From Sri D.S. Reddi, M.A. (Oxon.)
Director of Public Instruction, Madras.

To The Secretary to Government,
Education and Public Health Department.

Cl. No.8/48 dated 10th February 1948.

Sir,
Sub: MADRAS EDUCATIONAL SERVICE - Post of Technical Education Officer - Filling of the - Proposals submitted.
Ref: G.O.Ms.No.251 Education dated 5th Feb. 1948.

In their orders referred to above, the Government have sanctioned a post of Technical Education Officer in the Madras Educational Service in the scale of pay of Rs.230-30/2-260-40/2-500-50/2-700 for a period of one year. I submit the following proposals for filling the post.

2. It is essential that the officer to be appointed to the post should possess a degree in Engineering and practical experience for a period of not less than four years besides teaching experience.

3. With the approval of the Hon'ble Minister for Education, I consulted Dr. S.R. Sen Gupta, Deputy Educational Adviser to the Government of India, New Delhi and requested him to suggest a suitable candidate for appointment to the post of Technical Education Officer in the Madras Educational Service. I enclose herewith a copy of the D.O. reply dated 22-1-1948 received from him together with particulars about Sri N.R. Das Gupta, the candidate recommended by him. Since it is seen that Sri N.R. Das Gupta is already drawing Rs.800/- p.m. in the scale of Rs.800-50-1150 in his present post as Assistant Educational Adviser (Technical) in the Ministry of Education, he is not likely to accept the post in the Madras Educational Service in the scale of Rs.230-700. I feel that the terms on which he is likely to accept the offer of appointment may be prohibitive.

4. If the Government are not prepared to consider Sri N.R. Das Gupta for appointment to the new post, I recommend that Sri K.M. Sevannah, Officiating Junior Workshop Instructor in the Arthur Hope College of Technology, Coimbatore may be appointed to officiate as Technical Education Officer in the Madras Educational Service. He is a B.E. in Mechanical Engineering. He has had practical experience for a period of 5 1/2 years in the Cordite Factory and at the Ammunition Factory, Kirkee, during the War period. Since May 1946 he has been serving as Junior Workshop Instructor in the Subordinate Educational Service. He is 32 years old and belongs to the Badaga community which is a recognized backward community. In view of the recommendation of Dr. J.J. Rudra in his D.O. No.3/48 dated 21-1-1948 (copy enclosed) I consider that Sri Sevannah would be suitable for the post in question and accordingly recommend that he may be appointed to the post under rule 9(a)(i) of the General Rules for the Madras Provincial and Subordinate Services in the first instance. If the Government are pleased to appoint Mr. K.M. Sevannah to the post, I request that he may be granted a starting pay of Rs.260/- p.m. as a special case. In this connection, I may state that in the normal course there is every likelihood of Sri K.M. Sevannah being appointed as Senior Workshop Instructor in the Madras Educational Service in any of the College of Engineering, in the course of the next year or so. If he is so appointed he will be eligible to draw Rs.260/- p.m., the minimum pay of the post. I, therefore, request that if he is appointed to the new post of Technical Education Officer, he should be paid

the same starting pay as he would be entitled to had he been appointed to a post of Senior Workshop Instructor or Instructor in any of the Colleges of Engineering.

5. I further request that Sri K.M. Sevannah on appointment as Technical Education Officer may be deputed to the Delhi Polytechnic for training for a period not exceeding one month. I may submit that Dr. S.R. Sen Gupta, Deputy Educational Adviser to the Government of India, has promised to arrange for the necessary training of the officer at the Delhi Polytechnic.

6. I solicit the favour of early orders.

R.R. Sen Gupta
for Director of Public Instruction.

R.C. 10/2.

for Director of Public Instruction.

End: - I

Copy of personal letter dated 22-1-48 from Mr. S.R. Sen Gupta, Deputy Edl. Adviser to the Government of India, New Delhi to Sri D.S. Reddi, Director of Public Instruction, Madras.

