the HONOURABLE MINISTER FOR EDUCATION,
government of Madras, Fort St. George.

RESPECTED SIR,

We the large body of the Non-Y.M.C.A. physical education teachers who are working in secondary and training schools as physical education teachers, beg to bring the following few lines to your kind and sympathetic consideration and favourable action at an early date.

Many of us are trained as early as 1920 and we were found quite competent and fit as qualified persons to be appointed as physical education teachers by the then government and the director of public instruction. Accordingly we were entertained as drill and gymnastic teachers in colleges and high schools. Ever since 1920 changes in the field of physical education have been brought about from time to time and to enable the people working already in school as physical education teachers, prior to these changes they were given refresher courses and additional trainings to fit them to the changed conditions and discharge their duties efficiently. We have been ever since working to the entire satisfaction of the inspecting authorities. We have done much of spare work in physical education and have been the pioneers since we happen to enter the field when the Y.M.C.A. College was still in its infancy.

In 1938-39 the Y.M.C.A. College introduced two sets of certificates lower and higher, entitling the higher grade certificate holders alone to be appointed as chief physical education teachers in secondary and training schools.

and the lower as their Assistants and the M.E.R., also was suitably amended. The people who were already in the schools were recognised and given the status of the chief physical education teachers, a status equal to that of a Higher grade certificate holders of the Y.M.C.A. College of physical education; prior to the introduction of this qualification people who were working as physical training instructors were either old gymnastic teachers or government certificate holder of the Y.M.C.A. College.

In the year 1943 the government granted a special pay of Rs.10/- and Rs.5/- for higher grade and lower grade certificate holders of the Y.M.C.A. College respectively but never sanctioned the same to the others in the field who were gymnastic teachers and Y.M.C.A. trained before 1932. probably on representation a special pay of Rs.5/- was also granted later on to the government certificate holder of the Y.M.C.A. trained prior to 1938. But so far nothing has been done to the other set of physical educators and who possess gymnastic teachers certificate and who are still in active service and discharging their duties satisfactorily. We are considered at par with the higher grade certificate holders for purposes of appointment and as such we feel we are eligible for the special pay sanctioned to them.

This body of physical education teachers who are sufficiently large in number request the Minister for education and through him the popular government to do justice to these men also by extending the application of the above-said G.O. of special pay to us also. This will give a greater incentive for work to us also. Otherwise there will be a good lot of disappointment and discontent and dissatisfaction.

we beg to remain,
RESPECTED SIR,
your most obedient servants,

R.C.No. 506-E/47 dated 15th September, 1947.

SIR,

Physical Education--Grant of special pay to certain
Gymnastic teachers employed in Government and Board
schools.Reference:-U.O. Note No. 15547-G.1/47-Education and Public
Health Department dated 6.3.1947.

In resubmitting herewith the U.O. Note of the Honourable
Minister for Education cited above, I have the honour to submit
herewith a copy of the remarks of the Chief Inspector of Physical
Education on the subject.

"The petition to the Hon. Minister for Education
regarding grant of special pay is from 8 teachers whose details
regarding qualifications, employment, etc. are given in the
annexure. It may be kindly seen from this statement that two of
the petitioners are in Government service, 3 in District Board
Service, one in Municipal Service and two under aided managements.
Of these only one- Sri C.H. Koteswara Sridanthi - is a failed
Matriculate of the Andhra University, the others being lesser
qualified.

3. The request of the petitioners is that the special pay
of Rs. 10/- sanctioned in G.O. No. Ms. 1493, Education, dated 3rd
November 1943 to Higher Grade Physical Education Teachers
referred to in that G.O. be given to them also. This G.O. refers
only to employees under Local Bodies. The G.O. sanctioning special
pay to Government servants is G.O. No. Ms. 581-Education dated 21st
April 1943, in which the special pay of Rs. 10/- and Rs. 5/- per
mensem was sanctioned to Higher and Lower Grade certificate
holders respectively.

4. It is correct that physical education teachers of the
type of the petitioners, that is, those who were not trained at
the Y.M.C.A. College were declared eligible for appointment as
Physical Training Instructors in Secondary schools and secondary
grade training schools, irrespective of whether they were
employed as such before 1924-25 or 1937-38 respectively; in
other words, these teachers were conferred the status of higher-
grade teachers for the purposes of employment according to Rules
13 and 107 of the Madras Educational Rules. This concession
was given in Proceedings Dis. No. 5354/41 dated 23.12.1941 of the
Director of Public Instruction.

5. Because of the concession granted to Physical Educa-
tion teachers of the type of the petitioners to serve in secondary
or secondary training schools, they now claim that their
remuneration should be the same as that of the Higher Grade
Physical Education teachers. The sanction of the special pay of
Rs. 10/- and 5 for the Higher and Lower Grade physical education
teachers was evidently made on the basis of the one year's train-
ing that these teachers had at the Y.M.C.A. College and the fact
that they were educationally atleast S.S.L.C. completed. No special
pay has been sanctioned to those trained at the Y.M.C.A. College
with lesser educational qualifications. The two criteria for the
grant of special pay are (1) that the educational qualification of
the teacher is atleast S.S.L.C. completed and (2) that the teacher
has had one year's training at the Y.M.C.A. College.

