EDUCATION AND PUBLIC HEALTH DEPT.

Subject:- ADVANCED STUDIES OVERSEAS IN RESPECT OF MR. H.O. NULRAJ JOSEPH, 1945 SCHOLAR - EXTENSION IN THE PERIOD OF SCHOLARSHIP.

....

20210

Sir,

I am directed to forward herewith for favour of necessary action a copy of letter No. E.A. 5220 dated 16th October, 1947(with enclosures) from the High Commissioner for India, London, on the above subject. Owing to his late arrival, in mid session, in the United Kingdom, for which he was not responsible, Mr. Joseph could not be admitted to the M.Sc.(Tech.) research degree course in Mech. Engineering in the Manchester College, earlier ~~after~~ than in March, 1946, nearly 4 months after his arrival in the United Kingdom. He has now finished one year of research. The Professor and High Commissionr for India have recommended an extension in the period of his ~~his~~ scholarship upto July 1948, in order to enable him to complete the M.Sc.(Tech.) degree course at the Manchester College of Technology for which he was selected. If the proposed extension is not granted, he will have to break off his studies and come away without completing the work he has begun and done so creditably so far. The Progress Report on the scholar's work has already been furnished to the Government of Madras, which, it will be observed, is very satisfactory.

143.9

In view of the strong recommendations of the Professor and the High Commissioner the Goernment of India are also inclined to recommend the proposed extension in the scholarship period of Mr. Joseph upto July 1948. The Government of Madras may now kindly consider the case, particularly from the viewpoint of the work that the scholar is expected to take up on his return to India, and communicate their decision to this Ministry, as urgently as possible. It may be pointed out that Mr. Joseph was allowed to proceed with his studies for M.Sc. (Tech.) with the concurrence of the Provincial Government vide their letter No. 55771-C/2/46-5,Edn, dated the 4th January, 1947.

Main File submitted separately (C.N. 2597/47)

I have the honour to be,
Sir,
Your most obedient servant,

D K Hingorani
for Secretary.

To

The Secretary,
Education Department,
India House,
London.

Dear Sir,

From your letter of the 11th instant I understand that I have not made myself clear regarding the necessity for the extension of my scholarship.

I landed in this country on the 26th December 1945 but secured admission only at mid February 1946 and hence was over four months late for any proper course. I was lucky to be taken on for the Two Terms intensive course in Industrial Administration which I completed in July 1946. After this I started research work for the Degree of M.Sc. (Tech) and have now completed one year of research and a number of subjects in Industrial Administration and Mechanical Engineering (evening classes), This year would be my final year of research work and I hope to complete the Thesis as well as the ~~thx~~ balance of subjects in Industrial Administration by the end of this academic year 1947-48.

Any breaking off this December would mean, neither research experience nor a complete knowledge of the subject for the study of which I was sent to this country.

I hope I have made myself clear now. If you still think it is necessary for me to send you my Superivsors statement please let me know.

Yours sincerely,

(SGD) N. JOSEPH.

22nd August, 1947.

The Secretary,
Education Department,
India House,
London, W.C.2.

Dear Sir,

I am a State Sdholar (Madras Provincial) selected for studies in Industrial and Administrative engineering, to enable me to teach the subject on my return to India.

I arrived in this country on 26th December 1946 and secured admission in the Department of Industrial Administration of the Manchester College of Technology in February 1946. As per advice given by Mr. Kirpal in his letter Ref. E.A. 5220 of 20th February 1946 and Dr. Roberts (Head of the Department) letter of the 8th February 1946 para 5 (extract given below) I have now completed a six months full time course under the college auspices and also a year of reseach work under University auspices. I hope to complete my M.Sc. (Tech) thesis and the balance of subjects in Industrial Adminisreation by June 1948, which would be six months more than the two years sanctioned.

I shall be very thankfull if you could kindly arrange to extend my scholarship for another six months to enable me to get the full benefit of my studies in England.

Yours sincerely,

(SGD) N. JOSEPH

(Extract of Dr. Roberts' letter of 8th February 1946 para 5.)

If it is your intention to teach Industrial Administration to engineering students in the University Madras after completing your period of study in this Department, I strongly advise you to consider covering as much of the work we do in this Department as possible whilst you are here. It would, therefore, be advantageious to consider remaining in the Department until June 1948, which would give you the advantage of the six months full time course under college auspices as well as two full academic years under University auspices. This, however, is a matter for You to decide.

Copy

Department of Industrial
Administration,

College of Technology,
Manchester 1, 7th October, 1947.

The Secretary,
Education Department,
The High Commissioner for India,
London, W.C.2.

Reference E.A. 5220.

Dear Sir,

Mr. H.O.N.Joseph.

This is to certify that the above-named student, who arrived in this country with a 2-years schoarship in 1946, will require an extension of the scholarship to July 1948 in order to complete the 2-years course required for M.Sc. (Tech) Mr. Joseph arrived in mid-session so that it was impossible for him to commence his M.Sc. (Tech) studies until October 1946. The first part of his stay in the Department, therefore, was taken up by attending and ~~Immex~~ Intensive 2-terms course, in whcih he stdued subjects which will be most useful for him in the teaching of Industrial Administration on his return to India.

I have great Pleasure in recommending that this extensio be awarded.

Yous faithfully,

(SGD) A. Roberts.

