R.CL. No. 45/47, Dated the 2nd February, 1948.

Sir,

Subject:- Madras Educational Service.- Instructors -
Civil Engineering Department - Vacancies -
Proposals for filling the -

IN their orders No.2210 Edn., dated 15th October 1947 the Government accorded sanction to the employment in the Engineering College, Anantapur at Guindy of two Instructors in the Madras Educational Service--one each for Civil Engineering and Electrical Engineering. The post of Instructor in Electrical Engineering has already been filled by Sri S. Srinivasan. The post of Civil Engineering has to be filled.

2. Consequent on the resignation of Lt. J.A. Webster the post of Instructor in Surveying and Drawing, College of Engineering, Guindy, has fallen vacant with effect from 10th January 1948--Vide G.O. Ms. No.152 Education, dated 22nd January 1948. This vacancy has to be filled.

3. In order to fill the above vacancies I addressed 6 of the Non-Muslim refugees from Pakistan, particulars about whom had been received from the Deputy Educational Adviser to the Government of India, Ministry of Education, New Delhi. Four of them have reported willingness to take up temporary appointment as Instructor in the Madras Educational Service. Of these four, one Sri Pritamdas B. Shahani is willing to accept the job provided he is given a starting salary of Rs.500/- per mensem. Another candidate, Sri A.S. Mirchandani, while being anxious to accept the temporary appointment, has re-

that he would not be able to get relief from his present post at Karachi till the end of March, 1948, owing to the operation of the Sind Government's Essential Services (Maintenance) Ordinance. Messrs. Rupchand Mansingh Advani and Jiwansingh Premsingh Moorjani, the remaining two candidates, are willing to take up the appointment as temporary ^{immediately} instructors. A copy of my confidential D.O. R.C.I. No.45/47-11, dated 20-12-1947 addressed to the candidates and a copy of the replies received from Messrs. Rupchand Mansingh Advani, Jiwansingh Premsingh Moorjani and A.S. Mirchandani, together with particulars of qualifications and experience about the three candidates are submitted herewith. From the particulars received from the Government of India I ~~consider~~ find that Messrs Rupchand Mansingh Advani and Jiwansingh Premsingh Moorjani possess B.E. degree in Civil Engineering of the Bombay University and have also practical and teaching experience in Civil Engineering subjects. I, therefore, consider them suitable for appointment to the two vacancies, as a temporary measure.

4. I have the honour, therefore, to request that the Government may be pleased to appoint RUPCHAND MANSINGH ADVANI to officiate as Instructor in Civil Engineering in the Anantapur College of Engineering at Guindy, and JIWANSINGH PREMSINGH MOORJANI to officiate as Instructor in Surveying & Drawing, College of Engineering, Guindy. The two appointments may be ordered under Rule 9(a)(1) of the General Rules for the Madras Provincial & Subordinate Services.

5. I solicit the favour of very urgent orders.

I have, the honour to be,
Sir,
Your most obedient servant,

The Director of Public Instruction,
Cathedral P.O.,
Madras.

Sir

Ref: Your letter D.O.R.Cl.No.45/47-11 of 20.12.47.

I thank you for your above mentioned letter, received yesterday, where-in you write that a post of Instructor in Civil Engineering is vacant in the Madras Educational Service. You have asked me whether I am willing to accept this post. My answer is in the affirmative and I shall, therefore, request you kindly to consider my name for appointment to the vacancy

2. Regarding your paragraph 2, I have to write as under:

Since I made my application to the Ministry of Education, Government of India, the administration of our college, which was till then conducted by a private Board, was taken over by the Government of Sind. Consequently, I became amenable to the rules and regulations pertaining to the Sind Government Service. Prior to the receipt of your letter, I have wanted to resign, but, I am sorry, I was unable to obtain a release. The authorities insist that I should continue to serve atleast upto the end of the present academic term (which is upto the middle of March, 1948). I hope you are aware of the Sind Government's Essential Services (Maintenance) Ordinance under which Government servants are not permitted to resign. So, although I am willing to take up the appointment referred to by you, I shall only be able to join you definitely after the end of March, 1948.

3. I trust you appreciate my difficulty. The situation is not one of my choosing. I once again thank you for your letter, ~~and~~ and would request that my name be considered for the proposed appointment.

I remain,
Sir,
Yours obediently,

A. S. Mirchandani

A post of Instructor in Civil Engg. was recently sanctd. for the College of Engg., Anantapur, located at Guindy. The post of Instructor in Surveying and Drawing in the Guindy Engg. College itself fell vacant last month. These posts have to be filled. For some time past, for want of qualified candidates in the Subordinate Service for 'promotion', the services of outsiders and of officers of the P.W.D. were being availed of. Now, in respect of the vacancies reld. to above, the P.I. has proposed that two of the refugee candidates from Pakistan, particulars about whom were recd. from the G. of I., may be apptd. under the emergency rule. The candidates are (1) Rupchand Mansingh Advani for the Anantapur College and (2) Jivansingh Preamsingh Moorjani for the Guindy College. They are reported to possess the B.E. (Civil Engg.) degree of the Bombay Unty. They thus satisfy the academic part of the qualfn. prescribed for Instructors. The practical experience reqd. is 4 years. No. (1)'s experience falls short of this period by one year and 8 months, and that of No. (2)'s by 1 year. But, as the proposed appointments are only under the emergency provns., it is not neeq. to enforce the practical part of the qualfn. strictly. The Dir.'s recommendation may be accepted. For orders. 3. The Dir. may be requested to inform the candidates specifically that the appts. are purely tempy., liable to be terminated any time, with no guarantee of continuance, as in the absence of qualified persons in the dept., regular recruitment will be made by the method of 'direct recruitment' to the posts will have to be made by the method of 'direct recruitment' the M.P.S.C.
