Enclosures: RC.No.21-B1/48 dated 27th January 1948.

Sir,

SUB: BASIC EDUCATION - Opening of Training School at Keelamoongiladi, Chidambaram - Payment of Stipends - Provision to be made in the B.E. for 1947-48 and 1948-49.

A Basic Training School was opened at Keelamoongiladi, Chidambaram, South Arcot District on 21-8-1947, under the management of the Tamil Nad Basic Education Society. The school was permitted to admit 35 fresh men for training in Basic Education for the two years' course. The actual number admitted is 32. The management sought recognition and aid and the same were granted.

2. The pupil teachers should be paid a stipend of Rs.18/- per mensem each, as in the case of other Government Basic Training Schools. The estimated expenditure on this account works to Rs.3,600/- in the current year as detailed below.

For 32 candidates at Rs.18/-p.m. for 6 1/2 months (from 21-8-47 to February 1948). .. Rs.3,648/-or Rs.3,600 in round sum).

The cost in 1948-49 will be Rs.12,582 or Rs.12,600/- (Rs.18 x 32 x 12 months for the Seniors plus 18 x 35 x 9 months for a set of juniors to be admitted afresh in 1948-49.)

I request that the necessary provision may kindly be made in the Budget Estimate for 1948-49 for Rs.12,600/- for the payment of the stipendiary grant.

As regards stipends for this year: No provision has been made for the payment of stipends to candidates in this new school in the Budget Estimate for the current year. In this connection I may be permitted to state that against the sanction for the opening of 3 sections in the Government Basic Training School, Cuddalore, one section of 35 candidates was kept in abeyance. To avoid hardship to the students admitted this year I recommend as a special case that the savings may be utilised for this purpose by making the necessary reappropriation of grants. If the Government are pleased to accept the recommendation I request that a taken provision of Rs.100/- may kindly be made in the supplementary statement of grants and expenditure for 1947-48 for the payment of stipends in the current year to the pupils in question.

3. The expenditure is debitable to a new sub-head of appropriation - "37(n) A(i) 5. Basic Training Schools - to be opened under "37(n) - Education - special direct to Non-Government Special schools - A.General- (i) Excluded Post-War Reconstruction" in the current year with the following detailed account heads:-

Explanatory note.

The D.P.I. submitted proposals for the payment of a stipend of Rs.18 ~~each~~ to ~~each~~ of the students undergoing training in Basic Education in a Basic Training school at Keelamoongiladi run under the management of the Tamil Nadu Basic Education Society. The number of students admitted into the school during the current year is 32. The D.P.I. has permitted the admission of 35 students newly for the two years' course in 1948-49. On the ground that the students are put to inconvenience and difficulties for want of stipends, the D.P.I. has sought for urgent orders. The expenditure on the proposal is on a 'New Service'.

H.Ms. (Education) and (Finance) and H.Pr. minuted as follows:-

"We want to encourage basic education. We want to encourage basic education to be introduced also in all training schools and when a private school wants to encourage basic education, I don't see any reason why we refuse the help when it is our intention to spread basic education."

Funds have been provided in the budget ~~xxxxxx~~ to stipends for training schools and it is our intention to increase the basic training schools as many as possible. The stipends may be given. The real point under discussion is whether the stipends will be Rs.12 as we give to other training schools or Rs.18/- as in Govt. training schools.

for basic education in higher grade training also. From the next year for them also we propose to give Rs.12/- p.m. To this also Rs.12/- p.m., each for the period of training may be given from the date on which we have given them recognition.

Respected Sir,

As per your instructions, I am submitting herewith an extract from the letter of the D.P.I. to the Govt. re: the stipends to be given to the trainees at Keelamangila.

It is already five months since the training started and the stipends are not yet disbursed. The hardship involved can be imagined. If the matter can be expedited it will be good.

I may also point out that the stipends may be at the rate of Rs 18/- p.m. as recommended by the Director.

The D.P.I. has submitted proposals for the payment of  
Rs.18 per mensem to each of the trainees undergoing training  
at Keelamoongiladi. The school in question is run by a  
private management from 21-8-47 and has been duly recognised  
by the Education Dept. It was permitted to admit 35 fresh  
students for training in Basic Education for the two year  
course. ~~each year~~. The actual number admitted in 1947-48  
is 32. The cost involved in the payment of the stipends

For 32 candidates at Rs.18/- p.m.  
for 6-1/3 months (from 21-8-47 to

The proposals of the D.P.I. may be accepted.

The D.P.I. has sought urgent orders for the reasons  
that students are put to inconvenience and difficulties for  
want of stipends. In view of the urgency of the case it  
is for consideration whether the procedure of referring the

P.T.O.

and the cabinet  
this case to the Standing Finance Committee may be  
dispensed with.

Para 5 of the above  
S.P.

In G.O., No. 1188 the Govt. have accorded sanction  
for the continuance of the Basic Training schools at  
Vinayasaramam and Periyanaickenpalayan and the opening of  
3 additional training schools in the Province. It was also  
ordered that the candidates undergoing training in Basic  
Education in these schools should be paid stipends at Rs 18/-  
m., each, for the period of training.

3. The D.P.I. has now come up with a proposal to pay stipends  
to students undergoing training in Basic Education, in a private  
school <sup>run</sup> under the management of the Tamil Nad Basic Educa-  
tion Society. The expenditure involved in the proposal is  
estimated at Rs 3,648, in the current year, and Rs 12,582 in  
1948-49.

4. It is understood, from E.P.H., that the question of granting  
stipends to students undergoing training in Basic Education, in  
schools run by private managements, has not been considered so far  
and that the present proposal of the D.P.I., is the first of its  
kind. If the present proposal is accepted, it might lead to the  
Govt. having to pay stipends to candidates undergoing training  
in Basic Education in other private schools also, where the course  
is introduced, subject, ~~to~~ of course, to recognition by the Educa-  
tion Department. This will involve considerable additional expen-  
sure to the Govt. E.P.H. may be requested to take orders in  
regulation, including H.M. (Fin), on the D.P.I.'s proposal.

As the proposal involves expenditure on a 'new scheme' not con-  
sidered in the past, it will have to be treated as a 'New Service'.  
view of this, any claim by the D.P.I. for a new service may agree to the financial  
provisions of the 'New Service' procedure followed.  
reference is made in para 11 (iii) of the Finance Dept. note No. 26978A) D.O. 4.5.47  
being followed, if it is decided to accept the proposal.

the proposal is sanctioned for introduction in the current year  
the extra cost of Rs. 3648 or Rs. 3600 roughly, may be met  
by re-appropriation of funds as proposed by the D.P.I. at xx  
page 1 CF, 2 to regard the provision required for next year  
or Rs. 12582 or Rs. 12600 roughly, it is now too late to  
make mid-year provision in the Budget for 1948-9. The extra  
will have to be authorized in anticipation of forthcoming  
funds and the A.G. asked to admit it in audit. It is  
regd may be met by re-appropriation later in the course of the year (1948)  
With reference to the proposal for opening new he

of amount referred to by the D.P.I. in para. 3 of his  
pages 1-2 CF, E.P.H. may be requested to send a copy  
of the CF and this note to this department for taking action  
separately.

The note <sup>from page 1</sup> above explain the case.

It may now be circulated to H.M. (Edu)  
H.M. (Finance) and H.P. for orders in relation  
the D.P.I.'s proposal for the grant of a  
stipend of Rs. 18 per mensem to the  
students undergoing training in the Train-  
ing School at Keelamangiladi run by a private  
management may be sanctioned with

Committee and the Cabinet (A Saman-
