p 1 of (J)

In para.2 of G.O.No.1167, Edn.,dated 12-6-46,it was stated that orders regarding the extension of the scheme of further education and training of demobilised personnel to Non-University but post secondary courses will be issued separately. As regards training schools the Government have already directed that demobilised personnel should be given first preference in the matter of admission and that they should be exempted from the payment of tuition fees and special fees and ~~xk~~ also the examination fees for the training school certificate examination. Demobilised personnel undergoing teachers' training are also eligible for the usual stipends. The Director of Public Instruction is requested to report in consultation with other Heads of Departments who have institutions under them of a Non-University but post secy. character, whether any ~~further~~ concessions are necessary and if so, to submit ~~detailed scheme~~ proposals with ~~financial implications~~ an estimate of cost; involved.

In G.O.No. 1167 Education dated 12-6-1946 this Government sanctioned a scheme for the further education and training of demobilised personnel, which was however confined to University Education. In connection with the proposal to extend ~~extension of~~ the above scheme to "non-university" but "post-secondary" courses, the D.P.I. has recommended that the scheme might be extended to the L.C.E. course in the college of Engineering, Guindy and has proposed the grant of concessions similar to those awarded under the above scheme. The D.I. & C. has proposed that the scheme might be extended to the course of study in "Polytechnics" under the Industries Department and has recommended that the following concessions may be awarded to the candidates:-

3) grant of ~~a~~ maintenance allowance of Rs 30 p.m. or Rs 1080 for the duration of the entire course (3 years). ~~may be paid.~~

In order to provide facilities for the demobilised personnel to undergo courses in Medical and Public Health subjects for which the possession of a S.S.L.C. is a minimum qualification, the Government sanctioned the following concessions in G.O. 114 P.H. dt. 11.1.46:—

Sir,

Sub:- War - Further Education and Training of demobilised personnel - Extension of the Schemes to 'Post-Secondary' but 'Non-University' courses.

Ref:- Your memorandum No. 33489 C1/46-8 dated 18-5-1947.

......

A The duration of the period of Training under the Technical and Vocational Training Schemes of the Government of India is for a period of one year only and the course is essentially a practical one. Further the qualifications required for admission to these courses under the Technical and Vocational Training Schemes for admission into the Deploma courses of L.C.E and Polytechnics are radically different. The syllabuses also are different. Hence the two courses of L.C.E and Polytechnics cannot be classified under the Vocational and Technical Training Schemes of the Government of India.

B It is proposed to give an allowance of Rs.30/- p.m. besides book allowance and exemption from payment of all fees. This is very meagre. The Government of India are giving an allowance of Rs.33/- p.m. to trainees in the Sanitary Inspectors Course at the Medical College, Madras. I therefore suggest that instead of Rs. 30/- Rs.33/- p.m. may be granted to have a uniform scale of allowances for ex-servicemen.

(1) I invite a reference to G.O. No. 114 P.H. dated 11-1-
The Government have already ordered therein that war service can
didates admitted to the courses mentioned therein should be exemp
from payment of tuition fees and examination fees and that if gra
of stipends is attached to any of the courses, only service per-
sonnel should be preferred in the matter of grant of such
stipends. Stipends are attached to the following courses - (1) M
wives (2) Nurses pupils (3) Compounders (4) Technicians and Labora
tory Attendants, King Institute, Guindy. Nursing Orderlies are
appointed as and when vacancies arise on the prescribed scale of
of pay and required to undergo the training within the probation
period or before confirmation. Only in respect of certified ..

ified Radiological Assistants course no stipend is attached. the question of payment of maintenance allowance laid down in O. No. 1167 P.H. dated 12-6-46 arises only in regard to C.R.A. urse . Assuming that all the ten seats of this course are filled by war service candidates the total extra expenditure per annum ill be Rs. 3,600/- at Rs.30/- per candidate per mensem.

Free Supply of books:- The books required for the courses are few or nil. The cost is negligible. No concession is therefore necessary in this regard.

Explanatory Note.

1. The Government sanctioned certain concessions with effect from the academic year 1946-1947 for the further education and training of demobilised personnel on the basis of a Further Education Scheme published by the Government of India. The concessions were confined to University education. It is now proposed to extend them to non-University but post secondary courses of study. The courses of study are:-

(1) The Overseers' course of 2 years' duration in the Education Department.
(2) Polytechnics' course of 3 years' duration in the Industries Department.
(3) Certified Radiological Assistants' course of one year duration in the Medical Department.

