: 2 :

I solicit the favour of Government orders whether all the Drawing Masters can count their total service for purposes of advance increments in the Revised scale of s.45-3-60-2-90 which is now the same for both the grades I and II of Drawing Masters under Rules 7(c) and 9(c) of the Madras Revised scales of pay Rules, 1947 and whether the distinction between these 2 grades can be taken to have been removed altogether after the issue of the above G.O.

If this is not done it is likely that a Drawing Master of Grade II may get more pay than one in Grade I in the revised scales of pay.