As promised I am sending you particulars of the only man (Mr. N.R. Das Gupta) I can recommend for the post you have in view. Mr. Das Gupta has good academic qualifications and has sound industrial training. He is at present working with us as an Asst. Edl. Adviser on a temporary basis. While with us, he has become thoroughly familiar with the work that we have been doing here. This experience he has gained you may find useful while he assists you in promoting technical education in your area.

You may well ask why I am prepared to release Mr. Das Gupta. I must confess that I should like him to continue with us but feel that Mr. Das Gupta who is a family man would feel better if he could keep his family with him which he cannot do here owing to the extreme scarcity of residential accommodation. It is doubtful whether Das Gupta will get a house here within the next two or three years. Under the circumstances, I fear that he may not continue with us for long. I would far rather that he be not taken over by an industrialist which may happen and thus be a loss to education.

Mr. Das Gupta is a first class Bachelor of Engineering from the Sheffield University and has had more than two years industrial training with Mather and Platt Ltd., and have worked for three years as a Shift Engineer in a major Power House. Subsequently, he was head of the Electrical Engineering Department in Insin for eight years and just before he came to us, he was holding the post of an Assistant Inspecting officer, Indian Stores Department. He now holds the post of an Asst. Edl. Adviser (Technical) in the Ministry of Education and his present pay is Rs.800/- in the grade of Rs.800-50-1150.

He is almost conscientious worker and is thoroughly loyal. I have not the least hesitation to say that he will prove satisfactory and will not let you down in any way.

Kindest regards and good wishes.

Particulars of the Applicant's Educational Qualification and experience.

1. Name in full: NIHAR RANJAN DAS GUPTA, B.Sc., (Hons.) Cal. B.Eng. (First Class) Sheffield.
2. Address: 18, Deshapriya Park Road, P.O., Kalighat, Calcutta.
3. Post for which the applicant is a candidate:
4. Date of birth: 25th July, 1901.
5. Name of the Province to which the applicant belongs: Bengal.
6. Father's name: Late G.K. Das Gupta.
7. Countries visited and object of visit:
 - (a) Great Britain.
 - (i) Study of Engineering in the Sheffield University (1926-28).
 - (ii) Practical training with Messrs. Mather and Platt Ltd., Park Works, Manchester (1928-30).
 - (iii) Study in Industrial Administration in the College of Technology, Manchester (1928-30).
 - (b) Ireland.

To see the Shannon River Hydro Electric Scheme and to visit the places of Engineering interests including the National University of Dublin and the Belfast University - 1930.
 - (c) France, Germany, Belgium and Switzerland.

Pleasure trip and to visit places of Engineering interests.
 - (d) Burma.

Government of Burma Service. May 1934-April 1942.
8. Languages spoken of and read:

Bengali (read and spoken)	
English	-do-
Hindi	-do-
Burmese	- Spoken only (Passed the Departmental examination colloquial standard).
9. Education:

General Education: Obtained B.Sc., Degree of the Calcutta University with Hons. in Chemistry in 1921; continued upto the 5th year class in Chemistry but had to give up study on ground of health.

Technical Education:

 - (i) Passed the Intermediate of Engineering (Part 1) of the Benares Hindu University.
 - (ii) Passed the B.Eng. Degree examination of the Sheffield University in Electrical and Mechanical Engineering, specializing in Electrical. (Elected a graduate of the Institution of Electrical Engineers (1928)).

Special Education:-

- (i) Obtained a full course certificate in Industrial Administration from the College of Technology, Manchester (Evening Class). This was a two-year course consisting of thirteen subjects including amongst others, Industrial History of England, Economics, Accountancy, Business Practice, Foreign Trade, Works Organization, Engineers' Quantities, Costs and Estimates, etc. This course was recognized by the Institution of Mechanical Engineers as an equivalent for the part 'C' examination of the Institute. The applicant was awarded a prize for his work in the courses.