The concessions proposed to be sanctioned are as follows:-

1) Waiver of tuition fees and special fees, if any; and waiver of examination fees also in the case of Polytechnics' course.

2) Payment of allowance for books equal to the actual cost incurred; and

3) Maintenance allowance subject to a maximum of Rs.30/- each per mensem, for 10 months in the year.

P.T.O.

2. Exemption from payment of examination fees, and the grant of allowances will be subject to the condition that they will be assessed separately for each applicant with reference to his financial position. All the concessions will be withdrawn from those who stay for more than one year in the same class.

3. On the basis of the number of students now undergoing the courses and assuming that the same number will be admitted to those courses year after year the ultimate cost will be Rs.27,100 per annum recurring, besides a loss of about Rs.3,800 per annum by way of fee income.

4. This Department recommend that the necessary provision may be made in the Budget Estimate for 1948-49, as shown in the summary at the top of this note.

Extract of notes from the file relating to further education and training of demobilised personnel (G.O.No.1167, Education, dated the 12th June 1946).

--

The educational institutions under this department may be classified as follows:-

1. Arts and Science colleges for men and women.
2- Training colleges for teachers.
3. Engineering Colleges, Guindy and Coimbatore.
4. Secondary training schools for men and women.
5. Medical Colleges.

In the colleges for arts and science, it is enough if preference is given to ex-service personnel. In the Engineering Colleges and Teachers Training Colleges, 20 per cent of the seats may be reserved for them. As regards training schools the Govt. have already directed that demobilised personnel should be given first preference, in the matter of admission; and they should be exempted from the payment of tuition fees and special fees and also of examination fees for the training school certificate examination. It may be pointed out there that the Government have also sanctioned the opening of special training schools for demobilised personnel for training in the higher elementary grade. The Board of Revenue have represented that as sufficient number of candidates is not forthcoming they should be given, in addition to the concessions referred to above, some family allowance. This matter is under consideration in separate files.

Orders have been issued in G.O.No.1167, Edn.,dated 12th April, 1946 sanctioning the scheme for the further edn. and training of demobilised personnel. ——— from the D.P.I. together with its enclosures at pp.11-14.C.F. The Director recommends that the further education scheme sanctioned in G.O. 1167 Education, dated 12-6-46, may be extended to the L.C.E. course in the College of Engineering, Guindy. The concessions proposed in respect of these candidates are the same as those awarded under the above scheme. He has also promised to send an estimate of the cost involved, if the proposal is approved. An estimate may be called for. A draft Memo is submitted.

p 13 CF

2.The D.I. & C. has reported that the scheme may be extended to the course of study in " Polytechnics" under the Industries Department. He recommends that the following concessions may be awarded to the candidates:-

1) Tuition fee, Examination fee and Special fee may be waived.

2) An allowance towards the actual cost of books and equipment required for the entire three years' course amounting to Rs.225 may be granted; and

3) A maintenance allowance of Rs.30 P.M. or Rs.1080 for the duration of the entire course (3 years) may be ~~ap~~ paid.

The approximate cost for the full course for a student is estimated to be Rs.1300/- . The concessions are similar to those awarded to candidates under the further education scheme sanctioned in G.O.No.1167 Education, dated 12-6-46, with the exception of exemption from payment of examination fee. The examination fee in this case is levied by Government. This concession may also, therefore, be allowed. It is reported that 6 demobilised men are undergoing this course at present. The cost involved on account of the extension of the scheme to this course at present will be Rs.2610 per annum.

J/2

3 The courses of studies referred to above will come within the scope of the definition of 'Further Education' in the Government of India scheme and a moiety of the cost can be claimed from that Government. The recommendations of the D.P.I. and the D.I. & C may be accepted.

p 13 CF

4. The Director of Agriculture and Director of Veterinary Services have stated that there are no courses of a "non-University" but "Post-Secondary" character in their departments.

p 13 CF

5.The Surgeon General points out that orders have already been issued in G.O.No.114 Public Health dated 11-1-46 providing facilities for de-

demobilised services personnel to undergo courses in Medical and Public Health subjects for which S.S.L.C. is a minimum qualification. The concessions granted in the G.O. are

(1) Exemption from fees, tuition and examination ,

(2) ~~If~~ stipends stipends are usually granted, but no allowance for books or maintenance is granted as proposed in paragraph 2 above. The S.G. apparently wants the question of the grant of these concession also to be examined so that a uniform procedure may be followed.

