Order

The Madras University has proposed to construct buildings at an estimated cost of Rs 37,000/- for the Indian Air Training Corps unit and has applied for a grant therefor. It has agreed to contribute a sum of Rs 5,000/- from its funds and the Government of India, War Department, have sanctioned a grant of Rs 15,000/- (Rupees fifteen thousand only) to the University for the purpose. A grant not exceeding Rs 17,000/- (Rupees seventeen thousand only) will be made from Provincial Funds towards the balance of cost.

2. The Registrar, University of Madras, is requested to report urgently whether the grant to be made from Provincial funds will be claimed in the current year or whether it will be sufficient if provision is made for the purpose in the budget estimate for 1947-48—

Sir,

p2 enc
I am directed to refer to your letter No. 8022-BI/46-2-Edn., dated the 4th November 1946, and to say that the policy of the Government of India is to make suitable and moderate grants in aid towards the cost of I.A.T.C. buildings at Universities.

2. The estimated cost of the buildings proposed by the above Universities appears rather high observing that the facilities for the I.A.T.C. unit at Madras University were provided only at a total all inclusive cost of Rs. 37,000/-.

3. I am to suggest, therefore, that the proposals for Andhra and Annamalal be reviewed with the object of reducing the cost. A saving can be effected by omitting the verandahs from the annamalal plan and in various other ways e.g. by the use of more economical materials. A copy of the standard plan for such buildings is enclosed which may be of assistance in the submission of a fresh estimate for the construction of a more reasonable dimensions.

4. At present sanction for the I.A.T.C. scheme exists only upto 31st March, 1947 and final approval of these works projects even after revision must depend upon continuation of the I.A.T.C. scheme in the present form being approved.

5. It is noted that the Government of Madras is prepared to bear half the cost of the two projects.

Sir,

I am directed to refer to your letter No. 8022-B/44-2-

the Government of India is to make adequate and moderate provision
in aid towards the cost of I.A.T.C. buildings at Universities.

2. The estimated cost of the buildings proposed by the above
Universities appears rather high observing that the facilities
for the I.A.T.C. Unit at Madras University were provided only
at a total all-inclusive cost of Rs. 35,000/-.