- (ii) The applicant has also passed the First-Aid examination of the St. John Ambulance Assn.

10. Practical Training:-

Graduate apprenticeship with M/s. Mather & Platt Ltd Manchester for two years (3-9-28 to 6-9-30) as under:-

- (1) 2 months in Machine tools.
- (2) 5 months in Armature winding.
- (3) 4 months in Electric Test.
- (4) 8 months in Pump Test.
- (5) 5 months in Research Department.

11. Subsequent experience:

- (a) Shift Engineer in the Kanchrapara Power House.

For three years (16-4-31 to 26-5-34) Power House - Total Capacity - over 4000 K.W.

Equipment:-

- (1) Engine Room (i) Turbo-Alternators of 1500 K.W. (3300 volt each) .. 2 sets.
(ii) D.C. Generators - Coupled to Triple expansion Engines ... 3 sets.
(iii) Converting plants etc.

(2) Boiler House:

Babcock-Wilcox - water-tube boilers .. 5 Nos.

Total evaporative capacity 50,000 lbs. per hr. at a pressure of 160 lbs. per sq. in. (gauge).

- (b) (a) Lecturer and Head of the Department of Electrical Engineering, Govt. Technical Institute, Insein for nearly eight years. (30-5-34 to 28-2-42) upto the time of evacuation (Gazetted appointment).

Besides his own subjects, Electrical Engineering A.C. & D.C. he had to take classes in (1) Applied Mechanics, (2) Mathematics, (3) Testing Laboratory.

He was also in charge of:

- (i) Electrical Section of the Institute Workshop
- (ii) Maintenance of Electrical Installation of the Institute & Residential Quarters.

Scale of pay - 350-20-750. Last pay drawn Rs.500/- at the time of evacuation,

plus

- (2) Lecturer in Electrical Wiring - Theory and Practice to R.A.F. Ground Staff students
Salary Rs.25/- per month

- plus
(3) Lecturer in Electrical Engineering - Govt. Technical Evening Classes - Honorarium - at Rs.12/- per lecture twice a week.

(Total salary drawn was = Rs.500 plus 25 plus 96 (12x8) = Rs. 621/-

- (c) Worked as an Assistant Inspecting Officer, I.S.D., War Department, Calcutta, Inspection Circle (Class I) from 3-6-1942 to 7-11-1947.

Nature of work:- Inspection of all classes of stores, including Electrical Plants and Machineries such as Motors, Dynamos, Transformers, Switch-boards, Overhead Line fittings both L.T. & H.T. Electrical Furnaces and Porcelain Electrical goods, etc., during manufacture. Tests are carried out according to B.S.S. & I.S.D., specification before acceptance.

Conversant with the manufacturing process of some of the first class manufacturing firms of Calcutta, viz.

- (i) M/s. Associated Electrical Industries Manufacturing Co., Ltd., for Stores such as Oil Immersed self-cooled distribution transformers, upto 250 K.V.A. capacity, 11000/400/230 v., Small Lighting transformers, Air Break H.T., Over head Isolating Switch and Fuses.

- (ii) M/s. British India Electrical Construction Co., Ltd., for ventilating fans (admiralty specification) switch-boards, carbon-brushes, Naval fittings, etc.

- (iii) Bengal Potteries - Porcelain Electrical goods.

Salary:- Scale of pay 350-20-500 (Now drawing Rs.430/- p.m. plus L.C.A. Rs.50/- plus D.A. Rs.75/- besides H.A. upto ~~max~~ 15% of the salary from 3-6-46).

12. Present position:-

From 10-11-47 the applicant has been working as an Assistant Edl. Adviser (Technical) Ministry of Edn., Government of India - Scale of pay Rs.800-50-1150.