Perhaps the additional concessions may be granted subject to the means test referred to in para 6 of letter No.1853 Edn. dated 10th November 1945.

As regards the observation of Pub (R.S) Dept at x on p 5 above, it is submitted that this dept did not refer to the letter of India, an extract from which is put up at (f) but the reference was to the scheme of the Govt of India where it arranged to secure training facilities for ex service men with existing technical institutions by the payment of cash contributions on a per capita basis with ref. to the trainees trained by these institutions — vide copies of memo put up at (W) — lodged No 36140-D.I/47 d 24.4.47. The War Technicians training scheme during the period of the war was also undertaken by the technical institutions — private & Govt — only on the basis of payment per trainee and the Provl Govt did not have to incur any expenditure on this account.

Please see the note of the Development Dept. at 'A' on p. 6 ante. That Dept's suggestion that the Govt. of India should bear the cost of the training to be given to the demobilised personnel seems to be based on the mistaken impression that the schemes referred to in the Govt. of India's memo. at flag (W) are different from the original ~~Technical and~~ Vocational Training Schemes of the Govt. of India, for ~~according to~~ which the expenditure will be shared between the Central and Provincial Govts. on the basis indicated in para. 4 of the Govt. of India's letter at (f). Please see the letter from ~~the~~ D.R.E. at p. 21 CF. with ref. to the memo. at pp 19-20 CF. He reports that, the 2 courses in question viz., L.C.E and Polytechnics cannot be classified under the Vocational and Technical Trg. Schemes of the G. of I. Hence the position as envisaged at K on p4 ante. ~~with~~ does not appear to be correct. The proposal of the D.P.I. to extend the Further Edn. scheme to these courses also may therefore be accepted. It may be noted that there is a proposal under consideration to abolish the L.C.E course. As regards the proposal for enhancing the ~~monthly~~ maintenance allowance of Rs 30/- p.m., to Rs 33/- p.m., it is submitted that this amount is only a maximum amount of allowance that could be sanctioned. and that it may be less in certain cases. Please see para 6 of G.O. No. 1167. Edn. dt 12.6.46. Moreover, the Further Edn. Board has also fixed the rates of maintenance allowance as follows:-

pp 11-14 CF

K

para 2 p 21 CF

p 17 (J)

Annual income	Rate of monthly allce.
Upto Rs 1200.	Rs 30/- p.m.
Income ranging from 1200 to 1800	25/- p.m.
1800 to 2400	20/- p.m

It will therefore be noted that the allowance will have to be decided on the circumstances of each case and hence the question of an uniform allowance as suggested by the D.R.E. does not arise. However,

2. In G.O. No. 1167 Edn. dated 12-6-46, certain concessions were granted for the further education and training of demobilised personnel. These were confined to University education. With reference to para 2 of the G.O., it is now proposed to extend the concessions to the L.C.E. Course in the College of Engineering, Guindy, and the courses of study in Polytechnics unde

the Industries Dept. It is stated that the above courses of studies will come within the scope of the definition of 'Further Education' in the Govt. of India Scheme and that a moiety of the cost can be claimed from that Govt. The proposals are examined below:—

(1) L.C.E. The concessions proposed to be granted to students who take up this course are the same as those granted in G.O. No. 1167 Edn. dated 12-6-46. The D.P.I., who was asked to furnish an estimate of the cost involved in the proposal, has reported the cost (Rs 432/- per annum excluding Rs 175/- towards books for the whole course) of educating an ex-service student in the L.C.E. course. He has not, however, furnished the approximate total cost per annum that is involved in the proposal, presumably because the number of ex-service men who may seek admission to the course is not known.

(J)

(2) Courses of study in Polytechnics: It is proposed to grant the concessions in G.O.No.1167 Edn, dated 12-6-46 to ex-service men undergoing this course and also the additional concession of exemption from payment of examination fees. As the fees in this case are payable to the Government, this need not be taken into account. The students may, as in other cases, be exempted from payment of examination fees.

(J)

N mp 3 above

The cost involved in respect of each candidate is reported to be Rs.435/- per annum. The D.I. & C. has stated that 6 demobilised men are now undergoing this course. More men might join if the concessions are made known. The cost (Rs.435/- p.a.) takes into account only allowances towards books, equipment and maintenance allowance, as tuition and special fees, which are payable to the Government, are proposed to be waived.

Z mp 14 C.F.

