Office of the
Director of Public Instruction,
Madras, Dated 19-5-1947.

From

Dr. S.R.U. Savor, M.A., D.Sc., I.E.S.,
Director of Public Instruction, Madras.

To

The Secretary to Government,
Education and Public Health Department, Madras.

Sir,

Sub:- The Madras Revised Scales of pay Rules - 1947 -
Fixation of Pay of Clerks of the defunct District
Educational Councils and Local Body Teachers taken
over to Government Service.

Read: G.O.No.78, Finance, dated 6-2-1947.

I have the honour to solicit orders of Government on the
following:--

(1) Whether the whole service including that under the defunct
District Educational Councils put in by the clerks who have since
been absorbed in Government Service may be taken into account in
granting advance increments and fixing their pay in the revised
scales under sub-rules 2(c) and 2(g) of Rule 9 in view of the fact
that the clerks were given the benefit of the same pay as they were
drawing on the date of abolition of the District Educational
Councils when taken to Government Service; and

(2) Whether the previous service of the Local Body teachers
who were taken over to Government Service on their own pay consequent
on the transfer of management of the schools or for other reasons may
also be taken into account likewise.

I recommend that in both the above cases Government may be
pleased to take a liberal view and issue favourable orders as
otherwise it will be a real hardship to the employees concerned.

I have the honour to be,
Sir,
Your most obedient servant,

for Director of Public Instruction.

A *[initials]*

The clerks of the defunct D.Es were not Govt servants till their appointment to temporary posts specially created for them in 1939. They will be eligible for gratuity or pension in respect of their service only after that date. There seems to be no case to take into account their service under D.Es for purposes of granting advance increments and fixing their pay in the revised scales.

B *[initials]*

The case of local board teachers is however different. They were taken along with the schools in which they were employed and the grant of concession to them similar to those granted to Govt servants is reasonable.

The file may be sent to the Fin dept for remarks.

Secretary to the Government of Madras,

Education & Public Health Department,

MADRAS

Through
The Proper channel.

The humble petition of T.V.Ramanarao, Clerk, Defunct District Educational Council, East Godavari, and the present Officiating Clerk, Government Training School, Rajahmundry, praying that, for reasons represented by him, Government be pleased to accord the concession to count his previous service for purposes of granting advance increments when fixing his pay in the revised scales.

Respected Sir,

I, T.V.Ramanarao, Clerk, Defunct District Educational Council, East Godavari, and the present Officiating Clerk, Government Training School, Rajahmundry, humbly beg to lay the following facts for favour of your kind and sympathetic consideration and favourable orders.

I was first appointed in Defunct District Educational Council, East Godavari, on 27-7-1921 and worked in it till the date of its abolition putting a service of 17 years and 5 days.

I, as a headclerk of the Council, drew the old scale of pay i.e. Rs.35--60 from 1-5-1925 and drew in that scale at the time of my absorption into the Educational Department on 1-6-1939.

When matters were standing thus, orders of the Government of the District Educational Councils and the absorption of staff into the Educational Department were issued. In pursuance of the above orders, Government were pleased to allow on the revised time scale of pay i.e. Rs.30--55.

On account of putting us in the revised scale of pay of Rs. ~~30~~ 30/-- 55, I was a loser by Rs. 1/- p.m. in 1940, by Rs. 2/- p.m. in 1941, by Rs. 3/- p.m. in 1942, and Rs. 4/- p.m. in 1943, and Rs. 5/- p.m. from 1944 to 31-12-1946. From the date from which the revised scales of pay ^{have} come into force I have to lose Rs. 6/- per mensem till the end of 1952 the year of my retirement as my pay with interim relief was only Rs. 59/- on 1-1-1947 instead of Rs. 64/- as it would have been under old scale and consequently as the revised initial pay is Rs. 60/- instead of Rs. 66/- as would have been under old time scale. Unless the Government will be pleased to reconsider their orders in their memorandum No. 43021--A-2/47 dated 23-6-'47 taking into their kind and sympathetic consideration and allow the concession to count my previous service as was already recommended by my departmental head, The Director of Public Instruction, Madras, I have to suffer besides the above loss a further loss of Rs. 6/- per mensem as my subsequent service in Educational Department is only 7 years and 7 months and as per rule 9-2-C(IV) of G.O. No. 78 Finance Dated 6-2-1947, I am eligible for one advance increment only for that service.

But for the above unbearable and enormous loss suffered by me all the while and has yet to be suffered till my retirement I would not have mentioned the above, when Government were so kind as to take adequate steps to safe-guard the interests of the staff of the late District Educational Council in as much as they absorbed all the members into the Educational Department, waived the age and the Educational qualifications, wherever necessary, and permitted them to draw pay in the revised scale under Government with a reference to the pay that was actually drawn by them at the time of their absorption. Further Government are kind enough ^{now} to revise the scales of the several Government Servants and the Lower Division Clerks who are getting Rs. 30-55 and allow them the new revised scale of Rs. 45-90. So one need not feel much for being allowed Rs. 30-55 even though he was enjoying

Rs. 35-60 while working in the District Educational Council because all the clerks getting either Rs. 35-60 or Rs. 30-55 are allowed now the same revised scale of Rs. 45-90.

Since Government were kind enough to accept in their Memorandum No. 43021-A-2/47 dated 23-6-1947 the recommendation of the Director of Public Instruction and allow the concession in the case of teachers who were working under Local Bodies and subsequently taken over into Government Service, since my case also stands on the same footing in as much as I have enjoyed the old time scale of pay of Rs. 35-60 as Head Clerk of Defunct District Educational Council, East Godavari, it is but just to permit me to count the service of 14 years 1 month i.e., from 1-5-1925 to 31-5-1939 rendered by me in the Defunct District Educational Council ^{East Godavari} along with the service of 7 years 7 months i.e. from 1-6-1939 to 31-12-1946 in the Educational Department towards advance increments under Rule 9 (2-C)(IV) of G.O. No. 78 Finance dated 6-2-1947. I humbly submit that by the extension of this concession to me, the loss already sustained by me and ~~will~~ yet to be suffered will be lessened to some extent.

I, therefore, humbly and respectfully pray that the Government may be pleased to permit me to count my service of over 21 years for getting advance increments under Rule 9 (2)C-IV since I have been actually drawing the scale of Rs. 35-60 from 1-5-1925 to 31-5-1939 and the scale of Rs. 30-55 from 1-6-1935 to 31-12-1946.