13. Additional remarks:-

- (1) Specially appointed by the Military Medical Authorities to deliver a course of lectures on X-Ray & Radiology to R.A.M.C., Burma.
- (2) Officer-in-charge students' accounts, Government Technical Institute, Insein from 1934 to 1942, responsible for all monetary affairs of students including their messing, tuition fees, sports, workshop visits and similar other things and as such he had to run a separate office.
- (3) Hon. Treasurer and Founder Member of the Thrift and Co-operative Credit Society, Government Technical Institute.
- (4) Keen Sportsman and used to take part in all outdoor games of the Institute, especially Cricket and Tennis.

Encl. III.

Copy of D.O. letter dated 21-1-1948 from Dr. J.J. Rudra,
Principal, College of Engineering, Guindy, to Mr. D.S. Reddi,
Director of Public Instruction, Madras.

Sub: Particulars regarding K.M. Sevannah, Junior Workshop
Instructor at the Arthur Hope College, Coimbatore.

With reference to my conversation with you yesterday, I am
giving below particulars about K.M. Sevannah, Junior Workshop
Instructor at the Arthur Hope College of Technology, Coimbatore.

2. Sevannah belongs to the Badaga community, which is recog-
nized backward community and his date of birth is 15-9-1915. He
took his B.E. in Mechanical Engineering from the College of Engi-
neering, Guindy in 1941. After that, he had one year's broad-based
practical training in the Cordite Factory at Aravankadu (Near
Coonoor). He served in a supervisory capacity in that Factory
and later at the Ammunition Factory, Kirkee for 4 1/2 years. His
apprenticeship in that factory and the Ammunition factory, Kirkee
are accepted as war service. He has been Junior Workshop
Instructor at the Arthur Hope College of Technology since May 1946.

3. I knew Sevannah pretty well while he was a student at the
Guindy college and had a very high opinion of his ability, earnest-
ness, integrity and disposition. This was confirmed when he worked
under me at the Coimbatore college. When I was there, he carried
out very responsible work in Workshop training as well as in pro-
duction of equipment for the college under very difficult circum-
stances. He showed sense of duty and responsibility, which is a
most unusual in a person occupying such subordinate position.

4. Ordnance Factories like the Cordite Factory, Aravankadu
and Ammunition Factory, Kirkee have the finest Workshops and
Sevannah's training and service in Ordnance Factories had given
him an experience which is quite rare amongst graduates of Madras
University. He and his fellow Mechanical Engineering Graduates
of the Guindy college were conscripted by the National Services
Labour Tribunal but all of them got out through some device or
other except Sevannah who stuck on till he was released on reduction
of establishment after the war. This is an additional feather in
his cap.

5. In view of this excellent disposition, integrity and earnest-
ness combined with his experience in workshop practice, I consider
him extremely suitable for the professional courses in the ~~bifurcated~~
bifurcated scheme. However, I would suggest that immediately after
appointment, he should be deputed for a period of three months to
visit the various War Technicians training centres in the Madras
Presidency and elsewhere to broaden his outlook and to study the
training methods employed in the large number of trades for which
training is being given. I would not advise you to get a man from
one of Technical Training centres as those that I have seen are
extremely stale men and I do not think that considering the type of
trainees that they have to deal with, they are suitable for training
young boys in schools. It would be much better to have a young man
of freshness and vigour like Sevannah and of his experience and give
him opportunities of broadening his outlook and experience of deput-
ing him to training centres.

6. The work which Sevannah will have to do is of great importance
and involves great responsibility. The success of the bifurcated
scheme will be determined to a very great extent by what Sevannah
would be able to do. I therefore consider a salary of Rs.230/- in the
M.E.S. scale of Rs.230-700 as very inadequate. As things stand
at present, he should get a gazetted post either as Instructor in
Mechanical Engineering or Senior Workshop Instructor in one of
our Engineering Colleges in the near future. He would then draw
a salary of Rs.260/-. Even that is not good enough for a man of
his type and experience and would not be commensurate with the duties
and responsibilities that will fall on him in connection with the

- 7 -

may
bifurcated scheme. I suggest that he/be started on something near
Rs.400/- as in my opinion the salary of a man would play a very import-
ant part on his success in this new and important type of work which
our schools are going to undertake.

