PART II SCHEME FOR 1948-49.

EDN. & P.H. (G3).
NOTE: FOR THE STANDING FINANCE COMMITTEE.

(Sub: University - Grant to Annamalai University for construction of drainage scheme.)

SUMMARY.

Head of Account.	Item of expenditure.	Ultimate cost.	Cost in 1948-9.
		Non-recurring. Rs.	Non-recurring. Rs.
37. Edn. University - Grants to Universities - a. C. Annamalai University - Voted - Non-recurring	Grant to the Annamalai University for the construction of drainage.	4.927 lakhs.	50,000/-

Pony 8/12/47
PP51-2 of 8

In 1942, the Govt. sanctioned a grant of Rs. 2.31 lakhs for the provision of an underground drainage in the Annamalai University, with reference to the then estimated cost. The University was also informed that the execution of the work should be deferred until normal times, and that the provision of funds would be considered when the execution of the work became practicable. The University submitted the revised estimate for Rs. 4.927 lakhs, on account of the increase of the cost of materials. The C.E. has stated that the estimates might be accepted for purposes of formal sanction, but that the actual work should be done only after calling for tenders and that a revised estimate based on accepted tender rates should be prepared and sanctioned. It was accordingly proposed to accept the proposal to approve the revised estimate subject to the condition mentioned by the C.E. The proposal was placed before the University Grants Committee. It recommended that the application of the University for enhancement of the original grant based on the revised estimate be sanctioned. The Finance Department agree to the proposal to be considered as a Part II Scheme for 1948-49.

amr. sent on 12/11/47

11/12/47

As per request of the University, it is proposed to provide a sum of Rs. 50,000/- for the scheme during 1948-49 as shown in the summary above. It is also for consideration whether the balance of the grant due to the University should be given on the basis of the original estimate of Rs. 2.31 lakhs, or be increased on the basis of the increased revised estimate, of Rs. 4.927 lakhs.

EDUCATION AND PUBLIC HEALTH DEPARTMENT.
PART II SCHEME FOR 1948-9.

[SUBJECT—University—Grant to Annamalai University for construction of drainage scheme.]

Summary.

Head of account. (1)	Item of expenditure. (2)	Non-recurring.	
		Ultimate cost. (3) Rs.	Cost in 1948-9. (4) Rs.
37. Education — University — Grants to Universities—A. C. Annamalai University— Voted Non-recurring.	Grant to the Anna- malai University for the construc- tion of drainage.	4,927 lakhs.	50,000

In 1942, the Government sanctioned a grant of Rs. 2.31 lakhs for the provision of an underground drainage in the Annamalai University with reference to the then estimated cost. The University was also informed that the execution of the work should be deferred until normal times, and that the provision of funds would be considered when the execution of the work became practicable. The University

submitted a revised estimate for Rs. 4.927 lakhs on account of the increase of the cost of materials. The Chief Engineer, Public Works Department, has stated that the estimates might be accepted for purposes of formal sanction, but that the actual work should be done only after calling for tenders and that a revised estimate based on accepted tender rates should be prepared and sanctioned. It was accordingly proposed to accept the proposal to approve the revised estimate subject to the condition mentioned by the Chief Engineer. The proposal was placed before the University Grants Committee. It recommended that the application of the University for enhancement of the original grant based on revised estimate be sanctioned. The Standing Finance Committee advised that the application for increase of grant might be considered as a Part II Scheme for 1948-9.

At the request of the University, it is proposed to provide a sum of Rs. 50,000 for the scheme during 1948-9 as shown in the summary above. It is also proposed to consider whether the balance of the grant due to the University should be given on the basis of the original estimate of Rs. 2.31 lakhs, or be increased on the basis of the increased revised estimate of Rs. 4.927 lakhs.

Sir,

Sub: University - Annamalai - Drainage Scheme etc.

Ref: Letter Mis No.413 Education dated 2--3--1948.

P139 of N in
Held F.

do -
P.15-6 of
L.F. in R.F.

In reply to Government's letter Mis No.413 Edn. dated 2--3--48, I am to state ^{that} the University in its letter No. 9255 dated 1--3--46 applied for an increased grant for the execution of the Drainage Scheme approved by Government and submitted plans and estimates in the light of the present cost of materials. The work could not be proceeded with, as the difficulty in procuring cement and steel pipes continued all these years and with decontrol and better transport facilities, there is every prospect of putting the scheme into execution during the year 1949--'50. The lack of a drainage system for this University Colony is felt as a serious drawback and due to the absence of an adequate arrangement for the discharge of sullage water from houses, latrines, kitchens, laboratories, the area adjoining residential houses, hostels and laboratories have become breeding centres for mosquitoes. Consequently Malaria and Philaria are rampant throughout the Colony. I submit therefore that it may

ANNA MALAI UNIVERSITY

ANNA MALAI UNIVERSITY

The Secretary to the Government of Madras,

Education and Public Health Department,

Fort St. George, Madras 5.

Sir,

Re: Anna Malai University - Drainage scheme etc.

Ref: Letter No. 10.413 Education dated 2-3-1948.

