Sub: Bicycle - Purchase of - Sanction for.

I have the honour to state that a bicycle of Raleigh make purchased in 1937 had to be condemned and urgently replaced by a new one with a view to avoid dislocation of the abnormally heavy work of this office. The parts became so badly worn out as to render the cycle unfit for use, on account of the innumerable daily trips that it had to make and spare parts for this make were not available. There was therefore no other way left except to purchase a new one after calling for quotations. Accordingly five firms were asked to quote and the rate viz., Rs.211-0-0 quoted by the Raja Cycle Co., for one of Phillips make being the cheapest was accepted and an order placed with that company. The cycle has been received and is in use now. I request Government to ratify my action in having purchased the cycle in anticipation of Government sanction and accord sanction for a sum not exceeding Rs.220/- being the cost including sales tax, etc.

- The expenditure will be met from '56 Stationery and Printing - d. Government Presses (Madras) - F; Other expenditure
- Renewals and replacements from Depreciation Fund."