7. I would also like you to consider the question of deputing
Sevannah or anybody else that you may have to foreign countries to study
the system of technical education corresponding to our bifurcated
stage. Countries like England have had this kind of training for de-
cades, but I have not come across any Indian who knows anything about
it. All of us who have been abroad have confined ourselves to higher
education and have not bothered to study technical education in junior
and senior technical schools in those countries. It is most important
that people who will have to deal with this kind of education should
know what is being done in other parts of the World and draw upon their
accumulated experience.

for Director of Public Instruction.

M.E.S. - Sri K.M. Sevensnah, offg. Jr. Workshop Instr.
Apptd. as Tech. Edn. Officer. *temporarily*

Read:- From the D.P.I., No. 8/48, dated 10-2-48.

G.O. (MS.) No. 353 Edn., dated 24.2.48

Under rule 9(a)(i) of the Genl. Rules for the Provl. & Sub. Services, Sri K.M. Sevensnah, offg. Jr. Workshop Instr., A.H. College, of Techy., Coimbatore, is apptd. to officiate temporarily as Technical Education Officer, Office of the D.P.I., in the M.E.S., with effect from the date of taking charge. ~~2. Sri K.M. Sevensnah will be on a temporary pay of Rs. 260 in the scale of Rs. 230-700-260-40/2-500-50/2-700.~~
The Govt. also sanction the deputation of Sri Sevensnah at Govt. expense of Sri Sevensnah for trg. for a period of not exceeding one month ⁱⁿ the Delhi Polytechnic, Delhi. The D.P.I. is requested to arrange ^{in consultation} with the Dy. Edl. Adviser to the G. of I., for ~~giving~~ giving the trg. of the officer ~~trg.~~ as early as possible.

3. The post of Tech. Edn. Officer in the Office of the D.P.I. was sanctd. in G.O. No. 251-Edn., dated 5-2-48. It was ordered therein that the post would be in the M.E.S., on the scale of pay of Rs. 230-700, and ~~xxx~~ would be a tempy. addn. to the cadre of permanent posts in the categ. of D.E.Os. It is now considered essential that the Tech. Edn. Officer shd. possess, instead of the qualfns. prescribed for a D.E.O., a degree in Engg. and prac. expce. for a period of not less than 4 years besides teaching expce. It is proposed to issue ^{for the post,} ad hoc rules making the Special Rules for the M.E.S. applicable to ~~the post~~ with suitable modfns., and give retro-spective effect to those rules. Pending issue of ^{the} ~~the~~ rules and pending a regular appt. to the post ^{for} ~~later~~, the tempy. appt. ~~xxxxxx~~ in para 1 above has been ordered. ^{for} The Dir. is requested to send to Govt. a draft of the ad hoc rules to be issued, ~~and~~ incorporating therein also the methods of recruitment to be laid down ~~for~~ the post.

M.E.S. - Post of Tech. Edn. Officer in DPI's Office - Filling.

The D.P.I. has sent proposals for filling the tempy. post of Tech. Edn. Officer (in his office) in the M.E.S. The post was sanctd. in the G.O. at "M.P.6. In that G.O., it was ordered, inter alia, that the post would be a tempy. addn. to the cadre of permanent posts in the category of DEOs. The effect of that order is that the mnds of appt., qualfns., etc. applicable to the DEOs' posts will apply to the new post too: i.e., the post shd. be filled either "recruitment by transfer" from the subordinate services or by the transfer of another officer in the Administrative Section [M.E.S. Spl. Rule 2(a), read with Genl. Rule 5(c)] -- the qualfns. to be possessed by the appointee being an Arts degree and the B.T. degree (or equivalent degrees) [Annexure to the M.E.S. Spl. Rules].