In reply to Government's letter No. 10.413 dated

dated 2-3-48, I am to state the University is its

letter No. 10.413 dated 1-12-47 applied for an increase

grant for the execution of the drainage scheme approved

by Government and submitted plans and estimates in the

light of the present cost of materials. The work could

not be proceeded with, as the difficulty in procuring

cement and steel pipes continued all these years and with

depreciation and other to report facilities, there is every

prospect of putting the scheme into execution during the

year 1949-50. The lack of a drainage system in this

University colony is felt as a serious drawback and due

to the absence of an adequate drainage system, the

work of drainage works from houses, latrines, kitchen,

etc., the area belonging to the University is not

fit for habitation and the health of the students is

endangered. The Government of Madras is requested to

consider the above and to grant the necessary funds

for the execution of the drainage scheme.

not be possible to put off the scheme for any length of time without prejudice to the health of the Colony whose population has now risen to more than 6,000 on account of the opening of the Engineering and Technological Courses of study.

In the circumstances, I request that Government be pleased to reconsider their orders and make a provision for executing the scheme at least for 1949-50.

Your most obedient servant,

[Signature]

Ag. Registrar.

Edn., dated 24/5/48

To

The Registrar, Annamalai University, Annamalai Nagar.

Sir,

Sub:- University - Annamalai - Drainage scheme - Grant
Request for increase - ~~Order~~ Reconsi-
deration of orders

Ref:- Your letter No.397 dated 14-4-1948.

I am to state that the Govt. see no reason for
~~in~~ reconsidering the orders already ^{issued} passed in Letter/Ms.
No.413 Edn., dated 2-3-48. and that ^{As} regards the request
of the University for making ^a provision ^{for the scheme} in the B.E. for 1949-
50, ^{I am to say that} ~~the University~~ necessary proposals may be sub-
mitted ^{to Govt.} ~~early~~ ^{Sept. 1948} in August, 1949, so that the same may be
considered

(12)

37-a.Education - University - Grants to Universities -
C.Annamalai University - Voted - Non-Recurring - Con-
struction of drainage scheme - Revised estimate - Request
for increase of grant - Part II Scheme for 1948-49.

In 1942, the Govt. sanctioned a grant of Rs. 2.31 lakhs for the provision of an underground drainage in the Annamalai University, with reference to the then estimated cost. The University was then informed that the execution of the scheme ~~should~~ should be deferred until normal times and that the question of providing funds for the purpose would be considered when the execution of the work became practicable. In Dec.1945, the University requested permission to carry out the scheme and applied for enhancement of the grant already sanctioned by 75% on account of the increase of the cost of materials. The University was informed that the Govt. had no objection to the University proceeding with the execution of the work, but they could not commit themselves in regard to any increase of grant until the revised estimates ~~were~~ ^{have} are received and accepted after scrutiny by the Chief Engineer. The University submitted the revised estimate for Rs.4.927 lakh as against the original estimate of Rs. 2.31 lakhs. The C.E., P.W.D.to whom the estimate was sent for scrutiny remarked that the increased rates adopted by the University ^{were} not based on any detailed data but that they ^{might} ~~may~~ be accepted for purposes ^{to be taken} of ~~for~~ formal sanction to enable further action ^{that} for the purpose of execution of the work, but ^{that} the actual work should be done only after calling for tenders and a revised estimate based on accepted rates of tender should be prepared and sanctioned. It was accordingly proposed to approve the revised estimate of Rs. 4.927 lakhs and inform the University that the actual payment of the grant ^{would} ~~will~~ be sanctioned by the Govt. only with reference to the revised estimate prepared on the basis of the accepted rates of tender. Finance agreed to the above proposal and suggested that the 'New service' procedure ^{may} be followed, as the additional grant ^{proposed} ~~to be sanctioned~~ was Rs. 2.617 Lakhs.

The proposal

call note

In 1945 the University applied for permission to carry out the work and also applied for enhancement of the original grant to Rs. 4.927 based on revised estimates on account of the increase in the cost of materials. The ~~question whether~~ application of the University for payment of ^{the} enhanced grant ~~was~~ ^{based on the revised estimate} was placed before the Standing Finance Committee and it was ordered to be treated as a Part II Scheme for 1948-49. The University was informed of this decision and was also asked to state the provision required for this purpose in the B.E. for 1948-49. The University ^{now} states that a sum of Rs. 50,000/- may be required ^{for the work in} ~~in 1948-49~~ 1948-49. The Finance Deptt. agreed ~~that~~ ^{to} this scheme being treated as a Part II scheme for 1948-49 and ~~stated~~ ^{suggest} that the ~~proposed~~ case ~~to increase the grant of Rs. 2.31 lakhs to Rs. 4.927 lakhs~~ may be circulated ~~for orders~~ to H.M. (Fin) before a note for the Fin. Committee for considering the proposal as a Part II Scheme for ~~1948-49~~ 1948-49 is prepared. It is ~~now~~ for orders whether the proposal ~~to increase the amount~~ of grant of Rs. 2.31 lakhs already promised to the Annamalai University for its underground drainage scheme, to Rs. 4.927 lakhs (based on the revised estimate) may go forward as a Part II scheme for 1948-49 ^{and if so whether a provision of Rs. 50,000/- may be made in the B.E. for 1948-49.} ~~Rs. 50,000/- may be made in the B.E. for 1948-49.~~ May be circulated to HM (Edn) and HM (Fin)

I think the increase need not be granted. The half grant proposed by the Standing Finance Committee may again be approved and put before the Standing Finance Committee, if necessary. In this matter I am not quite sure whether it should be placed before the Standing Finance Committee again, because it has already been approved by it once before quite shortly. If it is necessary, that may be done.

There is a letter - logging in the
Campus. The scheme is not yet decided. Who should be
