PARTITION OFFICE  
Punjab Civil Secretariat  
Lahore

11th July, 1947.

Dear Sir,

If as a result of the Partition of the Punjab, Lahore is included in the West Punjab, we will be without the following Institutions in the East Punjab.

1. Agricultural College,
2. College of Engineering & Technology,
3. Training College (B.T. Classes),
4. Training College for women,
5. Sanitary Inspectors classes,
6. Weaving Institute,
7. Institute of Dyeing & Calico Printing,
8. Industrial Research Laboratory,
9. College of Dentistry,
10. Veterinary College,
11. Irrigation Research Institute,
12. School for Lady Health Visitors.

In that case we shall have to send our students outside our Province for the necessary training. I shall be grateful if you would kindly let me know at your very earliest whether a similar institution exists in your Province and whether you will be able to admit our students into that Institution. If it is possible to do so, please let me know the number of the students you will be able to admit as also the charges per capita. As we are at present considering proposals to send our students for this training to Pakistan, an early reply shall be highly appreciated.

Yours sincerely,

Gopinand Nayyar  
Member, Partition Committee

Hon'ble Shri O.P. Raddiari, Prime Minister, Madras.

R. C. No. 2323-14/47. dated 26th Novr. 1947.

Sir,

Admission of students from Punjab into the Training colleges  
of Madras Province.

Reference: - Government Memorandum No. 72493-4/47-A Edn.,  
dated 14.11.1947 regarding admission of students from  
Punjab into Training Colleges of this Province.

I have the honour to state that the medium of  
instruction presents no difficulty as it is English in all the Training  
Colleges. Observation and practice is not possible where the medium  
of instruction in the school is the regional language as at Rajahmundry  
and Saidapet. No other arrangements are possible at Rajahmundry but  
at Saidapet the students can be sent to schools where English is the  
medium.

Note: It does not seem that any useful purpose  
will be served by continuing to remind the  
East Punjab Govt. for, even if they seek to  
depute some students for admission into the

3. Items 5 and 12 :- Training of Sanitary Inspectors and Health Visitors :-

A reply has since been sent to the Govt. of the East Punjab in this Deptt's. Letter No. 74061/47-4-C<sub>3</sub>-P.H., dated 7.2.1948.

4. Item 8: Industrial Research Laboratory: -  
This item was remitted to Dep. but, though they considered  
no reply appears to have been sent vide two notes on  
pages 3-4 n.f. and the letter at page 15 of (D). A reply  
may now be given to the effect that no Laboratory of the  
kind mentioned exists in this Province.

5. Item 2: Engineering College:- The discussions in this file appear to have proceeded on the ~~basis~~<sup>idea</sup> that the admissions sought for were in respect of refugee students from the ~~West~~<sup>West</sup> Punjab (and Sind) to which alone the discussions in Gov. No. 232 Edu., dated 2.2.48 relate. But the letter at page 1, ~~et~~<sup>cf</sup> would indicate that the seats asked for were in respect of the students of the East Punjab itself, who had to leave the institutions in which they were undergoing their courses - account of the Partition - vide in this connection the letter issued by Gov. and etc.

As, however, it has been stated by the Govt. of India, at page 33 of (I) that the East Punjab Govt. have made <sup>the</sup> arrangements in respect of refugee students, we have presumed that the same would apply to the East Punjab students also. This may be deleted in the draft.
