The District Board Educational Officer, Sri S. Subramania Sastry, entered on leave from the afternoon of 12-1-48. The District Board Secretary is put in additional charge of the Education Section of the District Board Office from that date. The result is that work in the General section as well as Education section is crippled. Now, the Superintendent of the Education section has also applied for leave and for immediate relief for reasons of health. Work is enormously suffering. In the circumstances, I request that an efficient District Board Educational Officer may be posted and ordered to take charge at once so that work may not suffer any longer.