6. Though the old gymnastic certificate holders were also in certain cases required to undergo training (prior to 1924-25) at the several Government centres for gymnastic teachers' certificate training at Calicut, Guntur, Saidapet and Palamcottah for a whole year, the year's training did not include the instruction in the theory of physical education which is imparted at the Y.M.C.A. College, namely instruction in the subjects of "Anatomy, Physiology and Hygiene", "Principles and Methods of Physical Education", "Organisation and Administration of Physical Education", "First Aid", "Recreation, Play and Playgrounds", and so on. Thus a premium seems to have been placed on the fact that the training at the Y.M.C.A. College is definitely of a higher standard than the training previously given.

7. Considered in the light of the above, the petitioners do not have any ground on which to claim the pay of the higher grade physical education teachers or the additional special pay of Rs. 10/- granted to Higher Grade teachers. But their statement that they have attended a number of refresher courses and that they have undergone special additional training to fit themselves to the changed conditions to discharge their duties efficiently may be taken into consideration in disposing of their request. At these Refresher classes there has been a certain amount of instruction in theory of physical education which, though not equal to that given at the Y.M.C.A. College, might be said to a certain extent sufficient for their understanding of their work and to discharge it satisfactorily. In view of these, it is submitted that perhaps the sanction of a special pay of Rs. 5/- given to category 3 in G.O. No. Ms. 1493-Education, dated 3.11.1943 that is, to those who have the S.S.L.C. completed certificate and the training at the Y.M.C.A. College may perhaps be also made to such of the gymnastic certificate holders who were not trained at the Y.M.C.A. College but who have attended the Refresher courses conducted by the department or otherwise have improved their qualifications and whose qualification is S.S.L.C. completed or its equivalent. If this concession is conceded only one among the 8 applicants - C.H. Koteswara - Sidanthi - might be said to deserve the concession. He got himself trained in 1925-26, attended the Refresher courses in 1934 and 1939 and has qualified for work in St. John's First Aid and Ambulance Organisation and in the Scouting Organisation. Please see his qualifications in the remarks column in the attached statement.

8. In respect of the physical education teachers in the service of local bodies also perhaps the special pay of Rs. 5/- may be sanctioned to those gymnastic teachers' certificate holders who have the requisite Education qualifications, that is, not less than S.S.L.C. Completed and who have attended Refresher Classes and thus improved themselves.

I recommend that a special pay of Rs. 5/- may be sanctioned to the Gymnastic Instructors in Government and Local Board Schools who have requisite educational qualifications and who have improved their professional qualifications by attending refresher courses.

therein, he recommends that a special pay of Rs 5/- p.m. may be sanctioned to gymnastic instructors in Govt. and Local Bodies' schools, who have the requisite educational qualifications and who have improved their professional qualifications by attending refresher courses.

Under G.O. 1493 En. dt. 3-11-43, a spl. pay of Rs 5/- or Rs 10/- was admissible to certain classes of P.T. instructors employed in Secy. schools under local bodies. As the scales of pay of these instructors have been revised recently, the Govt. have ordered in G.O. En. dt. 13.9.47, that this special pay should be discontinued, though it may be taken into consideration in fixing their pay on the revised scales. In the circumstances does not appear necessary to grant any special

pay for the gymnastic instructors employed in schools under local bodies. It may perhaps be allowed in the case of those employed in Govt. schools only. The cost on account of such the grant of special pay, if restricted to Govt. schools only, would be negligible. Finance may see before deciding.

do not see any need to differentiate between the scales of local bodies in this matter. The claim for a special pay is not to be initiated by refresher courses with basic training as the Y.D.C.A. college. This is a reasonable position in the case of the same for the instructors in the schools under local bodies. The proposed increase I think, be negative in the long run.

Finance B. 14

Please see the minute of HM (Edn) on p 1 above and the note of E.P.H from the bottom of p 1 above.

2. The proposal ^{of the DPL} is to sanction ^{a special pay of Rs 5 p.m.} to certain

non-Y.M.C.A trained Physical Teachers in Govt and Local Bodies' schools who have the requisite educational qualification and who have improved their professional qualifications by attending refresher courses at the Y.M.C.A. The Secretary, E.P.H. considers that the special training after which the Y.M.C.A certificate will be given, cannot be equated to the refresher courses and hence the proposal for the grant of special pay for the non-Y.M.C.A physical training teachers may be negatived. This Dept may agree. It may also be noted in this connection that when the scales of pay of Govt. servants were revised in G.O 782 in 6.2.47 as subsequently amended, special pay previously sanctioned to certain Y.M.C.A trained Physical Instructors was dispensed with and separate scales fixed with reference to their qualifications. The same

principle has been adopted even in respect of Physical Training Instructors under Local Bodies - please see G.O 1998 Edu B 13.9.47. In the circumstances there does not seem to be sufficient justification to sanction special pay now to the non-Y.M.C.A Physical Instructors under reference whether in Govt schools or under local bodies.