2. The D.P.I. has now reported that it is essential that the Tech. Edn. Officer shd. have a degree in Engineering and prac. expce. for a period of not less than 4 yrs. besides teaching expce. To appoint a candidate with such qualfns., ad hoc rules, making the Special Rules applicable to the post with suitable modfns., have to be framed, after obtaining the remarks of the M.P.S.C. In those rules, the category of officers who shd. be made eligible for the post shd. also be specified: the Dir. has recommended that a Junior Workshop Instructor in the Subordinate Service (Mr. Sevannah) be 'promoted' to the temporarily and that he be given a pay of Rs.200, instead of the minimum of Rs.230, and be deputed to the Delhi Polytechnic for a month's trg., some time after appt. The Dir. may be asked to send a draft of the ad hoc rules.

3. After the rules are framed, - unless, for special reasons, 'direct recruitment' is resorted to - the claims of all eligible candidates shd. be gone into and the most suitable among them shd. be got selected in consultation.

with the Commission and appointed.

4. However, pending regular appt. which may take some time to make, a temp. appt. may be ordered. But, even for that, it seems that the claims of the other persons in the dept. who possesses the qualns. proposed to be prescribed (if there are such candidates) should also be discussed.

5. The D.P.I. may be asked u.o. to take action as at "A" on p.1 ante, and as at "B" above and make a revised recommendation, if necy.

6. Before referring the case back to the Dir., however, orders of H.M. may be taken whether the Dir.'s view at p.1 C.F., re: the taking over from the G. of I. of the services of Sri N.R. Das Gupta, Asst. Edl. Adviser in the Ministry of Edn., will be agreed to.

Orders may be issued immediately approving the proposal of the Director to appoint Mr. Sevannah as the Technical Education Officer as the matter is urgent and as we have to begin the organisation of the technical schools before the next school year. He may also be deputed for a month's training to study conditions in Delhi as proposed.

The rules for the permanent appointment may be asked to be submitted by the Director.

ISA
19.2.48

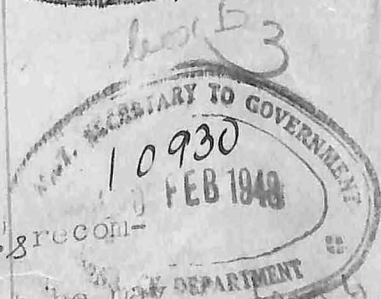

A draft order is subd.

2. Apparently, H.M. Edn.'s intention is that the Dir. recommendation about the pay to be allowed to Mr. Sevannah, viz., that he be started on Rs. 260 instead of on Rs. 230, may also be accepted. Specific orders on this point may be taken, though it has been included in the draft.

3. Fin. may see for remarks, before re-circn.

Please see the notes of E-PH on p. 2 above. The draft order may be accepted.

In the special circumstances stated by H.M. at p. 1 on p. 1-2 of the proposal to allow Mr. Sevannah Rs. 260 in the scale 230-700 may be agreed to the point for which the officer is to be appointed is not specified; it will not exceed the point for which the post was originally sanctioned in p. 251 Edn. S. 2.4.1947.

The D.P.I. is asked to arrange for the names of the officers, and to submit a separate ad hoc sub. for post. When proposals are received in this regard may be examined.

Ed. H. may be asked to specify the point for which Mr. Sevannah is appointed. Subcell is his view the draft order may be accepted. H.M. Finance may see.

I am afraid I see no sufficient reason to start Mr. Sevannah on a pay of Rs. 260/- instead of Rs. 230/-. It has no doubt been stated that he within the next year or so he is likely to be appointed as Senior Workshop Instructor, which will entitle him to a pay of Rs. 260/- Finance would suggest that he need be given Rs. 260/- only with effect from the date on which he would have been appointed as Senior Workshop Instructor; till then he need be paid only Rs. 230/- the amount he is entitled to, under the sub.

AA
The suggestion of Finance may be agreed to. Since we have agreed to the suggestion of Finance, I think it is not necessary for this to go to H.M. Finance. Orders may be issued immediately as time is really the most important factor and as we have to organise a great deal before the next school year begins.
