Sub: Petition of N. Satyanarayana - Attender - Municipal library and Free Reading room - Kurnool - requests the Government revision of salaries - for library attenders -

* * * *

Respected Sir,

I beg to submit the following few lines for kind consideration and favourable orders of the Government.

I submit that the qualifications fixed for the posts of attenders of public libraries is a pass in III form in a recongised High School. The -- present pay of such people is in the scale of Rs. 17--1/2--20. The posts of clerical attenders in the Municipal Office, the qualification for which are also the same, had a scale of Rs. 19--2/2--25--1/2--30 which is revised to Rs. 24--1--35 by the Government in the recent revision of scales to be implimented from 1-1-47. When compared, the post of an attender in the library is in no way inferior to or less responsible than the one in the Municipal Office. Moreover the Library attender has to furnish a cash security amounting to Rs. 100/- . The scale of pay of office attenders was revised in the Government Memo. No. 36715/46-9 Special L. A dated 8--2--47, where as the scale of pay of library attenders was ~~xx~~ not -- mentioned in the memorandum and the old scale of pay Rs. 17--1/2--20 continues. It was hoped that the question of library attenders would be taken up along with the revision of scales of people in the Educational Service. Even this G.O.No. 975 Educcation dated 10--5--47 revising the scales of pay of teachers etc., does not contemplate the case of library attenders. Thus the scale of pay of library -- attenders remains to be same 17--1/2--20.

In these days of maximum dearness and rise of cost of living on all sides, it is impossible to maintain one's family with this megore salary of Rs. 17/- while even the unskilled labourers are making Rs. 2/- to 3/- a day. I may invite your attention to the fact that the office peons are drawing salaries in the scale of Rs. 16--1/2--25 which is for above that of the library attenders. When the -- Government had increased the pay of ones and all of the public servants, it is a matter of misfortune why the same sympathy was not extended to the library attenders.

In the light of the above circumstances I request that the scale of pay of library attenders may be revised atleast in a par with that of the -- office attenders.

I beg to remain,

Respected Sir,

Respected Sir,

I beg to bring to your kind notice that I have addressed the Government in connection of the revision of the scales of the Local boards Librarians. The Government has accordingly pleased to revise the scales and passed orders in their G.O.No.1361 dated 27th June 47. But in the G.O, it is mentioned that the orders will be applied to only the annexed district board and municipalities. My intention is to help all cadres of librarians including panchayat Boards librarians.

(B)

In the G.O.No. 735 preceeding to the present G.O.No.1361, the Government has not restricted any thing but opened to all the librarians who are competent and fulfilled the conditions laid down in the G.O. I do not know why the Government has now annexed only some municipalities and District Boards.

(E)

So, I have again addressed the Government to extend their generosity towards the panchayat Board librarians also. If it is not possible I have requested to give exemption to Amalapuram Panchayat Board in view of its vast income and in the question of the convertion of municipality.

You know that our local panchayat Board Librarian Mr. Sarma is the senior most and well experienced Librarian among all the local Boards Librarians in the Province. He has got the educational qualification, Library service and the library contains more than 7000 volumes and already declared as a senior grade librarian by the Inspector of Local Boards and drawing the existing scale and the only help I request you to do him is to allow to draw the revised scale.

In this connection I once more request you to be kind enough to see that the orders are passed in either way.

Thanking you in anticipation,

I beg to remain,

G.O.No. 388 Education dated 11-3-1940 contemplated two kinds of subordinates to be incharge of public libraries according to their size namely Librarians and Library attenders. G.O.No. 735 Education dated 12-5-1944 classified the librarians into two grades senior and junior grades; but no mention was made about attenders. Now in G.O.No [illegible]s. 1361 Education dated 27-6-1947, the scales of pay of the librarians alone are revised and there is no mention about the attenders.

I request to be advised if the class of subordinates called library attenders still exist and if so whether there is to be no revised scale for them. This Municipality had a library attender in accordance with G.O.No. 388 Education dated 11-3-1940. As the post of Library attenders was not specifically abolished by any Government Order, the post continues to this day on the old scale of pay namely 17-1/2-20. In view of G.O.No.1361 Education dated 27-6-1947, I request to be advised if the post of attender may be ~~considere~~ converted into that Junior Grade Librarian with effect from 1-4-1947.