8 B mp 13 C.F.

(3) Courses of training in Medical and Public Health subjects:

In G.O.No.114 P.H. dated 11-1-46, the following concessions were granted for demobilised personnel undergoing courses in Medical and Public Health subjects for which S.S.L.C. is a minimum qualification.

(a) Exemption from tuition and examination fees.

(b) Stipends, if stipends are usually granted.

But no allowances for books or for maintenance as provided for in G.O. No.1167 Edn. dated 12-6-46 were sanctioned. The Surgeon General apparently wants that the question of the grant of these concessions should also be

examined. E. & P.H. ~~agree to~~ recommend that the additional concessions be~~ing~~ granted.

3. The extra expenditure involved in the above proposals is not known. It would seem that before the Government can consider the proposals, they should have some idea, at least an approximate one, of the additional expenditure involved in the proposals. E. & P.H. may be requested to ask the Director of Public Instruction, the Director of Industries and Commerce and the Surgeon General to furnish an approximate estimate of the additional expenditure involved in the proposals. The classes in the respective courses for the current academic year would have commenced by now and the number of demobilised personnel studying in the above classes may, if necessary be taken as the basis for working out the approximate estimate.

M C&E 29-7-47 DWD

8 B mp 3 C.F. of Lr. at (I).

4. The Government of India have no doubt agreed to bear 50% of the extra expenditure incurred by Provincial Governments on the further education of Ex-Service personnel. But the grant will have to come out of the total post-war development grant sanctioned for the Province. As the expenditure ~~already sanctioned for~~ on Post-War Development Schemes is likely to exceed the maximum limit, the entire expenditure in this case will, in effect, have to be borne from Provincial Funds~~, only~~.

5. As the proposal does not seem so urgent that it cannot bear postponement till next year, with reference to the criteria mentioned in Finance U.O.Note No.21735 B.G-1, dated 19-5-47, Finance may suggest that, after the information called for in para.3 above is obtained, the proposal may be brought forward for consideration as a Part II Scheme for 1948-9.

Part II scheme for 1948-9.

Extension of the scheme of further education and training of demobilised personnel to post-secondary but non-university courses.

--

The notes commencing with those of the Fin. Deptt. at the bottom of p.9 above may be read.

2. With reference to portion 'M' on p.11 above, information has been obtained from the D.P.I., the D.I.^xx & C., and the Surgeon-General of the approximate additional expenditure involved in the training of demobilised personnel in post-secondary but non-university courses of study under their control. Their estimates are summarised below:--

3. The following remarks are called for in Finance:-

(a) Fees:-- It is evidently proposed to exempt the ex-Military personnel undergoing the L.C.E. course in the College of Engineering, Guindy from payment of ~~extra~~ tuition and special fees and to exempt those undergoing training in the Polytechnics, from payment of examination fees as well.

No remarks are called for regarding exemption from payment of tuition and special fees, as it is only an extension of the concession allowed to ex-service candidates admitted to the University courses of study. As regards exemption from payment of examination fees, it may be pointed out that this is a concession allowed in the case of ex-service men undergoing courses in Medical and Public Health subjects for which the S.S.L.C. is the minimum qualification. For the sake of uniformity, this Department may agree to the concession being extended to those undergoing training in the Polytechnics, subject to the condition that the grant of the concession is assessed separately for each applicant with reference to his financial position and that it is withdrawn from candidates who stay for more than one year in the same class.

para: 6 of G.O. 1167 Edn. 12-6-46 (J)

para 3 of G.O. 114 RN 11-1-46 (d)

A 13-11-47

(b) Allowance for books:--The allowances for books and equipment sanctioned in G.O.No. 1167, Education, dated 12-6-1946 are Rs.40 for the Intermediate course, Rs.50 for the Degree course and actual cost for a professional course. The ~~scales~~ rates suggested in the present proposal are Rs.100 for the L.C.E. course and Rs.75 for the course in the Polytechnics.

para: 6 of (J)

As in the case of professional courses, Finance may suggest payment of actual cost for books and equipment, subject

to the condition that the grant of the allowance ~~is~~ to each candidate is assessed with reference to his financial position as laid down in G.O.No.1167, Education, dated 12-6-1946.

13.11.47 Dnd

(c) Maintenance allowance:-- The rate proposed is Rs.30 p.m. throughout the year. The rate fixed in G.O.1167, Education, dated 12-6-1946 is also Rs.30 p.m. but it is the maximum up to which the allowance can be granted to a candidate after assessing his financial position. The rates fixed by the Further Education Board for varying incomes are noted at 'A' on p.8 above.

