Director of Public Instruction, Madras.

The Secretary to Government,
Edn & P.H. Department, MADRAS.

Sir,

Sub: Colleges - Engineering - Purchase of surplus stores
Deputation of Sri S. Anantakrishnan, Instructor in
Mechanical Engineering, College of Engineering, Guindy
to Calcutta - Sanction - Requested.

Ref: G.O.No. Ms 1806 Edn., dated 12-8-1947.

In their Order cited Government sanctioned an expenditure of Rs 372045/- on the purchase of surplus stores required for the Engineering Colleges of this Province for the selection of which Lt.Col. S.Paul, Professor of Mechanical Engineering, College of Engineering, Guindy was deputed to Calcutta in June 1947. They have also permitted Dr. Rudra during his current leave to visit Calcutta in order to arrange for the early despatch of the surplus Military Stores - Vide in this connection G.O.Ms No. 215 Edn., dated 29-1-1948. A copy of his letter dated 2-2-1948 regarding his visit to Calcutta and interview with the Regional Commissioner (Disposals) is submitted herewith.

2. Dr. Rudra has reported that most of the machine tools have been released and that early arrangements have to be made for their packing and despatch. The Regional Commissioner is reported to be arranging for a firm to undertake this work but still it is most important that one of our Officers should see to the packing and ensure that all parts of machinery are released and packed. This work is expected to last for about a month. It is very necessary to send a representative from here in order to check the various items and draw up a list of the components that are packed in crate before they are sent over to Madras. Lt.Col. Paul had stated on his return from Calcutta in June last that the Regional Commissioner was very particular that the above procedure should be adopted. If an Officer is deputed to attend to this work in Calcutta it would facilitate the subsequent erection of machinery here and also obviate any complaints that parts are missing.

3. I therefore request that Government may kindly sanction the deputation to Calcutta of Sri S. Anantakrishnan, Instructor in Mechanical Engineering, College of Engineering, Guindy for about a month to attend to the work of packing and despatch of the stores. As this matter is extremely urgent, I am instructing Sri S. Anantakrishnan in anticipation of the sanction of Government to proceed to Calcutta immediately and attend to the packing and despatch of the stores.

4. I solicit the urgent orders of Government in the matter.

For Director of Public Instruction

P.T.O.

Copy of letter dated 2-2-1948 from ~~the~~ Principals Mr. J. J. Rudin referred to. -

I discussed with Mr Pillai, Regional Commissioner(Disposals) yesterday and to-day about the release of the machinery and other equipments for which orders have been placed with D.G(D). The position now is that most of the machine tools have been released, but the telecommunication equipment is still frozen. I shall have to take steps suggested by Mr, Pillai to get this released. This I shall do on my return to Madras.

As regards machine tools we have to make arrangements to have them packed and transported as soon as possible. To do this we shall have to send one of our own officers to Calcutta for about a month to attend to the packing and despatch of the machinery. Mr. Pillai is arranging for a firm to undertake the work of packing. It is however most important that one of our own Officers should see to the packing and ensure that all parts of machinery are released and packed.

I would therefore request you to depute Mr.S.Anantkrishnan Instructor in Mechanical Engineering to Calcutta immediately to attend to the work of packing and despatch of the above machinery. This matter is extremely urgent and I would request you to depute Mr.Anantkrishnan in anticipation of the approval of the Govt.

Mr. Anantakrishnan has to report to Mr. Pillai who will give him all the necessary assistance. As a matter of fact, Mr. Pillai has already set the ball rolling.

I am leaving for Patna this evening and shall write to you again from there. I shall again see the Regional Commissioner(Disposals) on my way back from Patna.

Sri Anantakrishnan had to move from place to place in the discharge of his duties as the stores were lying at different ^{depots} ~~depots~~ in and around Calcutta. Such movements involved expenditure on conveyance charges and the officer had incurred during the period of his stay at Calcutta a sum of Rs.93/8/- on this account excluding some minor items of conveyance charges. I therefore recommend that Sri S. Anantakrishnan may be permitted to claim actual conveyance charges for the journeys performed by him in Calcutta for visiting the various depots and offices.

In this connection I invite the attention of Government to para 2 of G.O.Ms.436-Edn., dated 4.3.48 granting similar permission on behalf of Professor K. Srinivasan.
