The proposal in this file relates to the supply of uniforms to the staff taken over from the M.E.S.C.

2. The Madras Electricity System was taken over from the M.E.S.C. on 29-8-47. Almost all the Indian personnel of the M.E.S.C. have been retained in the Govt. service temporarily for a period of one year from 29-8-47 on the same terms and conditions, which have been allowed to them by the M.E.S.C. Proposals regarding the absorption of the Indian personnel in regular Govt. service after 28-8-48 are awaited from the C.E.(E). One of the terms and conditions provides for the supply of uniform to ^{some of the staff} ~~the persons~~ on the same scale allowed by the M.E.S.C. The list of persons supplied with uniforms by the M.E.S.C. previously is at p. 173-175 C.F. of G.O. No. 1895 P.W. d 28-6-47, and the list now furnished by the G.S.O.S., at p. 5 C.F. are not the same. It is presumed that the list on p. 5 C.F. has been prepared after due verification and that it may be taken to be the correct list. The S.E., Madras Elec. System, applied to the Dept. of Stationery for the supply of uniforms mentioned at A on p. 3 C.F. and the Dept. of Stationery requires the specific sanction of the Govt. in the E & P.H. Dept. for the supply of the uniforms as he considers that G.O. No. 1895 P.W. d 28-6-47 is not specific.

in the matter. The G.S.O.S., has now requested that sanction may be accorded for the supply of uniforms by the Supl. of Stationery to ex-employees of M.E.S.C. now working in the Madras Electricity System. The temporary period of sanction for the retention of the Indian personnel of the M.E.S.C. expires on 28.8.48. It is not known whether the same terms or at any rate the supply of uniforms should be continued on the same scale as was allowed by the M.E.S.C. The G.S.O.S. may perhaps be asked to state whether his proposals should not wait till the general question of retention of the Indian personnel in regular Govt. service and the terms applicable to them are settled. Notes of P.W. + E.P.H. from p.1 above and the draft order below may be passed. The following remarks are called for:-

There is only a fortnight more to reach

the contract period viz. 28-8-48. It does not seem necessary to supply the uniforms to the employees before the conditions of service of the employees under Govt. ^{after 28-8-48} are decided. It is not also clear whether persons employed in similar posts in other systems in the Electricity Dept. are supplied with similar uniforms.

P.W. may put up the original of G.O. No. 1895 P.W. 28-6-47, and examine whether the uniforms need be supplied to the employees just now with reference to the above remarks.

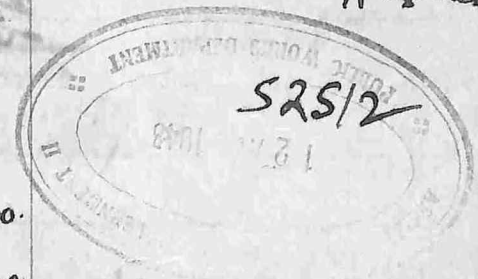

It may also be mentioned that according to the ^{recent} orders of the Govt. the uniforms supplied at Govt. cost should be of Khadi.