(J)

Finance may suggest that those rates may be adopted and that the grant of the allowance may be confined to the actual term period.

13.11.47 Dnd D

4. Subject to the above remarks, this Deptt. may agree to the proposal going forward as a Part II scheme for 1948-9. Devt and E. P.H. will no doubt obtain orders in circulation (including H.M. Finance) before preparing a note on the Part II scheme.

The Finance Department's note at pp 12-14 above may be perused.

U.O.No.64312 Fin.IV-1 14-11-47.

The proposal in this file is to extend the sanctioned concessions in G.O.No. 1167 Education, dated 12-6-46, to ex-service personnel for their further education and training in the following "post-secondary" but "non-University" courses:-

(J)

1. L.C.E. Course - Since abolished and overseers' course substituted.
2. Polytechnics and
3. C.R.A. course.

A

Cp. pp 13-14 ante

It is proposed to sanction the following concessions:-

1. waiver of ~~tution~~ tuition fees and special fees if any;
2. waiver of examination fees (in the course of Polytechnics only);
3. Payment of allowance for books equal to the actual cost incurred;
4. Maintenance allowance subject to maximum of Rs 30/-per mensem each.

Exemption from payment of examination fees, and the grant of allowances are subject to the conditions that it should be assessed separately for each applicant with reference to his financial position and

P.T.O.

---

that it should be withdrawn from those who stay for more than one year in the same class.

As regards the period for which maintenance allowance should be sanctioned, the Finance Department have suggested that it should be confined to term period i.e. (nine months).

D on p.14 ante

It may be noted that the question regarding the period for which the maintenance allowance should be sanctioned was left to the decision of the Further Education Board. Please see para 6 of the G.O.No. 1167 Edn. dated 12-6-1946. The Board has accordingly decided that the maintenance allowance should be sanctioned for nine months in the case of the Arts Colleges and 12 months in the case of Professional colleges. As the courses in question are courses in "Professional" institutions, it would seem appropriate to sanction the allowance for the whole year (duration of the entire course) instead of restricting it for the actual term period.

The orders in circulation on pp15 and 16 may be perused.

The draft note on the Part-II Scheme

74713 B.E.IV

calls for the following remarks:

(1) The courses of study for which the concessions are proposed are conducted by the Education, Medical and Industries Departments. Provision will have, therefore, to be made under three different heads, as indicated in pencil in the summary.

(2) If any of the three courses is of one year's duration or less, the allowance for books should also be shown as an item of recurring expenditure, as evidently fresh students will be admitted for each course.

The ~~[illegible]~~ [illegible] may be shown as recurring. 11.12.47

(3) If any course is of more than one year's duration, it is presumed that until the course is completed by a candidate or a vacancy arises, no fresh candidate will be admitted.

A

If it is the intention that admissions should be made year after year, irrespective of the duration of the course, The extra cost to Government will be higher than what is shown in the note.

(4) It is presumed that the cost in 1948-49 will be the same as the ultimate cost, if the entire expenditure is shown as recurring.

Subject to the above remarks and the slight additions and alterations indicated in pencil, the draft note may be accepted.

ii) Polytechnics . . . . 3 years.
iii) Certified Radiological Assistant's course - 1 year.

As the no. of candidates ~~who~~ that will be admitted to the courses under the scheme in future years ~~is not~~ could not be estimated at present, the ultimate cost ~~of newly~~, ~~could~~ can ~~[illegible]~~ only be worked out on the basis of the no. of students already admitted to these courses ~~who would be entitled to the concessions~~ ~~under the scheme~~. This has already been indicated in para (3) of the draft note placed below. In this connection pl. also see the Fin. dept's note in para 3 on p11 ante.

The ~~as~~ additions and alteration indicated by Finance in the draft note may be accepted. Subject to approval the duration of the respective courses have also been since mentioned in the draft note. Finance may see again.

Previous Finance note on pp 16-17 and the notes of E & P.H on p.17 above may be read.

As E & P.H. state that the overseers' course and the Polytechnics course are of two and three years' duration respectively the ultimate cost on account of maintenance allowance for the number undergoing the courses and for the same number to be admitted every year will be double and treble the cost in the first year. Suitable alterations have been indicated in the summary and ~~an additional sentence~~ in ~~to~~ para: 3 ~~has been suggested~~ in order to make the position clear.

Subject to the above remarks, the draft note may be accepted.