I forward herewith the letter Rc.5056/47 dated 30.7.'47 of the Commissioner and Special Officer; Karur Municipal Council. The Commissioner requests to be advised (1) whether there is to be no revised scale of pay for library attender (2) whether the post of library attender still exist and if so whether the post of library attender may not be converted into that of librarian Junior grade. In my letter L.Dis. 27981/47 dated 27.7.'47 I have requested Government to suitably revise the scale of pay of the post of library attender. The underlying presumption of the Commissioner is that since the scale of pay of the post has not been revised it ceases to exist.

(P.T.O)

The presumption is incorrect. The question of converting the post of library attender into that of librarian Junior grade does not arise since the post of library attender has not been abolished as presumed by the Commissioner.

Respected Sir,

I beg to submit the following few lines for kind consideration and favourable orders of the Government.

I submit that the qualifications fixed for the posts of attenders of Public Libraries is a pass in III form in a recognised High School. The present pay of such paople is in the scale of Rs.17-1/2-20. The posts of clerical attenders in the Municipal Office, the qualifications for which are also the same, had a scale of Rs.19-2/2-25-1/2-30 which is revised Rs.24-1-35 by the Government in the recent revision of scales to be implimented from 1-1-1946. When compared, the post of an attender in the library is in no way inferiro to or less responsible than the one in the Municipal Office. Moreover the library attender has to furnish a cash security amounting to Rs.100/-. The scale of pay of office attenders was revised in the Government Memo.No.36715/46-9 Special L.A. dated 8-2-47 whereas the scale of pay of library attenders was not mentioned in the memorandum and the old scale of pay Rs.17-1/2-20 continues It was hoped that the question of library attenders would be taken up along with the revison of scales of people in the Educational Service. Even this G.O.No.975 Education dated 10-5-1947 revising the scales of pay of teachers etc., does not contemplate the case of library attenders. Thus the scale of pay of libarry attenders remains to be same ie., 17-1/2-20.

Not put up

do

In these days of maximum dearness and rise of cost of living on all sides, it is impossible to maintain one's family with this meagre salary of Rs.17/- while even the unskilled labourers are making Rs.2/- to Rs.3/- a day. I may invite your attention to the fact that the office peons are drawing salaries in the scale of Rs.16-1/2-25 which is for above that of the library attenders. When the Government had increased the pay of one and all of the public servants, it is a matter of misfortune why the same sympathy was not extended to the library attendrs.

In the light of the above circumstances I request that the scale of pay of library attenders may be revised atleast in par with that of the office attenders.

I beg to remain

* Establishment - Calicut Municipal Public Library and Reading Room - Peons - Enhanced rate of pay - Sanction - Requested.

There are two peons for the library and reading room managed by this municipality. The scale of pay attached to the post is Rs.10-1B-16. In their order No. Ms.1361, Education, dated 27-6-1947, the Government were pleased to revise the scale of pay of librarians under local bodies. But no orders have been issued revising the scale of pay of peons attached to the libraries under them.

According to the instructions contained in Government Memorandum No.36715/46/E special dated 8-2-1947, and in G.O. No.P.S.773 L.A. dated 26-4-1947 the scale of pay of the office peons has been revised to Rs.16-½-25. The library peons are doing the same duties as the office peons. They have now represented that they may be paid the revised scales of pay as sanctioned to municipal office peons. As the library peons do the same duties as the office peons, their request to fit them in the revised scales of pay, seems to be reasonable.

I request to be informed whether there is any objection to the library peons being allowed the revised scale of Rs.16-½-25.

(2) In G.O No. 388 Edn dated 11.3.40, the qualification fixed for a library attender is ~~a~~ III Form of a secondary school and the scale of pay is Rs 17-1/2-20. This scale of pay is the same as the old scale of pay sanctioned to Duffadars employed under the local bodies. The Inspector of Municipal councils and Local Boards is of the view that the scales of pay of attenders in the Public libraries may be revised allowing a proportionate increase both in the maximum and the minimum of the scale as in the case of other posts and there is no case to allow the scale of pay of office attenders.

(3) The revised scales of pay for librarians (Senior Grade & Junior Grade) correspond to that of the L-D clerk and the attender under the local Board Service in the revised scale. In the circumstances it is for orders whether the scale of pay of library attenders which correspond to the old scale of pay of Duffadars under local bodies may be revised as in the case of Duffadars (ie) Rs 22-1/2-30. ~~[illegible]~~ ~~for remarks~~.