Copy Of letter No. E.A.5220 dated 21st November 1947 for from the Office of the High Commissioner for India to the Ministry of Education Education. Govt. of India, New Delhi

----

Would you kindly refer to the endorsment to your Office letter No.F.3-11/45-OD 4 dated the 10th November 1947 regarding Mr. H.O. Nulraj Joseph, which was addressed to the Secretary to the Government of ~~India~~ Madras and a copy of which was forwarded to this office for information. In reply to that endorsement I write to say that the Provincial Government's letter dated 12th September 1947 regarding this candidate does not contain any instructions as to the lines on which practical training should be arranged for the scholar; it only contains a statement from the Director of Public instruction that the subjects of Industrial Engineering and Administrative Engineering are known by different names in different Universities, and gives a syllabus of the course followed by the Cornell University. If the syllabus enclosed is to be taken as a basis for arranging practical training for Mr. Joseph the plan involved appears tobe ambitious. It is regretted that the whole syllabus ~~ab~~ cannot be studied in one year in an institution or a firm, and that the whole course would normally take much more time than one year.

In the circumstances I should be glad if you would kindly approach the Provincial Government for specific instruction regarding the training desired for this candidate.

"**************"

Copy of letter No. E.A. 5234 dated 27th November 1947 from the office of the High Commissioner for India to the Ministry of Education, Govt. of India. New Delhi.

I am directed to invite a reference to the endorsement to the Government of India's Memorandum No. F.7-31/45OD 4 dated 27th August 1947 which was addressed to the Secretary to the Government of Madras regarding Mr. V.R. Sirinivsan and enclose herein in reply to the endorsement a copy of this ~~schol~~ scholar s representation for extentions in his scholarship until July 1948. Having regard to the Supervisor's statement that this scholar will not be able to complete his work until July 1948 this Office is prepared to recommend his case.

p19 infra

I am to request that the decision of the Government on this application for extension may kindly be communicated to this Department as soon as possible.

11

Copy of application/of Mr. V.R. Sirinivasan Govt. of Madras Scholar to the Secretary to the Govt. of India, Ministry of Education, New Delhi, India, through the High Commissioner for India, London.

xxxxxxxxxxxx

I wish to apply for an extension of my scholarship granted by the Govt. of Madras for two more University terms, i.e upto July 1958 The details regarding the sponsoring authority etc. are appended below:-

1. Date of arrival in England etc.

Arrived in England on 26th December 1945. Reached Leeds on January 8th 1946...started work from the 12th January 1946.

Name of sponsoring authority

Government of Madras, Madras, India

Details of training received up to date

General textile research; methods of analysis, testing etc. Specilisation in the analysis of keratinous materials-research on the action of metal-containing complexes on keratin- particularly wool. Methods of analysis therein, including X-Ray analysis of such treated filues.

Study of the super controction phenomena caused by such metal complex derivatives-Relation between Cons. temp. and time on such super contraction.

Reversibility of such super contraction phenomena-by various acids and complex forming substances like ammonia, glycine etc.

Study o the amount of metals like copper, nickel, absorbed at various temperatures and conc.n. by wool from complex sol.ue. of such metals.

Relation betwwen absorption and super contraction.

2. Course of studies to be completed etc.

Completion of above-mentioned investigations and study of the backing-out propoerties of such bound metals in the keratins. Investigation ofthe nature of wool metal compounds formed on such treatment.

3. Reason for extension:

The course of work and investigations cam be completed only by June July 1948 and it is also hoped th t a couple of months' practical training in the Textile industry can be gained during that peridd.

4. Letter of Recommendation:

A letter of supporting this application for extensionhas already been sent by the Supervisor under whomI am working- Dr. C.S. Whewell Lecturer in Textile Chemistry, The University, Leeds on the 25th September 1947.

I hope that the application will be considered favourably and the extension be granted so that I can complete the course of studies I am pursuinghere.

Thanking you

Srinivasan is a Scholar selected by this Govt. in 1945-46 for advanced Studies in "Manufacture of artificial Silk and Nylon" and is intended, after completion of ~~his~~ studies, for absorption in Industries (Govt and Private Enterprise). The normal period of study allowed for each Scholar under the Scholarship Scheme is two years. Mr Srinivasan will be completing his two years by the end of Dec. 47 as he ~~has~~ reached the U.K. by Dec. 45. The period of extension of study now recommended is for months (ie) upto July 48. Dev. Dept may consider whether the extension of study applied for may be granted. They may also offer their views with ref. to 'P' on pp 15-16 CF. Finance should also see.

From the Jt D. I & C., No. 1523-C3/47 d 10-1-48]

—

The notes in respect of the Scholar, Mr V.R. Srinivasan from the middle ~~upto the last~~ of p 2 ante may be perused. The Dev. Dept. have since obtained and forwarded the views of the Jt. D. I & C. in the matter. The Jt. Director recommends that the extension applied for may be granted. Dev. Dept. support his recommendation. But both the Jt Director and the Dev. Dept. have not offered any remarks re. the scholar's further studies with ref. to ~~C.o.g~~ 'P' ~~on~~ pp 15-16 CF. of the C. of I's letter. It may, however, be presumed that they have no remarks to offer on this point and the C. of I. may be informed accordingly.

Dev. UO No 8139 DI/48-1 20.1.48

The file has now been remitted to this dept with reference to the proposal to extend period of overseas scholarship of Mr V.R. Srinivasan, selected by this Govt for advanced studies in the 'manufacture of artificial silk and Nylon'. The normal period of the scholarship viz two years was over by the end of December 1947 and it is now proposed to extend the period of scholarship by ~~another~~ about six to seven months i.e., upto July 1948 when the scholar is expected to complete his research Ph. D Course and two months practical training. Devt, in consultation with the Joint Director of Industries and Commerce, agree to the proposal. This dept. may also agree to the proposal.