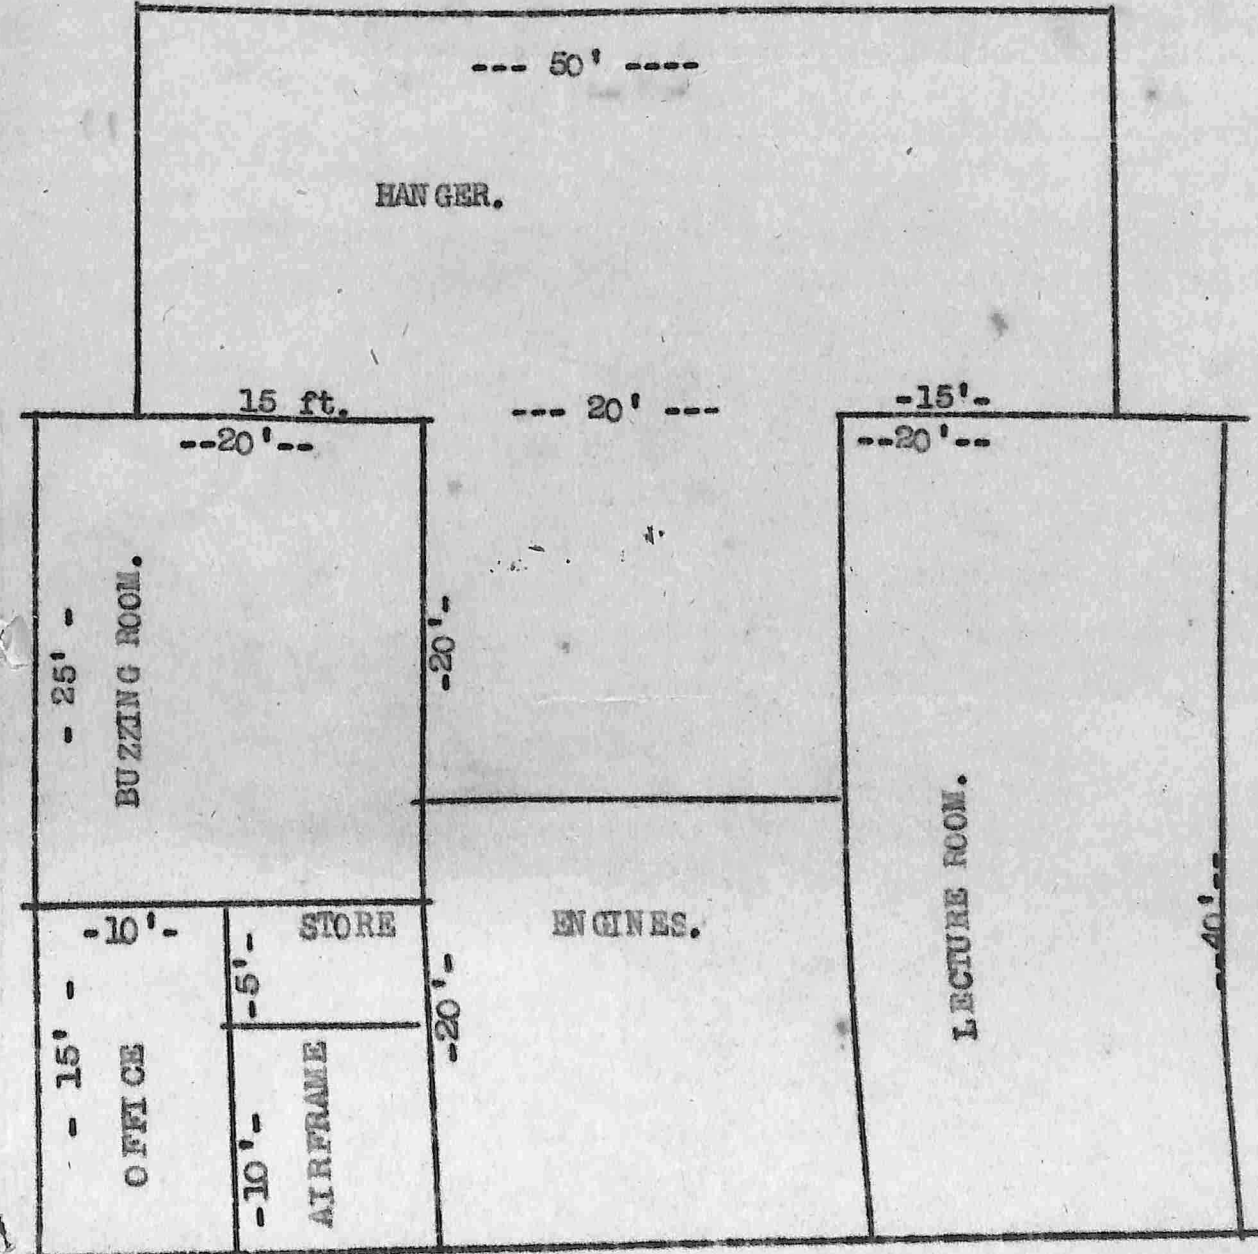

3. I am to suggest, therefore, that the proposals for Andhra
Annamalai be reviewed with the object of reducing the cost. A
saving can be effected by omitting the verandahs from the
Annamalai plan and in various other ways e.g. by the use of more
economical materials. A copy of the standard plan for such

8022 G 3/47-8 Edn. dated 29-10-47 - I.A.T.C. -
Construction of permanent structure in the
Annamalai University.

With reference to correspondence ending with the
mentioned above I am to state that the University
Engineer was at the work of drawing up plans and estimates
and the rough sketches got ready were sent to the Officer
Commanding the I.A.T.C at the University for his scrutiny
and suggestions. By the time his remarks were received,
the University was informed of the decision of the Govern-
ment of India to disband the I.A.T.C. Units at all Indian
Universities and the I.A.T.C. staff here have closed their
office from the 30th October 1947. In these circumstances
no further action was taken on the subject. The ques-
tion will however be taken up after the formation of 'The
National Cadet Corps' now under consideration of the
Government of India.
